### **SHEPHERD COLLEGE ASSEMBLY**

**Meeting—Second Monday, 4:10 P.M. Shepherd College Center**

**ASSEMBLY CABINET:** President Ikenberry, Administrative; Dean Slonaker, Academic; Professor Charles Printz, Faculty; Dean Loyd Bates, Student Affairs. Meeting: Announced.

**1966-1967**

#### **ASSEMBLY COMMITTEE**

**1. ADMINISTRATIVE COMMITTEES—**Coordinator, President Ikenberry. **ADMINISTRATIVE:** Dr. Ikenberry, Mr. Agee, Dean Bates, Dean Borwick, Dr. Moler, Mr. Rider, and Dr. Slonaker. Meeting: Friday, 10:30 a.m., President's Office.

**ATHLETIC:** Mr. Lowe, Mr. Agee, Mr. Begole, Mr. Fieger, Mr. Hartman, Mr. Riggelman and two students. Dr. Ikenberry and Dean Slonaker, ex-officio members. Meeting: Announced, President's Office.

**COLLEGE CALENDAR:** Dr. Slonaker, Dean Borwick, Mr. Hartman and Dr. Malton. Meeting: Announced, President's Office.

**COMMENCEMENT:** Mr. Rider, Dr. Backus, Mr. Banks, Mrs. Hendricks, Mrs. Hughes, Mr. Morgan and Miss Willis. Meeting: Announced. President's Office.

**LONG RANGE PLANS:** Dr. Ikenberry, Mr. Agee, Dr. Atherton, Dean Bates, Mr. Harris, Dr. Malton, and Dr. Slonaker. Ex-officio members: Mr. Gravitt, Research Analyst; Dr. Moler, Consultant and Mr. Perry, Secretary. Meeting: Announced, President's Office.

**PUBLIC RELATIONS:** Dr. Moler, Mr. Carper, Miss Holden, Mr. Gravitt, Mr. Keebler, Mr. Perry and Mr. Saab. Meeting: First and Third Mondays, 11:00 a.m., Chairman's Office.

**NAMING OF BUILDINGS:** Mr. Rider, Mr. Lowe, Mr. Donald Mickey, Dr. Slonaker and Dr. Ikenberry. Meeting: Announced.

## **II. ACADEMIC COMMITTEES**—Coordinator, Dean Slonaker.

**ACADEMIC:** Dr. Slonaker, Mrs. Begole, Dr. Bushong, Mr. Fieger, Dr. Frank, Mr. Harris, Dr. Malton, Mr. Miller, Mr. Printz, Mr. J. Smith, Mrs. V. Smith, and Dr. Speg. Meeting: First Monday, 4:10 p.m., Rumsey Room.

**ADMISSIONS AND CREDITS:** Mr. Printz (2), Dr. Bates, Dr. Bell, Dr. Bushong, Mrs. Byrer (2), Dr. Cree (2), Mr. Rider and Dr. Slonaker. Meeting: Announced.

**HONORS:** Dr. Frank (2), Mr. Beccaris (2), Mr. Begole (2), Mr. Moreland and Mrs. Smith. Meeting: Announced.

**TEACHER EDUCATION:** Dr. Speg, Mrs. Begole, Dr. Bushong, Mr. Buterbaugh, Dr. Cree, Dr. Grumley, Mr. Harris, Dr. Malton, Mrs. McNealy and Mr. Riley. Meeting: Fourth Monday, 4:10 p.m., Shepherd College Rumsey Room.

**LIBRARY:** Mr. J. Smith (2), Dr. Backus (2), Mrs. Dean, Mr. Morton (2), Mr. Painter and Mr. Riley (2). Meeting: Announced.

**IMPROVEMENT OF INSTRUCTION:** Mrs. Smith (2), Dr. Backus, Mr. Carper (2), Mr. Rath (2), and Mr. Keebler. Meeting: Second Wednesday, 10:00 a.m. Social Science Building.

## **III. FACULTY COMMITTEES**—Coordinator, Professor Printz

**FACULTY:** Mr. Printz, Dr. Bell, Mr. Perry, Mr. Riley and Dr. Speg. Meeting: Announced.

**FACULTY SALARIES:** Mr. Printz, Mr. Banks, Mr. Carper, Mr. Rath, and Mr. Riley. Meeting: Announced.

**FACULTY WELFARE:** Dr. Bell, Dr. Bushong, Mr. Fieger, Dr. Malton and Mr. Morgan. Meeting: Announced.

---

**IV. STUDENT AFFAIRS**—Coordinator, Dean Bates

**STUDENT AFFAIRS:** Dean Bates, Dean Borwick, Dr. Cree (2), Mrs. Hammond, Mr. Saab and Mr. Vaughn. Meeting: First & Third Wednesdays 2:05 to 3:05 p.m., Shepherd College Center.

**ASSEMBLIES AND SPECIAL EVENTS:** Dr. Frank, Dean Borwick, Mr. Fieger, Dr. Malton and President of Student Senate, Representative of Student Senate to serve as Secretary and Chairman, Shepherd College Center Board. Meeting: Announced.

**HOMECOMING:** Mr. Vaughn, Mr. Eyler, Mr. Agee, Mr. Banks, Mr. Bean, Mr. Baccaris, Mrs. Dean, Miss Elliott, Dr. Grumley, Mr. Lowe, Mr. Moreland, Mr. Perry and Mrs. Goodrich and 10 student members. Meeting: Announced.

**CAREER CONFERENCE:** Mrs. Dean, Dean Borwick, Miss Fuss, Mr. Lowe, Mr. Morgan, Mr. Shaw and 5 student members. Meeting: Announced.

**SCHOLARSHIPS AND FINANCIAL AIDS:** Dean Bates, Dean Borwick, Mr. Agee, Dr. Atherton, Dr. Cree (3), Dr. Klug (2), Dr. Moler and Mr. Rider. Meeting: Announced.

**RESIDENCE HALLS AND FOOD SERVICE:** Dean Borwick, Mr. Bean, Miss Fee, Mr. Saab and student Presidents of Residence Halls. Meeting: Announced.

**SHEPHERD COLLEGE CENTER BOARD:** Mr. Vaughn, Director, Mr. Agee, Mr. Begole, Mr. Gossage, Mr. Moreland, Mr. Rath and 6 students. Meeting: Announced.

**FAMILY LIVING CONFERENCE:** Mr. Eyler, Dean Borwick, Rev. John Grissinger, Mrs. McNealy and 7 students. Meeting: Announced.

**LEADERSHIP CONFERENCE:** Mr. Morgan, Dean Bates, Vice President of Student Body and 2 students. Meeting: Announced.

**PARENT'S DAY:** Dean Slonaker and Dean Bates, Co-Chairmen; Mr. Agee, Dean Borwick, Mrs. Begole, Dr. Bell, Mr. Freeland, Dr. Grumley, Miss Hammer, Mr. Lowe, Mr. Morgan, Mr. Perry, Mr. Vaughn and 6 students. Meeting: Announced.

First Row—Mr. Fieger, Miss Hammer, Miss Holden, Mrs. Hall, Miss Maxwell, Mrs. Hughes, Dean Borwick, Dean Bates, President Ikenberry, Dean Stonaker, Dr. Moler, Mr. Rider, Mr. Agee, Mr. Buterbaugh, Mr. Printz, Mr. Beccaris, Second Row—Mr. Hartman, Dr. Cree, Mr. Miller, Miss Fuss, Miss Elliott, Mrs. Marecek, Dr. Keebler, Mr. Gossage, Third Row—Mr. Spencer, Miss Fee, Mrs. McNealy, Mr. Banks, Mrs. Begole, Mrs. Hendricks, Mrs. Dean, Mrs. Pike, Mrs. Bonnett, Mrs. Smith, Mrs. Byrer, Dr. Malton, Dr. Bushong, Mr. Morgan, Mr. Rath, Mr. Lowe, Fourth Row—Mr. Freeland, Mr. Riley, Dr. Backus, Dr. Speg, Mr. Liu, Mr. Harris, Dr. Diehl, Dr. Atherton, Mr. Perry, Mr. Saab, Dr. Frank, Mr. Carper, Dr. Grumley, Mr. Moreland, Dr. Klug, Mr. Skinner, Mr. Smith, Mr. Morton, Mr. Shaw, Dr. Goulding, Mr. Eyer, Mr. Begole.

## SHEPHERD COLLEGE OFFERS YOU—

- A SHARE IN THE TRADITIONS OF AN ALMOST CENTURY-OLD INSTITUTION.

Since 1871 Shepherd College has been serving the youth of West Virginia and the nation.

- A LARGE CAMPUS IN A SCENIC AND HISTORIC SECTION OF AMERICA.

Shepherd College is located in the scenic Shenandoah Valley in historic Shepherdstown, West Virginia, on the banks of the beautiful Potomac River, 65 miles from Washington, D. C.

- A FRIENDLY STUDENT BODY.

A warm welcome will be extended from a friendly student body.

- ASSOCIATION WITH A SCHOLARLY AND SYMPATHETIC FACULTY.

Shepherd maintains a faculty of more than fifty instructors who are graduates of the leading colleges and universities, and who are interested in each individual student.

- AN ACCREDITED, STATE-SUPPORTED, CO-EDUCATIONAL FOUR-YEAR TEACHER EDUCATION AND LIBERAL ARTS COLLEGE.

Graduates of Shepherd College enter the leading professional schools of the nation with full credit.

- THE ADVANTAGES OF A SMALL COLLEGE.

The opportunity to become a student leader and to know one's fellow students personally is invaluable to the student.

- AN EXTENSIVE PROGRAM OF STUDENT ACTIVITIES.

Student activities include: athletics, broadcasting, drama, fraternities and sororities, college choir, orchestra, college newspaper and annual, student senate, Student Christian Association, and class organizations.

- A COLLEGE EDUCATION AT A PRICE YOU CAN AFFORD.

The cost of a college education at Shepherd is less than at most colleges and universities.

- A BROAD EDUCATIONAL PROGRAM.

**Liberal Arts:** A.B. and B.S. degrees.

Art, biology, business administration, chemistry, economics, English, history, languages, mathematics, music, political science, and speech.

**Teacher Education:** Elementary and secondary school.

**Business Education:** Business administration and secondary school teaching and secretarial courses.

**Pre-Professional:** Dentistry, medical technology, physical therapy, clinical pathology, law, medicine, ministry, nursing, pharmacy, social work and veterinary.

**Music:** Applied music, music theory, music literature, music education, band and choir.

**Vocational Home Economics:** Teaching, homemaking.

## **Section II**

### **GENERAL INFORMATION**

#### **General Statement**

Shepherd College is a recognized, state-supported, four-year, liberal arts and teacher education institution under the supervision of the West Virginia Board of Education. Shepherd College has been serving the youth of West Virginia and the nation since 1871.

#### **An Accredited Institution**

The college is fully accredited by the North Central Association of Colleges and Secondary Schools and the National Council for the Accreditation of Teacher Education. The institution is a member of the American Association of Colleges for Teacher Education, American Council on Education, and the Association of American Colleges. Graduates of Shepherd College enter the leading graduate and professional schools of the nation with full credit.

#### **Liberal Arts Program**

The college offers four academic degrees, Bachelor of Arts, Bachelor of Arts in Elementary Education, Bachelor of Arts in Secondary Education, and Bachelor of Science. Instruction is provided in art, biology, business administration, business education, chemistry, dramatics, economics, education, history, home economics, journalism, library science, mathematics, modern languages, music, philosophy, physics, political science, psychology, radio, sociology, and speech.

#### **Pre-Professional Programs**

Pre-professional training is offered for business education, clinical pathology, dentistry, law, medicine, medical technician, ministry, nursing, physical therapy, pharmacy, social work and veterinary. Basic training is provided in agriculture and engineering.

#### **Teacher Education Programs**

**Professional training** is given for teaching in the elementary and secondary schools. The college recognizes the preparation of teachers as a primary responsibility. Teachers may earn one of the following degrees: Bachelor of Arts in Elementary Education or Bachelor of Arts in Secondary Education.

### **Scenic and Historic Location**

The Shepherd College campus is situated on the banks of the beautiful Potomac River in historic Shepherdstown, West Virginia, a typical college community.

Shepherdstown is located at the intersection of highways 45 and 48, eighteen miles south of Hagerstown, Maryland, nine miles east of Martinsburg, West Virginia, thirteen miles north of Charles Town, West Virginia, and thirty-two miles north of Winchester, Virginia.

Students may travel on the Baltimore and Ohio Railroad to Martinsburg, and then take a bus to Shepherdstown, a ride of nine miles. Buses make several trips daily from Martinsburg, Hagerstown, and other nearby places to Shepherdstown. Lake Central Airlines has daily flights from Charleston, Clarksburg and Parkersburg, W. Va. to the Martinsburg Airport where limousine service is available to Shepherdstown.

West Virginia's historic Shepherdstown is near nationally known Harpers Ferry, the Antietam Battlefield, the colonial homes of the Washington family and many interesting places where the history of this great country was made. Shepherdstown is only a few hours' drive from the Metropolitan cities of Washington, D. C., Baltimore, Philadelphia and New York. Students have numerous opportunities to visit the metropolitan areas and places of historical significance.

### **History of the College**

The history of Shepherd College began when the county seat of Jefferson County was moved from Shepherdstown to Charles Town in July, 1871. The people of Shepherdstown and vicinity decided to use the vacated courthouse for educational purposes. An article of incorporation for a school to be known as Shepherd College, designed to instruct students "in languages, arts and sciences," was drawn up and signed by C. W. Andrews, A. R. Boteler, C. T. Butler, G. M. Beltzhoover, David Billmyer, Samuel Knott, and Henry Shepherd. This body of incorporators gave themselves power to elect instructors, pay salaries, and prescribe courses of study. They appointed Professor Joseph McMurren first principal of the institution, which was opened on September 2, 1871, under the authority of the Board of Trustees, with forty-two students.

On February 27, 1872, the Legislature of West Virginia passed the following act: "That a branch of the State Normal School be and the same is hereby established at the building known as Shepherd College, in Shepherdstown, in the county of Jefferson."

Shepherd College became a four-year college for the training of teachers on July 1, 1930, and was granted the authority by the West Virginia Board of Education to grant the Bachelor of Arts degree to graduates of the institution. In 1943 the State Legislature enacted legislation providing for a liberal arts college program at Shepherd College. In September, 1950, Shepherd College was authorized to confer the Bachelor of Science degree. In March, 1950, the College was fully accredited by the North Central Association of Colleges and Secondary Schools, in January, 1951, became a member of the Association of American Colleges, and in 1954 was accredited by the National Council for the Accreditation of Teacher Education.

## **STATEMENT OF PHILOSOPHY AND GENERAL OBJECTIVES**

Shepherd College is a multiple-purpose state college whose function is to provide educational programs in teacher education, pre-professional training, and liberal arts education.

### **Statement of Philosophy:**

The faculty of Shepherd College believes:

1. In the dignity and value of human personality.
2. In encouraging and aiding students to understand and seek their highest development.
3. In the cooperative and democratic processes.
4. In complete freedom to search for and to teach the truth, without restraint from political creeds, religious doctrines, economic pressures, or personal biases.

### **General Objectives of the College:**

1. To introduce all college students to those common areas of knowledge which individuals and society require.
2. To orient the student to yesterday's and today's culture.
3. To enable the student to communicate.
4. To reveal higher and better things to the student.
5. To enable the student to synthesize areas of learning.
6. To provide a broad foundation for specialization.
7. To enable the student to make intelligent choices from the areas of knowledge which will help answer his needs.
8. To develop in the student a code of ethics and a philosophy of life.
9. To cultivate a desire to search for truth with an understanding of the scientific method.

### **Dedicated to Good Citizenship**

Shepherd College is dedicated to the building of good citizens. When a student enrolls at the college, he has entered into an agreement to abide by all college regulations. Students who enter are expected to conduct themselves as ladies and gentlemen at all times. The college encourages all students to develop and maintain high standards of character and citizenship in their daily living. Any student whose behavior, either on or off the campus, is considered by the college administration to be detrimental to the college or to the student, will be required to withdraw from the college.

### **Educational Services to the Area**

Shepherd College and the West Virginia Department of Education are engaged in a cooperative educational field service program in eight Eastern West Virginia counties as follows: Berkeley, Grant, Hampshire, Hardy, Jefferson, Mineral, Morgan and Pendleton. A Coordinator of Educational Field Services provides leadership by assisting the various county school systems to improve their educational programs.

### **Summer Session**

The summer session at Shepherd College is an integral part of the college year. All general college requirements relating to high academic standards, sound scholarship and good citizenship are maintained by the faculty. The summer session is organized into two terms. The first summer term opens in June and extends for five weeks for five days each week. The second summer term opens in July and extends for five weeks for five days each week.

The summer session has the following purposes:

1. To provide college courses for regular college students who desire to accelerate their college education and graduate in three years.
2. To feature special courses, workshops and clinics for public school teachers.
3. To offer regular freshman college courses for high school graduates.

### **College Extension**

Extension classes may be organized where fifteen or more students desire a class to be taught by a regular college instructor. Classes meet for a minimum of sixteen clock hours for each semester hour of college extension credit.

Public school teachers are limited to six (6) credit hours per semester and nine (9) credit hours per year. Graduation and certification requirements place a limit of twenty-eight (28) credit hours of extension credit. The tuition rate is \$11.50 per semester hour.

A limited graduate extension program in cooperation with West Virginia University is now in effect.

Knutti Hall

## SHEPHERD COLLEGE CAMPUS

The campus of Shepherd College comprises an area of approximately one hundred fifty-six acres of rolling limestone land extending from Main Street in Shepherdstown to the banks of the Potmac River. The campus provides sites for thirteen major academic buildings and residence halls.

**McMurrin Hall** is the original Shepherd College building erected by Rezin D. Shepherd in 1860 for community use. This building was transferred by perpetual lease to the Board of Trustees of Shepherd College by Shepherd Brooks, of Boston, on April 21, 1891. The building is named in honor of the "Father of Shepherd College," Joseph McMurrin. Music classes meet in this building.

**Reynolds Hall** was erected in 1889 by the citizens of Shepherdstown for use by the college and the community. It has been redesigned and remodeled for forums, motion pictures, plays, musicals and assembly programs. A Baldwin Organ has been installed in the auditorium to be used for organ concerts and instruction.

**Knutti Hall** is the college administration building, erected in 1904 and named in honor of the former President John G. Knutti. The general floor contains a newly equipped remote-control radio studio for college broadcasts which are carried over radio stations in Virginia, Maryland, and West Virginia, and a drama-workshop. The first floor contains the offices of the President, the Registrar, Academic Dean, Dean of Men, Dean of Women, and Business Manager. On the second floor are classroom, offices, and the education laboratory and reading clinic.

**Miller Residence Hall**, erected in 1915, is a three-story colonial residence hall for women, named in honor of former President Thomas C. Miller.

**President's Home**, secured by the college in 1964, provides a spacious residence for the President of the College.

**Rumsey Hall** is the former men's residence hall, and is now serving as a faculty apartment house.

**White Hall** was erected in 1925 and named in honor of former President W. H. S. White. This building has been renovated to provide facilities for the Business Administration Division.

**Snyder Science Hall** is a three-story building erected in 1942 and named in honor of the late H. L. Snyder. The first floor is devoted to mathematics and physical science. The second floor has laboratories and classrooms for elementary and advanced biology, a bacteria culture room, museum, a plant room and an animal room. The third floor has a classroom and laboratories for elementary and advanced chemistry, a weighing room, a classroom, and a laboratory for physics and mathematics.

**The Home Economics Building**, to the east of the Science Hall, was opened in 1948 as the college cafeteria. On the completion of the new College Dining Hall in 1961, the old cafeteria was renovated to house classes and laboratory activities of the Division of Home Economics.

**Social Science Hall** was acquired in 1957 to serve as a classroom building and provides facilities for history, political science, geography, sociology and English classes.

**The Library** collection is composed of approximately 44,000 books and bound periodicals. The current periodicals number 275 with 21 newspapers. The three-story, air conditioned structure which the Library occupied in October, 1965, is designed as a place of study, particularly adapted for independent study and research. The accommodations for study include reading rooms, classrooms, group study rooms, and individual study carrels and cubicles. Listening rooms, an Audio-visual viewing room and a Microfilm Reading Room have been incorporated. The West Virginia Room on the third floor houses a special collection of printed materials relating to our state. The Library hours are listed in the Student Handbook.

**Health and Physical Education Building.** The modern Health and Physical Education Building contains two basketball courts, a swimming pool, two classrooms, health center, offices, and athletic facilities. A new **Athletic Stadium** located near the Health and Physical Education Building provides an athletic field for football and track.

**Fairfax Field** lies in the rear of Miller Hall and is used for baseball.

**Alexander Robinson Boteler Hall.** This men's residence, erected in 1952, is a modern three-story fireproof structure and provides housing facilities for 150 Shepherd College students. The building is located on a commanding site overlooking the Potomac River.

**Kenamond Residence Hall.** A Men's Residence Hall named in honor of Dr. Alva D. Kenamond, was dedicated in November 1966. It provides many facilities for the comfort and the welfare of 160 students, housed in double rooms. It has good natural lighting, carpet for muffling sounds, and spacious lounges. The kitchenette unit, study, recreation, television, and laundry rooms are well equipped to meet the needs of students and staff.

**Gardiner Residence Hall.** A Women's Residence Hall dedicated in November 1966 and named in honor of Miss Mabel Henshaw Gardiner provides facilities for 150 women in double rooms. It houses a well equipped Infirmary to handle emergency and minor illnesses. Acoustical tile ceilings and carpeting of floors, in addition to the decor for residence halls, are special features it provides for comfortable living and a good study climate for students.

**Home Management Residence.** A nine-room brick residence has been furnished and equipped to provide home economics students an opportunity to live in the residence to get experiences in home management. A new addition provides a modern clothing laboratory and nursing school.

**Ella May Turner Residence Hall.** A women's residence hall, named in honor of Miss Ella May Turner, Professor of English, 1912-1945, was dedicated in October 1961. It is a modern three-story brick structure, housing 154 women.

**College Dining Hall.** A new modern College Dining Hall was opened in September 1961.

**Shepherd College Center Building.** This new \$300,000 college community center provides modern facilities for the college bookstore, student center and snack bar, colonial lounge and ballroom, and conference and club rooms for the various campus organizations and activities.

**The Queens Ball at Shepherd is one of the years highlights**

### **Section III**

## **POLICIES ON ADMISSIONS AND CREDITS**

### **WEST VIRGINIA STATE COLLEGE ADMISSIONS AND HIGH SCHOOL GRADUATION REGULATIONS**

#### **IN-STATE SCHOLASTIC REQUIREMENTS (for high school graduates):**

1. All applicants must rank in the upper three-fourths of their class. Applicants ranking in the lower fourth of their class must achieve a standard composite score of 14 on the American College Test (ACT) prior to their admission. Applicants who rank in the upper half of their class and score at least 17 on the ACT test are allowed to be deficient in two of the 17 required units. These two units **MUST BE** in **DIFFERENT** fields but must total 17.
2. **17 HIGH SCHOOL UNITS ARE REQUIRED:** 4 English, 2 science (1 Biology), 2 mathematics (1 algebra), 3 social studies (1 American History), 1 physical education, 2 foreign languages (recommended), 3 electives. It is requested that subjects being taken in the senior year of high school be listed on transcripts in order to check unit requirements. Also a personality evaluation is required.
3. **THE AMERICAN COLLEGE TEST (ACT) IS REQUIRED.** The ACT test can be taken at Shepherd College on the following dates: February 18, May 13, and August 5, **1967**. Students may take this test at a college in their area. Additional information should be obtained from your guidance counselor who should also have test applications, the cost, and address of the ACT headquarters. The ACT is required before final admission is granted; and if failed, it can be taken over by those students who rank in the bottom fourth of their class and need an ACT score of 14 for admission. The Dean of Students at Shepherd College administers this test and all inquiries should be directed to his office. If an applicant has taken the College Boards, he should also take the ACT as it is required before final admission can be granted. It is the applicant's responsibility to have his ACT profile card sent to Shepherd College.
4. Citizenship, character, and personality rating must be acceptable as well as the recommendation by the high school official.
5. A **HEALTH REPORT** signed by a physician is required for all full-time students before final admission is granted. These forms may be obtained from the Admissions or Dean of Students Office. Also, all students will be required to have illness and accident insurance.

#### **OUT-OF-STATE SCHOLASTIC REQUIREMENTS**

(for high school graduates):

The same rules as listed for in-state students also apply to out-of-state applicants except:

1. Applicants must rank in the **TOP THIRD** of their class and make a standard composite score of at least 17 on the **ACT** test or a total

of 800 on the College Boards which can be used for admission, but all applicants must take the ACT and have their profile card on file. This is the student's responsibility.

2. The college preparatory course is recommended.
3. Have recommendation without qualification of high school official.
4. The college requires an application and transcript to be on file before issuing a catalog as the demand for catalogs is so great.  
We will be glad to mail a mimeographed digest regarding the college as a preliminary step in processing an application.

The Revised Secondary School Record and Personality Record (NASP-AACRAO) will be used. (It has been revised to make possible extra weight for honor classes.) Principals and guidance counselors are requested to complete both pages as it is necessary in evaluating for admission. Please include twelfth grade subjects which are in progress.

Candidates who are nineteen years of age and not high school graduates may be admitted on the basis of successful completion of the General Educational Development Test. An approved testing center is located at Berkeley County Board of Education Offices, Martinsburg, West Virginia.

### **Advanced Admissions**

High School Students may be given advanced admission upon completion of six semesters and 12 units including 3 years of the college preparation curriculum and 3.0 honor points or better.

### **Admission Procedures for High School Graduates**

The following procedure for applying for admission to Shepherd College should be followed. Students should secure an application form for admission from their principal, Guidance Counselor, or the Admissions Office at Shepherd College. Fill out the application and hand it to your school official and request that it be attached to the transcript which he will send to us. If the units, rank, ACT score, and, recommendations are satisfactory, we will reply immediately giving the student temporary admission. This is equivalent to permanent admission providing all requirements continue to be met. Upon high school graduation final grades must be sent to the college immediately.

In our reply to an applicant who has been granted temporary admission, a health report form which must be signed by a physician will be enclosed. Also if requested, scholarship, loan, campus employment, and/or residence applications will be forwarded. The student should then complete all of these forms and preferably return them to us at one time. This procedure saves multiple handling. An applicant must have been accepted before his applications for financial aids are presented to the Scholarship Committee. All credentials must be on file two weeks prior to the opening of the term or semester to be considered for that term or semester.

If your academic records do not meet the state's college entrance requirements as to the units, class rank, or ACT score, it is best not to submit your application until they do meet the necessary requirements since applications cannot be processed until then. The upper three-quarters of the graduates as ranked by in-state high schools who have the 17 required units may be admitted without question unless there is convincing evidence of serious health or character defects.

### **Admission Requirements for College Transfer Students**

**IN-STATE COLLEGE TRANSFERS** must (1) have a 2.00 overall average with not less than C grades in each of the three basic English courses (2) be eligible to return to the college previously attended, (3) have an acceptable personality rating, (4) file a health record (5) have transcripts sent directly to us of **all** courses taken from **all** colleges previously attended (applicant's responsibility).

**OUT-OF-STATE TRANSFERS** must (1) have a 2.5 overall average with not less than C grades in each of the three basic English courses (2) be eligible to return to the college previously attended, (3) have an acceptable personality rating, (4) file a health record, and (5) have transcripts sent directly to us of **all** courses taken from **all** colleges previously attended (applicant's responsibility).

Application for admission must be made to the Director of Admissions on the application form provided by the Admissions Office or on the form provided in the current catalog, and must be filed at least two weeks prior to the opening of the term.

The applicant for admission will be notified in writing when all credentials and forms have been received and admission has been granted.

Upon a transfer student's final acceptance and the receipt of all grades, an evaluation will be made to ascertain courses and hours required for graduation. An evaluation request form obtained from the Assistant Registrar's Office must be completed and submitted.

Graduates of regionally accredited junior colleges are assigned a maximum of seventy-two (72) semester hours of credit, and regionally unaccredited colleges are limited to sixty-four (64) hours.

A Room Application and Lease will be sent to the applicant when the applicant indicates the desire for campus housing on the Application for Admission. A twenty-five dollar (\$25.00) room deposit must accompany the completed Room Application and Lease when returned to the college by the applicant, if not previously deposited.

There will be no refunds after July 1. If a student decides not to enter after that date, he forfeits his \$25.00 room deposit.

### **Enrollment Procedures**

Students who have been officially admitted should report on the opening day of a term or semester to the registration hall to receive detailed written instructions as to registration procedure. If any work has been done elsewhere,

credits from all colleges attended should be presented to the Registrar, who will indicate the classification of any student. All students should write out and carry a complete list of their college credits with them when consulting about class assignments. Class Record Books are available at the College Bookstore for a nominal fee.

Every student should familiarize himself with the college catalog and all requirements for certificates and degrees, and is held primarily responsible for meeting these requirements.

### **Late Enrollment**

All students are urged to enroll on the official college registration day for the semester or term. Students will not be permitted to enroll after the fifth day of college classes, and a ten-dollar (\$10.00) fee will be charged for the first day of late registration (See page 34).

### **College Credit for Military Service**

Institutions of higher learning in West Virginia will grant credit of four semester hours to an individual who presents a copy of his DD-214 Form after completing a minimum of one year of active military service. This credit shall be assigned to physical education, hygiene, military training or appropriate electives. The four semester hours allowed for basic or recruit training may be counted as lower division physical education unassigned, or may be counted toward the following requirements: two hours Health Education; two hours First Aid; four hour Recreational Activities; four hours Team Sports.

Correspondence work done with duly accredited institutions of higher learning cooperating with the Armed Forces Institute will be accepted by institutions of higher learning in West Virginia for the amount of credit allowed by the institution with which the credit was earned, but not to exceed 28 semester hours.

## **WEST VIRGINIA BOARD OF EDUCATION REGULATIONS GOVERNING CLASSIFICATION OF STUDENTS FOR PURPOSES OF ASSESSING TUITION FEES**

Upon the recommendation of the West Virginia Council of State College and University Presidents and the West Virginia Association of Registrars and Admission Officers, the Board upon motion duly made, seconded and carried, approved the following clarification and revision of its action of February 1-2, 1960, setting forth Regulations Governing Classification of Students for the Purpose of Assessing Tuition Fees, effective June 1, 1964.

The following definitions, general policies, and regulations will apply to non-resident students:

The term **resident** as used herein means **domicile, legal abode, or permanent residence**, and the term **resided in** means **domiciled in**.

1. It is recommended that the "Regulations Governing Classification of Students for the Purpose of Assessing Tuition Fees" as passed by The West Virginia Board of Education, effective September 1, 1959, remain as written, except for the following definition of the term "residence."

The term "residence" as used in these regulations refers to the actual physical location of a person and is to be used solely for the purpose of assessing tuition fees.

The residence status of a student is determined at the time of his first registration at a state college or university, and his residence is not changed by his attendance as a student at such college or university. This policy shall apply to both graduate and undergraduate students regardless of any scholarships, student assistantships, loans or graduate assistantships that may be granted to any student.

A non-resident student is hereby defined to be a student of less than twenty-one years of age, living away from his family and whose family resides in another state, or whose family has not resided in West Virginia for the twelve consecutive months immediately preceding the date of first registration; or a student of twenty-one years of age or over, who resides out of the state or who has not been a resident of the state twelve months subsequent to his twenty-first birthday or for the twelve months immediately preceding the date of first registration.

The residence of one who is under twenty-one years of age is that of the father. Upon death of the father, the residence of the minor is that of the mother. Upon divorce of the parents, the residence of the minor is determined by the residence of the person to whom custody is granted by the court. In the absence of any grant of custody, the residence of the father continues to control. Upon death of both parents, the residence of the minor continues to be that of the last surviving parent until he becomes twenty-one.

Individuals who have come from without the State of West Virginia and who register in a state college prior to having resided in the state for a period of twelve months shall be classified as non-resident students; and such non-resident student classification shall be presumed to be correct as long as the residence of such individuals in the state is during their attendance at educational institutions, regardless of whether such individuals have become qualified voters, have registered motor vehicles and paid personal property taxes thereon, have obtained West Virginia drivers' licenses, or have otherwise attempted to establish residence within the state.

A student under twenty-one years of age shall not be classified as a resident student until his parents have resided in this state for at least twelve consecutive months immediately preceding the date of current registration. A West Virginia student whose parents or guardian move out of the state of West Virginia after his original enrollment, will automatically become liable for the non-resident fee at the next registration period after twelve months following removal of parents or guardian.

Individuals of twenty-one years of age or less whose families have not resided in West Virginia for the twelve months immediately preceding the

date of first registration shall be classified as non-resident students regardless of whether such individuals have become the legal wards of residents of West Virginia or have been adopted by residents of West Virginia while such individuals are attending educational institutions in West Virginia or within a year prior to such an attendance or under circumstances indicating that such guardianship or adoption was for the purpose of obtaining status as a resident student.

The residence of a minor student assigned to a guardian shall be considered affected by such assignment, beginning twelve months after the appointment of the guardian; the provisions stated above with respect to parents' residence shall then apply to the guardian's residence.

An alien who has taken out his citizenship papers and has resided in West Virginia for twelve months immediately preceding the date of his enrollment in a state college shall be regarded as eligible for registration as a West Virginia student.

Persons who are moved into the state as the result of military orders from the government, or the minor children of such persons, are entitled to admission as in-state students beginning twelve months after establishing residence in the state.

Marriage, alone, to a West Virginia resident will not change the status of a non-resident student in a West Virginia state college. Employment of his spouse does not change his status.

An individual on active Federal military service may be classified as a resident for the purpose of payment of fees providing that he resided in West Virginia for a period of twelve months continuously prior to entrance into military service, that he entered the military service from West Virginia, and that he has at no time while in military service claimed, or established residence in any other State of the United States or its possession. Sworn statements attesting to these conditions may be required. The wife of such individual as described above, and children under the age of twenty-one, shall also be classified as residents of the State of West Virginia for fee purposes.

The student must have the question of his residence passed upon prior to registration and payment of fees. The responsibility of registration under proper residence is placed upon the student. If there is a possible question as to residence, the matter should be brought to the attention of the Admissions Officer and passed upon at least two weeks prior to registration and payment of fees. Any student found to have made a false or misleading statement concerning his residence shall be subject to dismissal from the college.

2. The Registrars and Admissions Officers in the collegiate institutions functioning under the supervision of the West Virginia Board of Education recognize inherent problems in the determination of a student's "place of residence." Since, by legal definition, the responsibility for the determination of "residency" is vested solely in the Registrar and/or the Admissions Officer of said college, and such determination must be made within the framework of regulations set forth by the West Virginia Board of Education.

### **Auditing College Classes**

A student may audit a college class by registering in the Registrar's Office as an auditor and paying the regular college fees in the Business Office. An auditor is expected to attend class regularly, but he is not permitted to take examination for credit at the conclusion of the course or at a later date.

### **Independent Study Program**

To encourage independent reading and a spirit of research, the faculty will admit, upon recommendation of the academic advisors, properly qualified students as candidates for Independent Study.

College credit (determined at registration for course) of one to three semester hours will be allowed for independent programs on the recommendation of the study director with the approval of the division chairman.

To receive credit for Independent Study, the student must fulfill the following requirements:

1. Engage in reading and research as directed by his study director to supplement his knowledge from sources not supplied by the courses taken in his major field.
2. Submit to the division chairman with the approval of his study director not later than one week before the end of the semester the original and two carbon copies of an acceptable research paper embodying the findings of his study.
3. At the discretion of the Department or Division, pass an oral examination on the subject of the research paper before an examining committee consisting of a minimum of the study director, the division chairman, the academic dean, and another faculty member selected by the student, with the study director acting as chairman. (When the division chairman and the study director are the same person, another representative from the division will be named by the division chairman.)

To be admitted to candidacy, a student must satisfy the following conditions:

1. Have an overall average of 3.30 in not less than 80 semester hours attempted.
2. Have an average of 3.50 in his major field or teaching field.
3. Submit, through his advisor and study director to the chairman of the division concerned, a research proposal together with an abstract of that proposal.
4. Have application approved by the chairman of the division.

Board in Dining Hall .....	\$234.00
Sales Tax (3 percent) .....	\$ 10.80
<hr/>	
Total .....	\$370.80
Residence Hall Room Deposit* .....	\$ 25.00

\*This deposit is required of all Residence Hall students and will be returned upon authorization of the Dean of Students or upon graduation.

Residence Hall and Dining Hall rates are the rates per semester and exclude room and board charges during college recesses.

A three percent Consumers Sales Tax is payable on all room and board charges.

The college reserves the right to increase board rates to meet rising food costs.

## Payments

“Board and room charges may be divided into not over two equal installments per semester.”

The regulations of the West Virginia Board of Education provide that no financial credit of any type shall be extended to any individual either student or other, at any state college or institution. All colleges and institutions shall operate on a strictly cash basis with all payments and obligations being collected in advance.

Student charges are payable at the time of enrollment for each semester. The college will withhold the student's grades, transcripts of credit, diplomas, and official reports about the student's record as long as the student has a financial or any other type of obligation due the college.

All board and room charges must be paid in advance by the first day of the nine-week period before a new cafeteria ticket will be issued.

Students absent from the campus seven or more days in succession because of illness or other excusable reason will not be charged for meals, but no deduction will be made for room rental during the absence.

Student employees of the college will also be required to make payments according to the schedule set up for the other students. Each student employee will receive monthly payments by State of West Virginia for work performed during the previous month.

Students in debt to the college for a previous semester or term will not be permitted to enroll until all obligations have been paid.

### Refunds

Refund Policy for Tuition, Laboratory and Student Activity Fees:

18—Weeks semester:

During 1st and 2nd weeks .....	90%
During 3rd and 4th weeks .....	70%
During 5th and 6th weeks .....	50%
Beginning with 7th week .....	No refund

5—weeks summer term:

During 1st week .....	90%
During 2nd week .....	70%
During 3rd week .....	50%
Beginning with 4th week .....	No refund

Board payments will be refunded beginning the next full week following the date of withdrawal from the college.

All refunds must be approved by Dean of Students.

### College Bookstore

New and used textbooks are available in the College Bookstore. Students should not purchase new books until they have enrolled and been assigned to their courses. Students of the more advanced classes frequently have second-hand books for sale at a reduced price.

A Used Book Exchange is operated for the sale and purchase of used books for the convenience of the student body.

### Shepherd College Foundation, Incorporated

The Shepherd College Foundation is incorporated under the laws of the State of West Virginia and has been approved by the West Virginia Board of Education to provide an opportunity for alumni, former students, and friends of education to make tax-exempt contributions to Shepherd College.

The Foundation enables the college to receive gifts, donations, and bequests from wills and endowments. Funds will be provided for scholarships, loan funds, buildings and equipment, establishment of memorials, scientific research, library books, and general educational purposes.

The Foundation is administered by a Board of Directors. Records are kept in the College Business Office and subject to an annual audit by the Office of Legislative Auditor.

All contributions are deductible for Federal Income Tax and should be made payable to the Shepherd College Foundation, Inc., and sent to the President of Shepherd College. For persons desiring to make bequests in their wills the following legal forms may be adapted for this purpose:

"I hereby, give, devise and bequeath to the Shepherd College Foundation, Inc., located at Shepherdstown, West Virginia, the sum of ..... dollars to be applied to the general uses and purposes of the college (or other designation).

Donors may also make the Shepherd College Foundation, Inc., the residuary legatee of their estates as follows:

"All the rest, residue and remainder of my estate, real and personal, I hereby give devise and bequeath to the Shepherd College Foundation, Inc.

All gifts and bequests will be used as the donor directs. Communications concerning gifts and bequests should be addressed to the President of Shepherd College.

## **SHEPHERD COLLEGE FOUNDATION, INC.**

### **Officers**

President .....	W. R. Thacher
Exec. Vice President .....	Dr. James Moler
Secretary-Treasurer .....	William Agee
Attorney .....	Earl Weller

## Section V

### STUDENT PERSONNEL SERVICES

---

The Dean of Students is charged with the responsibility for coordination and general guidance of student life outside the classroom.

Student Personnel Services are concerned with all phases of the lives of all students, and should not be associated only with "those who have problems." Where special difficulties exist, the Dean enlists all of the resources of the college to assist individuals or groups to identify and solve their problems.

Those in personnel services are professionally committed to a point of view which respects the dignity, intelligence, and confidence of individuals. It is their aim to encourage students to initiate contacts with the Deans whenever such association would be helpful. They serve as liaison officials between students and faculty by interpreting student needs to the faculty and assisting students to make the best use of faculty resources.

### SOCIAL POLICY

All students are expected to observe standards of good taste, appropriate dress, personal appearance, manners and good citizenship at all times. On the subject of conduct the State Board of Education has ruled as follows: "The regulations of the college shall require from every student decorous, sober, and upright conduct so long as he remains a member of the college student body, whether within the college precincts or anywhere else. The president and faculty shall have authority to formulate specific regulations for the administration of this provision." All students are expected to be familiar with and be governed by the regulations found in the **Student Handbook** which has the inherent authority of the Catalog and the College.

The college assumes that students are capable of mature judgment and that they come earnestly desirous to prepare themselves for useful and honorable careers in life. The aim of the college is to lead students to cultivate habits of study, application, self-control, a high sense of honor, truthfulness, and an interest in maintaining moral atmosphere. Those who are not disposed to support heartily a sentiment of this kind should not apply for admission. The college reserves the right to take appropriate action, including separation from the college, for violations of accepted standards.

### FINANCIAL AIDS

Shepherd College has established various types of financial aid to assist the student in obtaining a higher education. These include scholarships, loans, grants-in-aid, and part-time employment. Selection for financial aid will be made on the following basis: (1) Scholarship, (2) Character, (3) Need and (4) Qualities of leadership, personality, and service. Students on academic or social probation forfeit their awards during their probationary periods.

For further information and application blanks write: Dean of Students, Shepherd College, Shepherdstown, W. Va. 25443.

## **Scholarships**

### **C. H. Musselman Foundation Scholarships**

Through the generosity of the C. H. Musselman Foundation four (4) scholarships have been established covering tuition fees, board and room for a period of four (4) years at Shepherd College. Candidates for these scholarships should be high school seniors outstanding in scholarship, character, leadership and service at the C. H. Musselman High School, Inwood, West Virginia, and be a member of a family engaged in the apple-producing or processing industry.

### **Ella May Turner Memorial Scholarships**

The late Miss Ella May Turner, Professor of English at Shepherd College, provided for the establishment of a trust fund to be administered by the Old National Bank, Martinsburg, West Virginia. The income from this fund is used annually to provide scholarships for outstanding young men and women to attend Shepherd College.

### **Shirley Cooper Memorial Scholarships**

Established in memory of Dr. Shirley A. Cooper, an alumnus of the Class of 1927 by the members of the American Association of School Administrators in appreciation of the outstanding contributions of their Associate Executive Secretary to public education so that deserving students may secure the benefits of a college education.

### **Dr. Ruth Scarborough Foreign Student Scholarships**

Established in honor of Dr. Ruth Scarborough, Professor Emeritus of History who advised many foreign students and conducted seven successful study tours abroad. This scholarship fund has been provided to assist deserving foreign students to attend Shepherd College.

### **Claude Worthington Benedum Foundation Scholarship and Loan Fund**

The Claude W. Benedum Foundation of Pittsburgh, Pennsylvania, has established a scholarship and loan fund at Shepherd College to aid worthy West Virginia high school graduates to attend college.

### **West Virginia Board of Education Teachers Scholarships**

The West Virginia Board of Education has authorized Shepherd College to grant ten (10) teacher scholarships each academic year, covering tuition and fees for four years, to be based upon scholarship, personality, teaching aptitude and economic status. Each recipient pledges to teach four years in the public schools of West Virginia.

### **West Virginia Board of Education Speech and Essay Scholarships**

The West Virginia Board of Education awards a four-year scholarship to state colleges to the winners of the various district speech contests sponsored by the American Legion, and the district winners of the Veterans of Foreign Wars' Essay Contest each year.

### **Organization and Alumni Scholarships**

Dr. J. O. Knott Scholarships, P. S. Scholarship, Raymond Baby Freshmen Scholarship, Storer College Alumni Memorial Scholarships, Shepherd College Alumni Scholarships, Ralph and Margaret Burkhart Scholarships and others.

**Additional Scholarships and Assistance**

Sons and Daughters of Deceased War Veterans. For information write to the Department of Veterans Affairs, Charleston, West Virginia.

Physically Handicapped Students. For information write to the Division of Vocational Rehabilitation, State Board of Education, Charleston, West Virginia.

**Student Loan Funds****Shepherd College Student Loan Fund**

The purpose of the Student Loan Fund is to provide small short-term loans to assist students in meeting their financial obligations. Students interested in securing loans should contact the Dean of Student's Office.

**National Defense Student Loans**

This fund was established by the Federal Government in an agreement with Shepherd College. In the selection of students for loans, special consideration shall be given to academic superiority and need.

1. The amount of the loan will be based on the actual need for basic expenses—tuition, room and board, fees, books, etc.—up to a maximum of \$750 per year.

2. A National Defense Student Loan bears simple interest upon the unpaid balance at the rate of 3 percent per year. Interest does not commence until nine months from the date when the borrower ceases to be a full-time student at an institution of higher education.

3. The loan of any borrower who serves as a full-time teacher in a public elementary or secondary school or college shall be cancelled up to a maximum of 50 percent, at the rate of 10 percent of the amount of the loan for each academic year of service. The rate of cancellation may be fifteen percent per year if employed in depressed areas.

4. Promissory notes for minors will be co-signed by parents or guardians.

5. Applications for prospective students should be made well in advance of registration.

**Education Loan Funds for College Students**

The following organizations have established educational loan funds that are available at reasonable terms for worthy students interested in attending college: Knights Templars, West Virginia Federation of Women's Clubs, Martinsburg Rotary Club, Shenandoah Valley Chapter, National Society, Daughters of American Revolution.

**Shepherd College Foundation Memorial Funds**

Hazel Barnes, Ira Combs, Anna Hill Egle, John Headlee, Elise Hoch Concert Fund, Warren B. Horner, U.H. and H.D. Lowery, Paxton Marshall, Dr. Edward Thomas and W. H. S. White.

**United Student Aid Fund**—Apply to your local bank.

**Part-time Employment**

Students may earn all or part of their expenses. The Office of the Dean of Students administers the student assistantship program and serves as clearing house for students seeking employment and those seeking the services of students. Any student on academic or social probation will not be granted student employment by the college during the probationary period.

## LIVING ACCOMMODATIONS

At Shepherd College the student housing units are thought of as an integral part of the educational program. Here, housing units are thought of as more than merely places in which students eat and sleep; they are considered to be living units in the true sense of the term. With this philosophy, life in the residence halls is carefully supervised, not for the sake of imposing discipline, but for the sake of teaching self-discipline on the part of the residents. In these residence halls, the surroundings are such as to cultivate good taste and good social manners. Activities, programs and counseling services are planned and carried out for the purpose of teaching individuals how to live happily and comfortably within groups.

All students, except those who live at home, are required to live in a college residence hall and to board in the College Dining Hall. Organizations or groups may be granted permission to operate housing facilities. If accommodations are not available in college residence halls, students will be referred to private homes which have been approved by the college. Priority will be given first to seniors, then to juniors followed by sophomores for referral to community housing.

Room deposits are forfeited if the student fails to arrive or notify the College of a change of intention prior to July 1. It is considered as a deposit for ensuing semesters unless the College is notified otherwise eight weeks prior to registration for the next semester. Room deposits will be refunded upon graduation or transfer. Normally, room deposits will be held until one of these occurs. All exceptions must be approved by the Dean of Students. Students who change to commuting status may be refunded room deposits after they have commuted for one semester.

Room assignments will be made by the College in order of application. Contracts are for one year. No paid rent will be refunded. Students withdrawing will be held liable for rent for the entire semester in which they are enrolled. Any unused room deposit will be applied to any unpaid rent.

The residence halls have specific standards designed to assist their residents in group living and citizenship education. By accepting a room reservation in the residence hall, students consent to an agreement with Shepherd College that they will obey the rules and regulations found in the Residence Hall Manuals and the **Student Handbook** and will not conduct themselves in any way that will infringe upon the rights and privileges of the group.

The rooms are furnished with single beds, dressers, chests, desks, and chairs. Students supply linens (a rental plan is available), pillows, blankets, spreads, curtains, rugs and accessories to suit their tastes.

### Off-Campus Housing

No single students are permitted to live in other quarters until after the college residence halls are fully occupied. Students unable to secure a room in

a college residence hall are referred to private homes inspected and approved by the college. College authorities cooperate with home owners in the enforcement of regulations in the Off-Campus Housing Handbook.

### **Orientation to College**

All new students accepted for admission for the fall semester are required to be present on the campus for Orientation Week. This week is designed to help the student make a satisfactory adjustment to college work and campus life. Included in the week's activities are guidance examinations, consultations with departmental advisers and faculty members, discussions, and conferences covering various phases of academic and extracurricular activities.

### **Student Counseling Services**

The counseling program of the Office of the Dean of Students is available to help students in meeting the problems faced in adjustments to college life.

The program provides each student with a faculty adviser with whom he or she may feel free to discuss academic, educational, vocational, and personal problems. These advisers are available for arranging courses of study. Their approval of the student's class schedule is necessary before registration can be completed. Advisers are usually members of the department in which the student is majoring and may be of special service in aiding the student in his academic program.

### **Student Marriages**

All students under twenty-one years of age who plan to be married during the college year must obtain the consent of parents or guardian in accordance with the provisions of the West Virginia law. The College requires that the student submit to the Dean of Students or the Dean of Women evidence of parental permission two weeks prior to the marriage. Those who do not comply will be subject to suspension.

## **STUDENT ACTIVITIES**

Student activities and conditions of eligibility to participate in them are found in the **Student Handbook**.

All students are urged to be active participants in student organizations and student government.

All organizations are under the supervision of the College and are subject to College regulations and must register with the Office of the Dean of Students.

### **Religious Life**

Shepherd College is committed to an ethical approach to living and the values implicit in religion. Students and faculty are encouraged to be active in the work of the church of their choice. Shepherdstown has seven churches: Baptist, Episcopal, Lutheran, Methodist, Presbyterian, Reformed, and Roman Catholic.

Various religious groups provide campus organizations which offer many services and opportunities for students. These denominational student religious groups are jointly involved in an Interfaith Council which is active throughout the campus life and activities. Opportunities for religious counseling are provided by the members of the Campus Ministers Association. Outstanding leaders in the field of religion speak at student convocations.

### **College Cultural Activities**

From the opening of the college year to the impressive Commencement exercises, Shepherd College students are provided with a full calendar of cultural opportunities.

The Shepherd College Music Department is continually active in presenting a variety of band concerts, choir concerts, recitals, large musical productions, and informal musicales throughout the year. The Shepherd College Drama Department is noted for its presentation of outstanding plays such as "The Contrast", "The Lady's Not for Burning", "All My Sons", "The Glass Menagerie", "Juno and the Paycock", and a number of student directed one-acts. Famous musical comedies including "Li'l Abner", "Plain and Fancy", "Brigadoon", and "Finian's Rainbow" have been produced at the college.

An annual Artist Series brings leading musical artists and ensembles to the campus. In the past, this has included the noted violist, Paul Doktor, The Chamber Brass Players, The Baltimore Woodwind Quintet, the Claremont and LaSalle String Quartets, The Bennington Ensemble, pianists Kenneth Amada and Livia Rev, the Don Cossack Chorus, and numerous others. In addition, a number of outstanding speakers covering a wide range of topics of general student interest are presented throughout the academic year.

A feature of the culture calendar is an annual Fine Arts Festival in May which features Art, Music, and Drama, and combines the talents of college, community and guest artists in a week-long series of activities.

An annual film series featuring high quality films is presented in Reynolds Hall, scene of most of the music and drama presentations. In addition to motion picture equipment, this hall is equipped with high-fidelity components aptly suited for playing recordings and transcriptions of all types.

### **College Assemblies**

At the college assemblies there are special entertainment numbers, visiting speakers, and programs prepared by student groups.

These assemblies are part of the Freshman Orientation Course and all freshmen are required to attend. All upperclass students are encouraged to be present at these assemblies.

### **Health Services**

The Shepherd College Student Health Center is located on the ground floor in the west wing of Gardiner Residence Hall. It is equipped with medical instruments and surgical instruments for the examination, diagnosis, and

treatment of minor medical conditions. In addition to an infirmary with accommodations for 8 bed patients it has a waiting area, an office, and a treatment room. The Student Health Center staff consists of two registered nurses and an affiliated physician. One nurse is on duty at all times.

All new students, including transfers must submit a Student Health Record as a **requirement for admission**. The Director of Admissions will provide the form to be used.

Shepherd College will not assume financial responsibility for medical treatment beyond the regular services of the college nurse and physician. In case of serious illness, the student may be hospitalized in the Kings Daughters and City Hospitals of nearby Martinsburg, or parents are requested to take the student home to their family physician.

Special health services are available to veterans at the Veterans Administration Center, Martinsburg, West Virginia.

Special psychological and psychiatric services are available to all students when recommended through the West Virginia Department of Mental Health Guidance Clinic for Children and Adults, Martinsburg, West Virginia.

Students will have an opportunity on registration day to take advantage of an economical accident and health group insurance plan. Students are encouraged to participate in this plan.

### **Motor Vehicle Registration**

All students operating a motor vehicle in Shepherdstown must register it with the Office of the Dean of Students.

Freshmen and Sophomores and students on academic or social probation (not residing with parents) may not have or operate a motor vehicle in Jefferson County. Exception to this regulation may be made by the Dean of Students. Violators are subject to suspension from the College.

### **Placement Bureau**

The college maintains a teacher placement service to assist recent graduates and former students of the college in obtaining positions. Prospective graduates are asked to register with the Bureau early in the semester of graduation. Former students of the college who desire the services of the Bureau are requested to register as early in the year as possible. The necessary blank forms may be secured by correspondence or conference with the Director of the Bureau.

School officials and representatives of government, business and industry are encouraged to use the Bureau in filling positions. They will be supplied information about qualified candidates. Every effort is made to assist students in finding positions for which they are qualified, and to secure advancement for former students. No fee is charged for this service.

Letters should be addressed to the Director of the Placement Bureau, Shepherd College, Shepherdstown, West Virginia, 25443.

## ATHLETICS

**Intramural Sports**—Men and women are given an opportunity to participate in a broad and varied program of intramural sports. This program is in operation throughout the school year.

**Intercollegiate Athletics**—Shepherd College sponsors athletic teams in football, basketball, baseball and swimming. They compete with member colleges of West Virginia Intercollegiate Athletic Conference and hold membership in the Mason-Dixon Intercollegiate Athletic Conference in the tri-state area. There are also opportunities for participation in track, golf, and tennis.

### **A Statement of Athletic Policy of Shepherd College General Statement**

We believe that athletes should be treated as all other students in reference to admissions, scholarships, program of study, part-time employment, eligibility and participation in activities representing Shepherd College.

#### **Purposes of Shepherd College's Athletic Program**

1. To provide friendly competition and cooperation with other colleges and universities.
2. To develop the physical, mental, emotional, social, and moral well-being of each participant.
3. To stimulate participants to a high calibre of citizenship.
4. To furnish vicarious recreative value to college students, faculty, and community.
5. To provide practical experiences for careers in coaching and teaching sports.

In order that the college may continue to carry on intercollegiate athletic programs pursuant to policies recommended by the North Central Association of Colleges and Secondary Schools, the following minimum standards have been specifically approved by the college:

1. The control and primary responsibility for the conduct of the intercollegiate athletic program is exercised by the President upon the recommendation of the Athletic Committee, which is composed of representatives of the faculty and the student body.
2. The members of the coaching staff are regularly constituted members of the faculty and have the same professional status and tenure as other faculty members. The method of appointment, salary, and qualifications for membership on the faculty are similar to those of other faculty members.
3. Students who plan to participate in athletics are admitted by the Committee on Admissions and Credits on the same basis as other students. Athletes are required to maintain the same academic standards as non-athletes.

4. The award of any student aid, student loan, or student employment to an athlete is made through the regular agency of the college for granting of aid to all students. Such aids are awarded on a basis which will not discriminate for or against presumed or recognized athletes. An athlete is required in employment to give full and honest return for pay received.
5. All athletic funds are handled by the Business Manager of the college. An audit of the receipts and disbursements of these funds is made annually by the auditors of the West Virginia Tax Commissioner and a report thereof made to the President and to the West Virginia Board of Education.
6. The practice of bringing prospective athletes to the campus for athletic try-outs or paying their expenses for the campus visitation is not permitted.
7. An effort is made to compete with colleges having similar educational and athletic policies.
8. Shepherd College is a member of the West Virginia Intercollegiate Athletic Conference and the Mason-Dixon Intercollegiate Conference. The same eligibility rules apply to all contests with teams not in these Conferences.

**Action on The Gridiron**

## Section VI

### ACADEMIC PROGRAM

#### The College Plan of Organization

The academic program of the college is organized on a divisional basis. Each of the eight divisions has a chairman who presides at the monthly meeting. These chairmen compose the Academic Committee, which serves as an advisory group to the Academic Dean. Purposes of the curricula in each division operate within the framework of the philosophy of the college.

#### Academic Divisions

The college academic program has eight major divisions embracing the following departments of instruction:

- I. Division of Business Administration:  
accounting, marketing, and business education.
- II. Division of Education:  
psychology, elementary and secondary education.
- III. Division of Fine Arts:  
art and music.
- IV. Division of Health and Physical Education:  
physical education and athletics.
- V. Division of Home Economics
- VI. Division of Languages and Literature:  
religion and philosophy, drama, English, literature, journalism,  
library science, French, German, radio and speech.
- VII. Division of Social Sciences:  
economics, geography, history, political science, and sociology.
- VIII. Division of Science and Mathematics:  
biology, chemistry, mathematics, nursing education, physical  
science and physics.

#### Explanation of College Course Numbers and Terms

**Numbering of Courses**—Courses 100 to 199 are normally for first-year students; courses 200 to 299 are for second-year students; courses 300 to 399 are for third-year students; courses 400 to 499 are for fourth-year students.

All courses numbered below 300 are lower-division courses, and courses numbered 300 or above are designed as upper-division courses.

First-year students are not usually admitted to courses numbered 300 or above. Third-year and fourth-year students are expected to elect at least half of their work from courses numbered 300 or above.

**Meaning of Terms Used**—The term **hour** or **hours** means semester hour or hours. A **semester hour** consists of one hour of recitation with two preparation

hour per week for eighteen weeks. From twelve to seventeen semester hours constitutes a full-time load for a student in a semester. The **normal load** is sixteen hours, thus making 128 hours in eight semesters or four years, 128 hours being required for a degree.

The term teaching field means the subject matter field of specialization in a curriculum for teachers. A student elects two teaching fields or one comprehensive field. The terms **major** and **minor** refer to areas of specialization in the college liberal arts curriculum.

### **Schedule of Classes**

**Complete Schedule of Classes Offered Each Semester**—A complete schedule of classes offered each semester, showing days of the week and the hours at which they will meet, will be available before the beginning of the semester. Each course will be given as scheduled if ten or more students register for the course. If fewer than ten students register, college officials reserve the right to cancel the course. Each course for which no semester or year is indicated will be offered when the Academic Dean, in cooperation with the division chairman and the instructor, determines the need and recommends that it be given.

### **Classification of Students**

Classification of students is made on the following basis: first year, less than 24 semester hours; second year, 25 to 56 semester hours; third year, 57 to 91 semester hours; fourth year, 92 or more semester hours.

### **Amount of Work Taken**

Thirty-two semester hours of work each year will usually prove sufficient for the average student. The first semester's work should not exceed seventeen hours, and the work of any subsequent semester will be limited to seventeen hours, unless preceding work has reached a quality point average of 3.000. Students who have an average of 3.000 through 3.499 on the preceding semester's work may carry eighteen semester hours. Students who have an average of 3.500 through 4.000 on the preceding semester's work may carry nineteen semester hours. Exceptions to these rules may be made only on petition to the Academic Dean.

The normal load is six semester hours of credit for each summer term with a total of twelve semester hours for the summer session.

Fourteen semester hours is the maximum load during the two terms. A student must have at least a "B" average on the last semester's work or on all work taken, or be a candidate for graduation at the end of the summer session in order to be eligible to take fourteen semester hours. Exceptions can be made on petition to the Academic Dean.

### **Withdrawal and Change in Assignment**

Students desiring any change in assignment or permission to withdraw from any course should consult the Academic Dean. Withdrawal from one class and entrance into another after a semester begins may be permitted only on petition to the Academic Dean. The withdrawal procedure is incomplete until all necessary signatures have been secured. This must be done during the specified time limit.

Necessary withdrawals from school should be processed through the Academic Dean's office to avoid having all work reported as failures. Unauthorized withdrawals from class or school are reported as failures.

Withdrawal from the college must be reported and financial clearance made at the business office. (See **Marking System** below for additional information on withdrawals.)

### Marking System

A—Superior; B—Good; C—Average; D—Below average, lowest passing mark; F—Failure; —Incomplete; W—Withdrew, grade given for withdrawal during first six weeks; WP—Withdrew passing after first six weeks; WF—Withdrew failing after first six weeks; WIF—Failure due to irregular withdrawal from school or from a single class. No withdrawals from a particular class will be permitted during the last three weeks of the semester or the last week of summer school. Students withdrawing from school will be given grades of WF or WP as warranted.

E—Condition indicates unsatisfactory work. When the condition is removed, the grade cannot be higher than D.

If the deficiency reported by E is not made up within a year, the grade automatically becomes F.

I—Incomplete is given to all students who miss some of the last exercises because of illness or other equally good reasons. When the work missed is done satisfactorily, the final grade may be any of four passing marks.

If the deficiency represented by I is not made up within a year, the grade automatically becomes F. A grade of C cannot be repeated to improve quality points.

### Quality Points

The quality-point average is computed on **all** work for which the student has registered, except for the courses with grades of W and WP, and is based on the following quality-point values for each semester hour of credit:

A	B	C	D	F	WF	FIW
4	3	2	1	0	0	0

### Scholarship Requirements for Continuance in College

A student who in any semester falls below a point average of 1.5 will be placed on probation for low scholarship. If he does not earn a point average of 2.100 or better in the semester, in which he is on probation, he is automatically dropped from the college for low scholarship. A student who has been placed on probation remains in that status until his overall average reaches 2.000, when he is automatically removed. No student on probation can carry more than 14 hours except by permission of the Academic Dean. A student

on probation must carry a minimum of 9 hrs. unless an exception is made by the Admissions and Credits Committee. (The 2.100 average is effective for all students after September 1966.)

A student dropped for low scholarship for the first time may petition the committee on Admissions and Credits for reinstatement after a lapse of one regular semester. If reinstated, the student must meet the regular scholastic regulations from that time on in all college work. No student on probation shall have part-time employment at the college, nor be permitted to have a car on campus.

Those students suspended in June **for the first time** for academic reasons may be eligible to return in September of the same year provided they attend summer school at Shepherd College for ten weeks and take a total of eleven semester hours. The courses taken must be from specific subjects approved in advance by the Academic Dean. The students must maintain a "C" average in their total summer program. If the student concerned has complied with the above requirements he can ask the Committee on Admissions and Credits to review his case at the end of the second summer session. The Committee on Admissions and Credits will have final jurisdiction concerning admission in September. The student can expect readmission if he complied with provisions outlined above and is otherwise in good standing. (Adopted by faculty, May 15, 1961).

A student who fails to pass on fifty per cent of the work carried in any semester will not be permitted to enroll the following semester without permission of the Admissions and Credits Committee.

Students who have been suspended for the second time who entered under the 1962 or subsequent catalogs will not ordinarily be considered for readmission. However, a person with a second suspension who has a quality point deficit of 10 or less may be given an opportunity to appear before the Committee of Admissions and Credits after a lapse of one full year from time of the second suspension. The Committee has the right to grant such an individual a third chance if circumstances warrant.

### **Eligibility for the Dean's List**

To be so honored, a student must carry at least 16 hours of work or be in the professional teaching block. He must maintain a 3.2 average for the semester.

### **Attendance**

Students are required to attend classes. All absences are recorded by the instructor. Each student who is absent is responsible for presenting the cause of his absence to the instructor within **one week** after the absence. The instructor decides whether or not the absence is excusable according to the college attendance policy. It is the student's responsibility and privilege to make up the work missed if the absence is excused.

The attendance policy follows:

1. Excused absences shall constitute:
  - a. absence because of the student's illness. (see student handbook).
  - b. absence because of death in the immediate family.
  - c. absence while officially representing the college.
  - d. absence because of an approved field trip.
2. All other absences shall be considered as **unexcused absences**. (e.g., work, vacations.)
3. Any unexcused absence on the last class meeting immediately preceding, or the first class meeting immediately following, a holiday will be counted as a double absence.
4. Missing any class or laboratory session or major portion thereof shall constitute an absence. Missed sessions because of late registration shall constitute absences.
5. All provisions of the attendance rules apply during summer sessions except that no more than one unexcused absence will be allowed in any course during a summer session.
6. When unexcused absences exceed the total number of credit hours offered in any course, the student must appear before a Committee on Attendance, composed of the Academic Dean, Dean of Students and the professor involved, to justify why he should be reinstated in said course. Should the said committee decide that the absences are unjustified, the student shall be dropped from said course, and a grade of F be recorded on the permanent file, for the course thus dropped. The professor will initiate the action concerning the student. The student will take the responsibility for assembling the committee.
7. If the student is readmitted to the course, and is absent again without excuse, he shall be automatically dropped from the course, and a grade of F shall be recorded on the permanent record, unless he can show the committee he was absent because of extraordinary circumstances.
8. Any work missed by the student must be made up to the satisfaction of the instructor involved, or the student will be dropped from the course.
9. At the discretion of the Administrative Council, the regulations on missing sessions because of late registration may be waived for teachers whose schools are still in session when the Shepherd College Summer term opens.

Instructors planning to take students on field trips or to any official college activity should present the names of the absentees to the Academic Dean for his approval one week in advance. The Dean will notify the faculty concerning the students whose absences have been excused by him.

**PROGRAM OF GENERAL STUDIES ADOPTED BY THE  
SHEPHERD COLLEGE FACULTY EFFECTIVE  
SEPTEMBER 1965**

<b>FOR ALL FOUR YEAR DEGREES</b>		<b>Required Hours</b>
<b>Humanities</b> .....		<b>19</b>
Written English 101 and 102 .....	6	
Fundamentals of Speech 202 .....	3	
English Literature Survey 203 .....	3	
American Literature Survey 204 .....	3	
Introduction to Visual Arts 103 .....	2	
Music Appreciation 111 .....	2	
*Foreign Language		
<b>Science and Mathematics</b> .....		<b>11</b>
Biology 101 and 102 or P.S. 103 and 104		
Life Science or Physical Science .....	8	
Mathematics 215 .....	3	
<b>Social Studies</b> .....		<b>15</b>
History 101 and 102; Contemporary Civilization and Its World Background with emphasis upon the Development of Western Culture .....	6	
Sociology 203, Economics 205 and Government 101 .....	9	
<b>Physical Education Orientation</b> 121 and 122 .....	2	
<b>Psychology of Personal Development</b> 101 .....	1	
<b>Total</b> .....		<b>48</b>

The General Education Requirements are designed to help the student to understand the cultural heritage of Western civilization and to provide him with that common knowledge and philosophy for effective living as a good citizen in a democratic society.

\*Foreign language is required for the non-teaching Bachelor of Arts degree and recommended in some areas for the Bachelor of Science degree. Requirement may be waived by the Modern Language Department for students presenting three (3) high school units of credit in one language, and only six (6) semester hours in a language is required for students presenting two (2) high school units in one language. It is assumed that the college language courses will not duplicate high school courses.

Human Development is required for teacher education.

See pages 71 and 72 for complete degree requirements for the Bachelor of Arts degrees in Elementary and Secondary Education.

English 101 is prerequisite to English 102. English 102 is prerequisite to all other English courses except 202 Fundamentals of Speech. Students are not ordinarily permitted to drop English 101.

English 101 may be waived by special examination or on the basis of freshman placement tests, but no credit is allowed. Students are expected to take an advanced English course as a substitute.

Economics .....	36	27
Mathematics .....	30	24
Physics .....		22
Political Science .....	30	21

\* Electives should be taken on the advice of the adviser in the major and minor fields.

#### IV GENERAL REQUIREMENTS FOR GRADUATION

**Degrees Conferred:** The Bachelor of Science degree is conferred upon graduates majoring in biology, business administration, secretarial administration, chemistry, economics, mathematics, and political science. The Bachelor of Arts degree is conferred upon majors in art, English, history, music, and speech and drama. Bachelor of Arts degrees are Bachelor of Arts, Bachelor of Arts in Elementary Education, and Bachelor of Arts in Secondary Education. Both major and minor fields, with a "C" average, are required for nonteaching degrees.

"No student will be awarded two degrees simultaneously. In order to be awarded a second degree, a student will need to take at least 30 hours of additional credit. For the second degree he will follow the catalog most recently issued. Meeting requirements for a teaching certificate for Liberal Arts graduates would not involve conferring an additional degree." June, 1963, was the last possible date for students to receive two degrees under the provisions of previous catalogs.

**Semester hours required:** For graduation, a minimum of 128 semester hours with 256 quality points are necessary. Of the 128 hours of credit, a minimum of 45 must be earned in courses above the sophomore level. This requirement is waived for majors in elementary education entering in September 1965.

**Electives:** Elective courses in the major, minor or teaching field must be approved by the adviser.

**Residence:** At least 32 semester hours of resident study at this college is required before graduation. A majority of these hours must be done in residence during the year of graduation. Formal graduation exercises are held once a year at the close of the second semester.

The final six hours of work must be completed at this institution unless the candidate is excused by the Committee on Admissions and Credits. An \$8.00 graduation fee is required and is due eight weeks prior to graduation. In order to make a careful check of requirements, students on the campus are asked to apply at the beginning of the first semester of their senior year.

**Work completed at another institution:** All work taken at another institution which is to be applied to a degree or teaching certificate at Shepherd must be approved in advance.

**It is the student's responsibility to check on all requirements and to make inquiry if there is any doubt of his meeting any of them.** A frequent check on requirements as listed in the college catalog, and frequent conferences with advisers are desirable to make sure that the student is making regular progress. It is well to get required courses completed as soon as possible to prevent conflicts of prescribed subjects during the senior year. A student will have a seven-year period to complete requirements under the catalog in effect at the time of entrance. A student may elect to graduate under a later catalog than the one under which he entered. However, he is not permitted to split catalogs.

**Quality-Point Requirement:** For graduation and/or certification the applicant shall have a quality-point ratio of 2.00 (average of C) on all work attempted with the exception of courses with grade of W and WP. This policy took effect at the beginning of the 1956 summer session. Work taken prior to June, 1956, will be computed in accordance with the regulations in force at the time the work was taken. A quality point deficit acquired at Shepherd cannot be made up at another institution.

**Graduation With Honors:** Candidates for degrees who maintain high averages of scholarship are graduated with honors. Honors are determined by

the cumulative quality-point average of the student's work at graduation: Highest Honors, "Summa Cum Laude," 3.75 and above; High Honors, "Magna Cum Laude," 3.50 to 3.74; Honors, "Cum Laude," 3.00 to 3.49.

**McMurrin Scholar:** The faculty recently created the award of McMurrin Scholar, which is the highest honor awarded at Shepherd.

(See list in the back of current catalog.)

### SPECIAL REQUIREMENTS

1. All candidates for degrees must be of good moral character and must have maintained a good citizenship record.
2. An application for graduation and an \$8.00 graduation fee must be filed with the Registrar eight weeks prior to the date of graduation.
3. Candidates for graduation are required to attend the commencement exercises for the conferring of degrees.
4. All obligations to the college must be paid before commencement.
5. All graduates must make a satisfactory grade on the sophomore English test (effective for all graduates, June, 1964). This requirement can be waived on the recommendation of the Academic Dean and the Chairman of the English Division. Students with a B average in the three basic English courses and a 3.00 average overall are excused.
6. Circumstances may exist where the major professor may have reason to believe that a student should take additional courses in order to be recommended for graduation. This requirement must be met by the student in the event that the majority of the members of the Division and the Academic Dean so recommend. This decision must be made prior to the beginning of the student's final semester.
7. Candidates in Teacher Education must have an NTE score on record.
8. Nonteaching graduates must have a GRE score on record.

**NOTE:** Candidates have the opportunity to register with the College Placement Bureau and file a suitable photograph without charge for the service.

### SPECIAL EXAMINATION FOR COURSE CREDIT

Students may take special examinations to qualify for credit in certain courses. For further information as to the courses covered in this manner, students should get in touch with the Office of the Registrar. All tests are administered by the divisions concerned.

Application must be made to the Academic Dean for permission to take a special examination. To qualify for permission to take such an examination, an applicant must be enrolled at Shepherd College on a full-time basis. The applicant must, in addition, establish eligibility in regard to his background in the area concerned and be recommended by the chairman of the division and the instructor concerned. In order to gain college credit by special examination, the student must demonstrate better than average proficiency in the examination. Examinations will not be given for courses in which the student has obtained a low grade previously. A failing grade will not be recorded.

Applicants must pay a fee of \$3.00 for each special examination, and must be regularly enrolled at the time of taking the examination. A receipt for the payment of the fee must be obtained from the Business Office. No money will be refunded if any examination is failed. No examination may be repeated.

A grade of C will be recorded when the required proficiency has been met.

## PREPARATION FOR PRE-PROFESSIONAL AND VOCATIONAL STUDY

The following programs have been coordinated with the Registrar and Deans of West Virginia University: pre-pharmacy, pre-dental, pre-medical, pre-veterinary, pre-medical technicians and courses basic to engineering and to agriculture.

Shepherd College offers pre-professional and vocational preparation, and each year graduates of the college enter the leading universities and professional schools of the country.

Total	18 hrs.	Total	18 hrs.

For the third and fourth year curriculum see adviser.

Note: The minimum requirement for admission to a school of dentistry is three years pre-dental preparation.

Courses in biological science and chemistry should not include subjects that are duplicate courses given in schools of dentistry, such as biological chemistry, human physiology, etc.

Organic chemistry is usually deferred until the third year of pre-dental preparation unless the student wishes to apply to a school of dentistry after completing only two years of pre-dental work. Organic chemistry should then be taken during the second year of college or during the summer following the second year.

Third and fourth year work will be planned to suit the needs of the individual student. This will be based upon the requirements of the particular dental school which the student plans to enter.

Students who transfer to dental school at the end of the third year at Shepherd may transfer their first year work at such school back to Shepherd in order to qualify for the B.S. degree. In such cases students must satisfy the Shepherd general education requirements.

### PRE-MEDICAL

<b>First Year</b>		<b>Second Year</b>

Note: The minimum requirement for admission to a school of medicine is three years of pre-medical preparation.

Courses in biological science and chemistry should not include subjects that are duplicate courses given in schools of medicine, such as biological chemistry, human physiology, etc.

Third and fourth year work will be planned to suit the needs of the individual student. This will be based upon the requirements of the particular medical school which the student plans to enter. Medical schools expect the student to have completed at least three years of pre-professional training; many require four years of work with a degree. In all cases Chemistry 315 and 316 will be required in the third-year program. Shepherd is prepared to meet these needs.

Students who transfer to medical school at the end of the third year at Shepherd may transfer their first year of work at such school back to Shepherd in order to qualify for the B.S. degree. In such cases students must satisfy the Shepherd general education requirements.

This program will be offered cooperatively by Shepherd College and the Veterans Administration Center, Martinsburg, West Virginia. The first three

years of work as listed above will be handled by Shepherd College. The student must complete a minimum of 96 hours on the Shepherd College campus. The fourth year consists of 12 months of instruction and laboratory experience at the Veterans Administration Center, Martinsburg, West Virginia. Upon successfully completing this program, the participant will be granted a Bachelor of Science degree in Medical Technology. Graduates are eligible for certification by the Board of Registry of the American Society of Clinical Pathologists after having successfully passed the National Examination required for certification.

<hr/>		<hr/>	
16		15	

For third and fourth years see adviser.

## PRE-THEOLOGICAL STUDIES

The American Association of Theological Schools proposes no one course of study as "best" for students who plan to enter seminary, but emphasizes that those students should be able, upon graduation from college, to demonstrate the ability to use certain tools of the educated man. Recommendations generally indicated by seminaries include such minimal statements as these: English, 12-16 semester hours; history, 8-12 semester hours; foreign language, 12-16 semester hours; religion, 8-12 semester hours; natural sciences, 12-16 semester hours; social studies, 12-16 semester hours; philosophy, 8-12 semester hours; psychology, 4-6 semester hours.

Of the possible areas of concentration offered at Shepherd College students who plan to enter seminary would be well advised to consider either English or history for their major. The area of religion and philosophy is recommended for the minor.

The following schedule represents a recommended program for the first two years.

### First Year

First Semester		Second Semester	
Written English 101 .....	3	Written English 102 .....	3
History of Civilization 101 .....	3	History of Civilization 102 .....	3
Orientation in Physical Education 121 .....	1	Orientation in Physical Education 122 .....	1
General Physical Science 103 .....	4	General Physical Science 104 .....	4
Psychology 101 (Orientation) .....	1	Introduction to Philosophy 101 .....	3
Music 111 .....	2	New Testament 308b .....	2
Old Testament 308a .....	2	<hr/>	
16		16	

		Second Year	
First Semester		Second Semester	
Fundamentals of Speech 202	3	Ethics 315	3
Sociology 203	3	Introduction to Visual Arts	
General Psychology 103	3	102-103	2
History of Philosophy 305	3	Sociology 205	3
Foreign Language	3	General Psychology 104	3
		Twentieth Century Philosophy 306	2
		Foreign Language	3
	15		16

The student and his adviser will determine, in conjunction with the major chosen, the schedule of courses for the third and fourth years.

### PRE-LAW

Students interested in pre-law work should realize that law schools throughout the country differ to some degree in entrance requirements. The student who wishes to transfer to law school should select a university and write immediately to the college of law for information relative to these requirements. Students who wish to enter law school should consult with the professor of political science before registering. The following courses are suggested as those likely to be most useful in pre-legal training:

Written English 101, 102	6
Voice and Diction 200	3
Fundamentals of Speech 202	3
Early American History 201	3
Later American History 202	3
Modern European History 333	3
Principles of Economics 205	3
Economic Problems	3
General Sociology 203	3
American Federal Government 101	3
Constitutional Law 401	3
Business Law 312	3
World Government and Politics 405	3
History of Political Theory 315	3
Recent and Contemporary Theory 316	3

## DIVISION OF BUSINESS ADMINISTRATION

Mr. Printz, **Chairman**, Mr. Beccaris, Mr. Buterbaugh, Mr. Morgan, Mr. Rath

**Purposes:** To prepare young men and women to enter the business world or to teach in high schools. This division concentrates on the fundamental disciplines underlying the practices of business. The program is designed to provide education in specific business techniques which change rapidly. The best education for the business leader of tomorrow is one that increases his capacity to learn during the remainder of his life. The program is concerned with the principles of management common to all enterprise, and the student is expected to develop an insight into basic tenets and analytical skills that will equip him to meet the needs and problems of diverse types of business. As part of his program the student may elect to concentrate on one of the major functional aspects of business: accounting or marketing.

### BUSINESS ADMINISTRATION

This curriculum is designed for the student who desires a broad background in business fundamentals. Preparation for positions in executive and managerial areas is emphasized.

#### Curriculum for a Major in Business Administration

Required courses, 45 hours:

Introductory Accounting 201, and 202 .....	6
Mathematics of Finance 211 .....	3
Financial Organization and Management 250 .....	3
Management of the Enterprise 251 .....	3
Public Finance 310 or Corporation Finance 400 .....	3
Business Law 312 .....	3
Business Statistics 314 .....	3
Intermediate Accounting 329 and 330 .....	6
Marketing 340 .....	3
Written Communications in Business 345 .....	3
Human Relations in Industry 390 .....	3
Personnel Management 409 .....	3
Electives selected with the consent of the adviser .....	3

All business administration majors are expected to minor in economics.

Permission, in writing, from the chairman of the division is required if any other minor field is elected. Additional course election must have prior approval where course requirements are identical in the major and minor.

Language: No requirement, but French or German is strongly recommended.

#### Curriculum for a Major in Business Administration with a Concentration in Accounting

In recent years due to taxation, government regulation, and the necessity for a firm to have adequate cost information there has been a tremendous increase in the demand for accountants. Courses are offered to prepare students for careers in this area.

Required courses, 45 hours:

Introductory Accounting 201, and 202 .....	6
Financial Organization and Management 250 .....	3
Management of the Enterprise 251 .....	3
Mathematics of Finance 211 .....	3
Public Finance 310 or Corporation Finance 400 .....	3
Business Statistics 314 .....	3

Business Law 312 .....	3
Intermediate Accounting 329 .....	3
Intermediate Accounting 330 .....	3
Advanced Accounting 331 .....	3
Written Communications in Business 345 .....	3
Cost Accounting 401 .....	3
Auditing 402 .....	3
Income Tax 404 .....	3

### **Curriculum for a Major in Business Administration with a Concentration in Marketing**

Increasing emphasis on the problems of marketing the national output of goods and services has created many new opportunities for employment in this area.

Required courses, 45 hours:

Marketing Decision Making 341 .....	3
Salesmanship 360 .....	3
Sales Management 412 .....	3
Retailing 350 .....	3
Advertising 370 .....	3
Electives with the consent of the adviser .....	3

### **Curriculum for a Minor in Business Administration**

Required courses, 33 hours:

Introductory Accounting 201, and 202 .....	6
Mathematics of Finance 211 .....	3
Financial Organization and Management 250 .....	3
Management of the Enterprise 251 .....	3
Public Finance 310 .....	3
Intermediate Accounting 329 .....	3
Intermediate Accounting 330 .....	3
Marketing 340 .....	3
Personnel Management 409 .....	3
Business Law 312 .....	3

### **BUSINESS ADMINISTRATION COURSES**

201. **Introductory Accounting.** Credit, three hours. Fundamentals of accounting for corporations, partnerships and proprietorships. Inventory methods, classified statements, negotiable instruments, controlling accounts and specialized journals. First semester. Prerequisite: Mathematics of Finance 211.
202. **Introductory Accounting.** Credit, three hours. A continuation of corporate accounting. Manufacturing accounting, accounting for fixed assets and analysis of financial statements. Second semester. Prerequisite: Accounting 201.
211. **Mathematics of Finance.** Credit, three hours. Principles of interest and discount, annuities, insurance, amortization, bonds and similar topics. First semester. (Same as Math 211)

250. **Financial Organization and Management.** Credit, three hours. Modern methods of expanding and organizing business, financing its permanent and working capital needs, managing its income and surplus, recapitalizing and reorganizing. First semester.
251. **Management of the Enterprise.** Credit, three hours. A study of business from the manager's point of view, business resources, management decision simulation and the business environment. Second semester.
300. **Government and Business.** Credit, three hours. Control of business by state and federal governments. This course begins with a study of the functions of the state, showing relationship of government to business and is followed by a discussion of government control. Prerequisite: Economics 206. On demand.
310. **Public Finance.** Credit, three hours. A study of government expenditures, sources and methods of taxation, economic effects of expenditures and taxes, and government debt policies. First semester. Prerequisite: Money and Banking 305.
312. **Business Law.** Credit, three hours. Fundamentals of business law relative to contracts, sales, bailments, and negotiable instruments. Legal aspects of the law of employment, partnership, corporation and property. First semester.
314. **Business Statistics.** Credit, three hours. Methods of collecting, presenting, analyzing and interpreting business data. Emphasis is placed on the analysis of frequency distribution, trend fitting, and seasonal adjustments. Second semester. (Same as Math 314)
320. **Industrial Safety.** Credit, three hours. Analysis of problems of industrial and accident prevention laws pertaining to industrial safety and health. Compensation laws, and industrial property protection. On demand. Prerequisite: Economics 206.
321. **Labor Economics.** Credit, three hours. History of modern labor movements, analysis of economic and social problems arising from relations between labor and management. Second semester. Prerequisite: Economics 206.
322. **Trade Unionism.** Credit, three hours. An analysis of the structure of unions, attitudes and policies of organized labor and a study of the economic and political implications of union policy. On demand. Prerequisite: Economics 206.
329. **Intermediate Accounting.** Credit, three hours. Principles of balance sheet evaluation and profit determination, with greater emphasis on accounting theory. First semester. Prerequisite: Accounting 202.
330. **Intermediate Accounting.** Credit, three hours. Continuation of Intermediate Accounting 329. Second semester.
331. **Advanced Accounting.** Credit, three hours. Current theories and procedures relating to partnerships, insurance, estates and trusts, and consolidated statements. On demand. Prerequisite: Accounting 330.
340. **Marketing.** Credit, three hours. A study of the functions performed by the marketing process, of marketing institutions, and the relations of government and consumer to marketing. The case method is used. First semester. Prerequisite: Economics 206.
341. **Marketing Decision Making.** Credit, three hours. The course provides a dynamic environment for decision making. The student is able to determine the meaning and relevance of the knowledge gained in all areas of business with emphasis placed on marketing managerial decisions. On demand. Prerequisite: Marketing 340.

345. **Written Communications in Business.** Credit, three hours. A study of modern business techniques in report writing and method of oral communication. Second semester.
350. **Retailing.** Credit, three hours. A study of retail store operation and management including sales promotion, personnel management, selling, customer services and credit. On demand. Prerequisite: Economics 206.
360. **Salesmanship.** Credit, three hours. A study of the techniques of successful selling. Summer term.
370. **Advertising.** Credit, three hours. Principles and practices of advertising. The preparation of copy, layout, production and copy research are covered. Second semester. Prerequisite: Economics 206.
390. **Human Relations in Industry.** Credit, three hours. Job and worker analysis, industrial testing, weighed application blank, non-directive interviews, training, monotony, fatigue, accident prevention and morale. First semester. Prerequisite: Economics 206.
400. **Corporation Finance.** Credit, three hours. A study of the methods of financing corporations and the analysis of financial statements. On demand. Prerequisite: Money and Banking 305.
401. **Cost Accounting.** Credit, three hours. The economic, industrial engineering and managerial aspects of cost accounting; process, job order and standard cost systems. On demand. Prerequisite: Accounting 330.
402. **Auditing.** Credit, three hours. Principles and problems of modern auditing procedures and practices. On demand.
404. **Income Tax.** Credit, three hours. A study of federal income taxes for individuals, partnerships and corporations, and the preparation of returns. On demand.
409. **Personnel Management.** Credit, three hours. Source of labor, analysis of the labor force, job analysis, recruitment, wages, hours, welfare, collective bargaining and labor relations. Second semester. Prerequisite: Economics 206.
411. **Systems Accounting.** Credit, three hours. Principles underlying the design and installation of accounting systems to meet the needs of all types of business concerns. Machine accounting methods and data processing are also studied. On demand. Prerequisite: Accounting 330.
412. **Sales Management.** Credit, three hours. The factors determining industrial wage and salary policies, methods of employee payments, wage relationships, wage rate setting, incentive wage plans. The techniques and methods of implementing wage and salary policies. On demand. Prerequisite: Personnel Management 409.
414. **Wage and Salary Administration.** Credit, three hours. The factors determining industrial wage and salary policies, methods of employee payments, wage relationships, wage rate setting, incentive and salary policies. On demand. Prerequisite: Personnel Management 409.
415. **Production Planning and Control.** Credit, three hours. Study of forecasting, planning, scheduling, dispatching, and controlling the flow of industrial production from receipt of customer's order to shipment of finished goods. On demand. Prerequisite: Permission of instructor.
416. **Industrial Purchasing.** Credit, three hours. A study of the duties and activities of the purchasing agent, organization of the purchasing department, techniques of industrial purchasing. On demand. Prerequisite: Marketing 340.

## ECONOMICS

**Purpose:** To develop a total comprehension of the manifold and complex problems of our economic system and of the other systems of the world.

### Curriculum for a Major in Economics

Total hours required for a major .....	36

This course is available to students who have manifested mature development in the economics area. Prerequisite: Permission of instructor. On demand.

## BUSINESS EDUCATION

### Teaching Fields

These curricula are designed to provide the opportunity for prospective business education teachers to develop and refine their basic skills, to acquire the knowledge necessary for effective teaching, and to develop a healthy attitude toward, and an understanding of, the role of business education in the secondary school program.

### Curriculum for Comprehensive Teaching Field—7 through 12

Required Courses, 50 hours:

Introductory Accounting 201 and 202 .....	6
Advanced Typewriting 104, 105 .....	5
Advanced Shorthand 202, 203 .....	7
Economic Problems 206 .....	3
Mathematics of Finance 211 .....	3
Financial Organization and Management 250 .....	3
Money and Banking 305 .....	3
Public Finance 310 .....	3
Business Law 312 .....	3
Office Procedures 324 .....	3
Office Machines 325 .....	3
Intermediate Accounting 329 .....	3
Principles of Marketing 340 .....	3
Methods of Teaching Business Subjects 430 .....	2

Economics 205 is required in the general studies program.

### Curriculum for Secretarial Studies Teaching Field 9 through 12 Associate Field

Required Courses, 38 hours:

Typewriting 103*, 104, 105 .....	7
Shorthand 201*, 202, 203 .....	11
Introductory Accounting 201, 202 .....	6
Mathematics of Finance 211 .....	3
Office Procedures 324 .....	3
Office Machines 325 .....	3
Business Law 312, Salesmanship 360, or Advertising 370 .....	3
Methods of Teaching Business Subjects 430 .....	2

\*A student may be exempt from taking this course by passing an examination. No college credit is earned.

The second teaching field must be selected from the areas of English, science, social studies, mathematics, foreign language, or library science.

#### BUSINESS EDUCATION COURSES

103. **Typewriting I.** Credit, two hours. The mastery of the keyboard, development of correct typewriting techniques, centering, introduction to letter writing and tabulation, and the development of speed and accuracy. It is recommended that the student have at least one semester of high school typing. First semester.
104. **Typewriting II.** Credit, two hours. A continuation of Typewriting I. Emphasis is placed on further development of speed and accuracy with problems in business letter writing, tabulation, and manuscript writing. Second semester. Prerequisite: Typewriting I or permission of instructor.
105. **Typewriting III.** Credit, three hours. Development of superior speed and accuracy with emphasis given to high production quality on business forms and procedures. Second semester. Prerequisite: Typewriting II or permission of instructor.
201. **Shorthand I.** Credit, four hours. Theory of Gregg shorthand is presented. The ability to take dictation at 60 words a minute and transcribe the material accurately at an acceptable speed is required. First semester.
202. **Shorthand II.** Credit, four hours. A speed-building course designed to increase the student's ability to take dictation with constant stress on vocabulary building and to transcribe shorthand dictation at an acceptable rate of speed. Second semester. Prerequisite: Shorthand I or permission of the instructor.
203. **Shorthand III.** Credit, three hours. Advanced dictation and further vocabulary building is provided, with transcription of dictation at a higher rate of speed. First semester. Prerequisite: Shorthand II.
324. **Office Procedures.** Credit, three hours. Provides an opportunity to coordinate the basic skills with the duties of a secretary. Representative topics presented are personality study, office mail, communication and travel, filing, office equipment, and organization. Second semester. Prerequisites: Typewriting I, Office Machines, or permission of the instructor.
325. **Office Machines.** Credit, three hours. Designed to acquaint the student with the operation of calculators, duplicating equipment, and dictating equipment. First and second semesters. Prerequisite: Typewriting I or permission of instructor.

327. **Business Writing.** Credit, three hours. To educate the student to write effective business letters. This training involves skill in the use of English, knowledge of business principles, and understanding of human nature. First semester, 1968.
430. **Methods of Teaching Business Subjects.** Credit, two hours. The psychology of skill building, specific devices and techniques of teaching of skills, and the objectives and problems in business education are provided. First semester, 1967.
440. **Office Management.** Credit, three hours. Planning and directing the functions of business and professional offices; executive duties and responsibilities, selecting and training of office workers; study of office plans and specifications. 1968.

### SECRETARIAL ADMINISTRATION

The purpose of these curricula is to prepare men and women for positions as executive secretaries. This preparation encourages students to acquire a broad academic background in the liberal arts and business administration; develops the fundamental skills to a high degree; and stresses the importance of effective attitudes and traits.

#### Curriculum for a Major in Secretarial Administration

Total hours required, 45

Required Courses:

Typewriting 103*, 104, 105 .....	7
Shorthand 201*, 202, 203 .....	11
Introductory Accounting 201, 202 .....	6
Office Machines 325 .....	3
Office Procedures 324 .....	3
Business Writing 327 .....	3
Economics 205 and 206 .....	6
Office Management 440 .....	3
Elective (from business administration or economics courses, with the consent of the adviser) .....	3

A minor will be selected from economics, English, history, sociology, science, psychology or foreign languages.

#### Curriculum for a Minor in Secretarial Administration

Total hours required, 25

Required courses:

Typewriting 103* and 104 .....	4
Shorthand 201* and 202 .....	8
Introductory Accounting 201, 202 .....	6
Office Machines 325 .....	3
Office Procedures 324 .....	3
Elective (selected with the consent of the adviser) .....	1-3

\* A student may be exempt from taking this course by passing an examination. No college credit is earned.

## TWO-YEAR GENERAL SECRETARIAL PROGRAM

**Purpose:** To prepare secretarial students for responsible positions in the modern business world by developing their skills to a high degree and by providing an opportunity to enrich their backgrounds within the Business Administration Division and the Liberal Arts College. Students are encouraged to get practical experience by obtaining employment during the regular and summer terms.

Credit hours earned in the two-year program may later be applied toward a Bachelor of Arts in Secondary Education degree or a Bachelor of Science degree.

The Associate of Arts degree will be awarded after the completion of the following program provided students have completed a minimum of 64 semester hours with an overall "C" average.

## **DIVISION OF EDUCATION AND PSYCHOLOGY**

Dr. Butcher, **Chairman**, Dr. Speg, Mr. Riley, Dr. Moler, Mr. Freeland,  
Dr. Ikenberry, Dr. Slonaker, Mr. Rider, Dr. Bates, Miss Borwick,  
Mrs. Bonnett, Mr. Vaughn, Dr. Backus, Mrs. McNealy

### **PROFESSIONAL EDUCATION**

The teacher education program incorporates three areas of preparation: the general education program, the student's elected field, or fields, of specialization, and the professional education program. Objectives of the latter are:

To provide the knowledge, skills, and attitudes necessary for effective planning, presentation, and evaluation of the teaching-learning situation.

To develop an understanding of the characteristics of the learner.

To develop the concepts and generalizations relevant to a tenable theory of learning.

To provide the historical and philosophical perspectives to interpret the functions of the school in modern society.

To develop the desire and ability to grow professionally.

### **SELECTION OF CANDIDATES FOR TEACHER EDUCATION**

A student desiring to enter the teacher education program should indicate his intention during his freshman year and should plan an academic program which will satisfy the requirements of either the Bachelor of Arts in Elementary Education or the Bachelor of Arts in Secondary Education degree. The student's indicated intention to pursue the teacher education program is not tantamount to admission to the program, for recognition and status as a teacher candidate is granted only by the Teacher Education Committee.

Application for status as a teacher candidate is made to the Committee when the student enrolls for the second semester of the sophomore year. At that time, the Committee will appraise the student's record and approve as teacher candidates those students who have demonstrated satisfactory progress in their program of studies, promising scholarship in their field, or fields, of specialization, ability to communicate effectively, interest in professional activities, and who have exhibited no personality traits that would militate against their becoming an effective teacher.

A student whose record reveals some remediable deficiency may be granted provisional status as a teacher candidate until such deficiency is removed. Students denied admission will be informed of reasons for rejection and may appeal to the Committee.

A student desiring to enter the teacher education program after registration for the second semester of his sophomore year will be permitted to apply for entrance to the program when he has satisfied all entrance requirements.

Application to enter the professional block is made when the teacher candidates enroll for the second semester of their junior year. The Teacher Education Committee reviews the applicants' record of progress and promise and considers the recommendations of the Chairmen of the Divisions of their areas of specialization. Approval or denial to enter the professional block is decid-

ed by majority vote of members of the Committee, and the candidates are notified of the decision.

Teacher candidates have the privilege of appearing before the Committee to discuss any matter affecting their status in the program.

### THE PROFESSIONAL BLOCK

The professional block is a semester of professional education courses taken during the teacher candidate's senior year. No other courses nor extra-curricular activities may be scheduled if they would interfere with the pursuit of course work of the block. Exceptions to this policy require permission from the Chairman of the Division of Education, the Academic Dean, and the chairman of the division in which the course is scheduled.

Permission to enroll in the professional block is granted by the Committee to those teacher candidates who possess unqualified status in the program and who have: (1) an average of 2.00, or above, in all courses, (2) an average of \*2.20, or above, in their area, or areas, of specialization, (3) an average of 2.00, or above, in all professional education courses, (4) a minimum mark of "C" in English 101, 102, and Speech 202, (5) passed all sections of the STEP test, and (6) a minimum of 90 hours of course work. Satisfactory completion of Education 201 and 202 is prerequisite for admission to the block.

Courses offered in the professional block include:

Secondary		Elementary	
Required:		Required:	
Ed. 404 .....	4 hrs.	Ed. 402-3 .....	5 hrs.
Ed. (special methods) .....	2 hrs.	Ed. 442 .....	3 hrs.
Ed. 407 .....	6 hrs.	Ed. 406 .....	6 hrs.
Electives:		Electives:	
Ed. 417 .....	3 hrs.	Ed. 417 .....	3 hrs.
Ed. 442 .....	3 hrs.	Ed. (special methods) .....	2 hrs.

A minimum of 20 hours in professional courses is required; a maximum of 28 hours is allowed.

### TEACHING FIELDS

Shepherd College prepares teacher candidates for the below listed areas of specialization. All those who expect to teach on the secondary level must qualify in one comprehensive field or in two non-comprehensive teaching fields or by taking one field in grades 7-12 and one in grades 7-9. Those expecting to teach on the elementary level must qualify in a minor concentration (the course requirements for such fields will be found elsewhere in this catalog.) Areas of specialization offered by the College:

Area	Type of Field	Grade Level
Business Education .....	Comprehensive .....	7 through 12
Secretarial Studies .....	Non-comprehensive .....	7 through 12
Art .....	Non-comprehensive .....	7 through 12
Art .....	Non-comprehensive .....	1 through 12
Art .....	Non-comprehensive .....	5 through 9
Music .....	Comprehensive .....	1 through 12
Music .....	Comprehensive .....	7 through 12
Music (Vocal) .....	Non-comprehensive .....	5 through 9
Music (Instrumental) .....	Non-comprehensive .....	5 through 9

\*The 2.200 requirement for areas of specialization is effective with students entering under the 1967 catalog.

Students majoring in elementary education are required to meet the general education program, professional education, diversified concentration area which enables them to teach in a self-contained classroom, and have a minor concentration which qualifies them to teach in grades 5 through 9 in a departmentalized situation.

Requirements for a minor concentration have been met for social studies in fulfilling the requirements in general education and the diversified concentration. Additional hours required for a minor concentration in other fields are as follows:

Language Arts .....	6 hours
Science .....	15
Music (voice or instrumental) .....	20
Art .....	20
Physical Education .....	14
Home Economics .....	24

Library Science .....	16
French .....	24
Speech .....	18
Mathematics .....	9

For specific requirements for fields in Secondary Education see the offerings of other divisions.

### PROFESSIONAL EDUCATION COURSES

Upper division courses in professional education are open only to students working toward the Bachelor of Arts in Secondary Education or the Bachelor of Arts in Elementary Education degrees and to those students whose minor requirements include such courses.

201. **Human Development.** Credit, three hours. A course designed to acquaint teacher candidates with the physical, social, emotional, and mental growth and development of children and adolescents. Required of all students in the teacher education program.
202. **Human Development.** Credit, three hours. Course content emphasizes a theory of learning, appraisal of student progress, products of the teaching-learning process, and the causal factors of behavior. Required of all students in the teacher education program.
305. **Audio-Visual Aids.** Credit, three hours. The history and philosophy of audio-visual instruction; the proper use of multi-sensory materials and equipment; and the utilization of community resources. The major portion of the time will be devoted to planning for the use of such materials in actual teaching situations.
310. **Educational Sociology.** Credit, three hours. A study of the role of the school in American society.
313. **History and Philosophy of Education.** Credit, three hours. A study of the historical and philosophical backgrounds and development of modern American education and its early European backgrounds. Required of all students in the teacher education program.
- 402-403. **Primary & Intermediate—Integrated Methods, Grades 1-6.** Credit, five or six hours. Planning and directing of learning experiences to stimulate the maximum growth and development of children at each level in each of the special subject areas of the primary and intermediate grades. Students work in basic textbooks and teachers' manuals in each of the subject matter areas and observe in elementary school classes to relate theory and practice. Students are introduced to the contributions of the leading authorities in the various subject fields of the elementary school curriculum.

In summer school this course will be divided and taught in two three-hour courses as Education 402 and Education 403 in alternate years.

404. **Integrated Methods, Grades 7-12.** Credit, four hours. Modern methods and materials for instructing in the secondary schools. First and second semesters.
406. **Directed Teaching in the Elementary School.** Credit, two to six hours. Provides direct contact with the total program of the public schools; the proving ground for the professional preparation which preceded it. The student tests his mastery of subject matter, and develops skill in teacher-pupil relationships and in ability to handle routine matters with ease. First and second semesters.
407. **Directed Teaching in the High School.** Credit, two to six hours. Gives insight through study and observation, and skill through planning and teaching to enable the graduates to handle successfully all types of teaching situations in secondary schools. First and second semesters.

415. **Tests and Measurements.** Credit, two hours. A course designed to develop a knowledge of psychological instruments available for the appraisal of human behavior and skill in administering and interpreting those tests and measurements frequently used in school situations.
417. **Principles and Practices of Guidance.** Credit, three hours. This course emphasizes the role of the classroom teacher in the guidance program of modern elementary and secondary schools. Techniques of guidance to enable children and youth to make wholesome adjustments to modern life will be stressed. Recommended for all future teachers. Interpretation of the results of tests is a part of this course.
- 420-431. **Special Methods.** The special methods courses including the following topics: present status and trends; contribution of the subject to the cardinal objectives of secondary education; fundamental principles and the psychology of learning applicable to the special subject; reorganization of subject matter; methods applicable to the subject; equipment, audio-visual aids, examination of texts and reference books; bibliography; administrative problems; lesson plans worked out in detail for typical units; professional growth.
421. **The Teaching of English.** Credit, two hours.
422. **The Teaching of Social Studies.** Credit, two hours.
423. **The Teaching of Science.** Credit, two hours.
- 423-B. **The Teaching of Science in the Elementary School.** Credit, two hours.
424. **The Teaching of Mathematics.** Credit, two hours.
425. **The Teaching of Foreign Languages.** Credit, two hours.
426. **The Teaching of Music.** Credit, two hours.
427. **The Teaching of Art.** Credit, two hours.
428. **The Teaching of Home Economics at the Secondary Level.** Credit, four hours.
429. **The Teaching of Home Economics at the Adult Level.** Credit, two hours.
430. **The Teaching of Business Subjects.** Credit, two hours.
431. **The Teaching of Physical Education.** Credit, two hours.

Students preparing to teach at the secondary level are required to enroll in a special methods course in one of their fields of specialization. Students preparing to teach at the elementary level may elect special methods in their fields of concentration.

442. **The Teaching of Reading.** Credit, three hours. A basic course in methods, materials, and techniques essential to the teaching of reading at the elementary and secondary levels.
- 403-A. **Problems in Elementary Education.** Credit, one to six hours. This course is recommended for in-service elementary teachers. Specific objectives will be worked out with participants, who will choose the area in which they wish to work either individually or with a group. Methods, principles of teaching, materials of instruction, guidance, and other items related to the field of elementary education will be taken up as required.
- 404-B. **Problems in Secondary Education.** Credit, one to six hours. This course is recommended for in-service secondary teachers. Specific objectives will be worked out with the participants, who will choose the area in which they wish to work either individually or with a group. General

and specific methods, materials of instruction, guidance, and other items related to the field of secondary education will be taken up as a workshop experience.

435. **Introduction to the Study of Exceptional Children.** Credit, three hours. A foundation course designed to acquaint the student with the nature of special education and the exceptional children enrolled in its various programs. The course content will center about: (1) the areas of exceptionality and their incidence and (2) current educational methods and provisions for the exceptional child.

## **THE COOPERATIVE TRAINING PROGRAM**

### **Faculty Teaching Courses in the Education of the Deaf**

Eldon E. Shipman, M. A., Superintendent; Winfield McChord, M. S.; Sidney Wolff, M. S.; Virginia Pancake, M. A.; Anne Pancake, B. A.

### **Faculty Teaching Courses in the Education of the Blind**

Seldon W. Brannon, M. A.; Kelton Roten, M. A.; Mrs. Esther Sigafosse Brown, M. A.; Mrs. Hannah H. Smith, M. A.

Recognizing the need for teachers of the deaf and the blind child, the West Virginia State Board of Education, Shepherd College, and the West Virginia Schools for the Deaf and the Blind have undertaken a cooperative program designed to train teachers in these two areas of special education.

Students desiring to enter the program must fulfill all requirements of the regular teacher education program leading to the Professional Block. One semester of instruction in methods and supervised teaching on the campus of the West Virginia School for the Deaf and the Blind at Romney is substituted for the regular Professional Block.

The cost of the student's tuition, board, and room while on the campus at Romney is assumed by the West Virginia Board of Education.

Any student desiring further information concerning the program or wishing to apply should contact the Chairman of the Education Division.

The Professional Block for training to teach the deaf includes:

443. **The Teaching of Speech to the Deaf.** Credit, four hours.  
 444. **The Teaching of Language to the Deaf,** Credit, four hours.  
 445. **Communication with the Deaf.** Credit, two hours. (This is an optional course and not required for a teachers certificate.)  
 408. **Directed Teaching with Deaf Children.** Credit, eight hours.

The Professional Block for training to teach the blind includes:

341. **Teaching of Braille Reading and Writing to the Blind.** Credit, three hours.  
 342. **Methods of Teaching Blind Children, Elementary Grades,** Credit, three hours.  
 343. **Methods of Teaching Blind Children, Secondary School Level.** Credit, three hours.  
 409. **Directed Teaching with Blind Children.** Credit, eight hours.

## **CERTIFICATION OF TEACHERS**

### **Application, Recommendation, and Renewal**

Each teacher, in order to be eligible to teach in West Virginia and to receive pay, must apply for a teacher's certificate through a college, county superintendent or the State Department of Education.

The Professional Certificate must be recommended by a college. For the Professional Certificate, the college can recommend a teacher for a certificate provided that the teacher has completed at that college (1) the major portion of his professional requirements or (2) the work required in directed teaching and methods.

Recommendations for original permits, reissuance of permits, special permits, and all renewals are made through the county superintendent. For reissuance of an emergency permit, a teacher holding such a permit must complete six semester hours of **required** work with a "C" average, subsequent to the issuance of his last emergency permit. Failure to observe this regulation will cause a lowering of the grade of permit and a consequent decrease in pay.

Before a teacher will be eligible for a renewal of his Professional Certificate he must (1) complete six semester hours of credit in accordance with an approved agreement (residence or extension) in an approved institution within the five-year period immediately preceding the date of application for renewal, or present evidence that he:

- a. has been granted a master's degree
- b. has approved travel credit
- c. has credit for six months of military service or
- d. is sixty years of age.

Applications must be sent by the college or county superintendent directly to the State Department of Education. No application will be accepted by the State Department if received from the applicant.

**IT IS THE PRIMARY RESPONSIBILITY OF EACH STUDENT AND TEACHER TO SEE THAT HE MEETS REQUIREMENTS FOR HIS CERTIFICATE AND FOR RENEWAL OF HIS CERTIFICATE.** Requirements for the various certificates may be obtained from the Office of the Registrar.

### **Scholarship Requirements for all Certificates**

A "C" average is required: (1) On the total college credits earned; (2) on the hours earned in professional subjects, excluding directed teaching; (3) in each of the teaching fields; (4) in directed teaching. C grades are required in each of the three basic English courses.

### **Extension and Correspondence Credit**

The amount of extension and correspondence credit allowed for certification is:

1. Third Class Permit—12 Semester hours
2. Second Class Permit—18 Semester hours
3. First Class Certificate—28 semester hours

Credits earned by correspondence after July 1, 1934, will not be accepted by the State Department of Education for certification of teachers with the exception of those earned through colleges and universities cooperating with the United States Armed Forces Institute. Correspondence credit completed before July 1, 1934, if used for certification shall be included with the maximum permitted for extension.

### **Maximum Credit Allowed for Teachers in Service**

Within the school year, a teacher in service may earn a maximum of nine semester hours of credit. No more than six semester hours can be earned in any one semester.

### **Changes from Elementary to Secondary Certificates:**

1. Teachers holding the regular Professional Elementary Certificate who desire to qualify for a regular Professional High School Certificate shall meet the regular teaching field requirements or qualify under the revised program

outlined in the current State Certification Bulletin. The twenty semester hours in professional courses, exclusive of strictly elementary education courses, shall include five hours in directed teaching on the high school level or three hours in directed teaching on the high school level and three years of successful teaching experience, and a total of six hours in advanced educational psychology and secondary principles, methods, and management.

- Scholastic and other requirements now authorized by the West Virginia Board of Education for the Professional High School Certificate shall remain in effect.

### Duplicate Certificates

A certificate can be duplicated only in case of permanent loss or destruction. A \$1.00 fee is required. A certificate which has expired cannot be duplicated.

### Validity of Certificates

Professional and Provisional Professional Elementary Certificates are valid in the first nine grades of the public schools.

High School Certificates are valid in the junior and senior high schools only with the following exception:

Professional and Provisional Professional High School Certificates are valid in the elementary schools for those teachers who have had at least one year's experience as a regular teacher in the elementary schools prior to June 30, 1934.

The Public School and Special Nonacademic Certificates are valid in all twelve grades of the public schools.

### Substitute Teachers

Substitute teachers are certified on the same basis as teachers regularly employed.

### Revocation of Certificates

Any certificate issued by the West Virginia Department of Education is revocable on grounds of immorality, gross neglect of duty, or for any cause that would have justified withholding the certificate when it was granted; provided the teacher is given notice in writing and an opportunity to appear in his defense

### College Residence Requirements for Certification

Colleges may recommend for certification graduates of other properly accredited institutions who earn a major portion of their professional requirements, or complete the courses in directed teaching and methods, in the institution making the recommendation; providing that all other requirements are met.

## PSYCHOLOGY

The requirements of the minor are designed to provide a broad base of knowledge for future study in this area.

### Curriculum for a Minor in Psychology

Total hours required ..... 23

Required courses: 20 hrs.

General Psychology 103, 104 .....	6
Human Development—Ed. 201, 202 .....	6
Social Psychology 205 .....	3
Psychology of Mental Health 302 .....	3
Tests and Measurements—Ed. 415 .....	2

Electives: 3 hrs.

Abnormal Psychology 360 .....	3
Psychology of Personality 310 .....	3

101. **Psychology of Personal Development.** Credit, one hour. The course presents and analyzes many of the problems of college life and attempts to stimulate individual and group thinking under the guidance of the instructor. (Required in general education curriculum.)

103-104. **General Psychology.** Credit, six hours. A two semester introductory course designed to acquaint the student with the components, problems, and techniques of studying human behavior. Offered yearly.

205. **Social Psychology.** Credit, three hours. A study of the interaction of individuals in group situations, the products of collective activity, and their influence upon the individual. Prerequisites: Psych. 103-104 or Ed. 201-202. Offered in the spring semester of even years.

302. **Psychology of Mental Health.** Credit, three hours. A course concerned with the dynamics of human adjustment to environmental demands. Prerequisites: Psych. 103-104 or Ed. 201-202. Offered in the fall semester of the odd years.

310. **Psychology of Personality.** Credit, three hours. A study of a variety of theories of personality determinants, structure, and functioning. Prerequisites: Psych. 103-104 or Ed. 201, 202. Offered in the fall semester of even years.
360. **Abnormal Psychology.** Credit, three hours. A study of the classifications, dynamics, symptoms, and treatment of abnormal behavior. Prerequisites: Psych. 103-104 or Ed. 201-202. Offered in the spring semester of odd years.
322. **Mental Hygiene for Teachers.** Credit, three hours. A study of the principles of mental health and their application in establishing optimal learning situations in the classroom. Offered on demand.

**The Little House used in Teacher Training**

Prospective teachers prepare for student teaching.

## **DIVISION OF FINE ARTS**

Dr. Frank, **Chairman**, Mr. Coy, Mr. Moreland, Mr. Morton,  
Mr. Skinner.

### **ART**

#### **Purposes:**

The Art Department concentrates on providing opportunities for the student's self-discovery and research within the various areas of the visual arts. The program is designed to give the student a diversified background in art, to encourage and challenge the individual to grow creatively and professionally as an integrated artist and teacher, and to develop and preserve an interest in art through an understanding of the creative process, the basic theories of aesthetics, the nature of art materials and processes, and the philosophical and technical aspects of both historical and contemporary art forms.

The Art Department offers courses leading to the Bachelor of Arts degree with a major or minor in art, the Bachelor of Arts degree in education with a field of specialization in art for classroom teaching on the secondary level (grades 7 through 12) and the elementary level (grades 5 through 9). A curriculum for a Bachelor of Arts degree with a field of specialization in art for classroom teaching in grades one through twelve is also offered.

Courses offered by the Art Department are open to all college students within the limits of specific course prerequisites and the consent of the instructor.

#### **Special Requirements for Art Curriculum Students:**

##### **1. Selection of Art Curriculum Candidates:**

In recognition of the fact that art is a specialized field and requires a certain degree of aptitude, a student desiring to enter the art curriculum for the purposes of completing the requirements for a major, minor, elementary or secondary teaching field is required to submit a formal application to the department chairman prior to the commencement of his or her studies. Application forms may be secured from the Art Department Chairman. Matriculation and the desire to pursue the art curriculum is not tantamount to admission to the art program, since the Art Department reserves the right to review the applicant's work for evidence of progress and promise upon the completion of four (4) credit hours of art courses. At that time, the Art Department will appraise the student's work and approve the applicant as an art curriculum student, grant provisional status as an art curriculum student, or deny admission to the art program.

If the student is granted provisional status, the Art Department may suggest means whereby the weaknesses of the student can be rectified.

After the evaluation of a candidate's work, a written notice will be submitted to the student explaining his or her status.

##### **2. Transfer Students:**

A transfer student may submit a portfolio and curriculum vitae for the approval of the Art Department in lieu of the probationary period specified for the beginning art student. The Art Department will appraise the student's work and approve the applicant as an art curriculum student, grant provisional status, or deny admission to the art program.

##### **3. Time Requirements:**

In order to pursue a reasonable and logical program of study, it is suggested that a student begin his or her study during the fall semester and adhere to the recommended sequence of courses. Also, since the Art Department

believes that it is desirable for the student to allow sufficient time for growth and maturation, it is recommended that the student complete the art curriculum requirements during a period of eight (8) semesters. A student will not be permitted to complete all of the required art courses in a period lasting less than two years. A student expecting to pursue a program of study in art should submit a formal application to the Art Department prior to the opening of the semester in which the candidate expects to obtain junior standing.

Suggested four-year schedules are listed on pages 90 and 91 of the catalog.

#### 4. Deficiencies:

The Art Department reserves the right to review the work of the approved art curriculum student in order to discern deficiencies in the education of the student and to provide means (independent study, studio work, auditing, additional courses, etc.) whereby the student may rectify his weaknesses.

All art curriculum students are required to maintain a portfolio of their studio work.

#### 5. Senior Art Exhibition or Project:

Students enrolled in the art curriculum leading to a Bachelor of Arts with a major in art or a Bachelor of Arts degree in education with a field of specialization in art for classroom teaching on the secondary level (grades 7 through 12) are required to present an exhibit of their work during their senior year. The student must obtain the sanction of the art faculty prior to the exhibits. Students are expected to request permission to exhibit during the first two weeks of their senior year. Art curriculum students not granted permission to exhibit must complete a faculty-approved project of significant proportions.

#### 6. Supplies:

In most situations the individual is responsible for securing his own supplies.

The College Bookstore maintains a complete stock of the required materials.

### Curriculum for the Bachelor of Arts Degree with a Major in Art

Total semester hours required ..... 37

Required courses 33 hours:

Introduction to the Visual Arts 102 .....	2
Introduction to Drawing and Lettering 110 .....	3
Drawing 111 .....	2
Basic Design 112 .....	3
History of Western Art 201 .....	2
Advanced Drawing 210 .....	2

### **Art History Courses:**

102. **Introduction to the Visual Arts.** Credit, two hours. An introductory course open to the student who anticipates enrolling in the art curriculum.

Lectures, museum visits, and studio work and demonstrations provide background material to stimulate an understanding of the visual arts and their relationship to the individual and contemporary society. The course involves a general survey of some of the past and present form of painting, sculpture, and architecture. Art curriculum students and students who anticipate enrolling in the art curriculum are expected to enroll in Art 102. Prerequisite: Permission of the Art Department. First semester.

103. **Introduction to the Visual Arts.** Credit, two hours. An introductory course required of all students designed to give insight into the nature of the visual arts and their relationship to contemporary life. A study of the language and functions of painting, sculpture and architecture, the development of styles, aesthetic principles, and the ideas of art are surveyed. Note: Art 103 may be used by the art curriculum student in lieu of Art 102 only with the permission of the Art Department. First and second semesters.
201. **History of Western Art.** Credit, two hours. An historical survey of the major development in architecture, sculpture, and painting of the Western World from prehistoric times to the eighteenth century, including the arts of Egypt, Greece, Rome, the early Christian era, the Middle Ages, the Romanesque, Gothic, Renaissance, Baroque and Rococo periods. Prerequisite: Art 102 or Art 103. Second semester.
401. **Movements in Contemporary Art.** Credit, two hours. The visual arts of the 19th and 20th century are investigated in depth. A study is made of the history and philosophy of the various movements, their origins and growth, and the relationship of their development to contemporary culture and thought. First semester.
409. **American Art.** Credit, two hours. The history of American art from 1700 to the present day is studied. Field trips are made and museums are visited. On demand.

### Studio Art Courses:

110. **Introduction to Drawing and Lettering.** Credit, three hours. A variety of media are explored for a fundamental knowledge of creative expression. Observation, memory training and composition are stressed. The basic pen and brush techniques and styles of lettering are introduced in this course. First semester.
111. **Drawing.** Credit, two hours. A continuation of Art 110. Additional media are introduced and a study of the human figure is emphasized. Prerequisite: Art 110. Second semester.
112. **Basic Design.** Credit, three hours. An introductory study of design fundamentals involving the elements and principles of visual organization as used in the fine arts and industry. Experimental problems in two and three dimensional design are presented. This course is a prerequisite to all advanced study in art. Second semester.
210. **Advanced Drawing.** Credit, two hours. A continuation of the basic drawing courses, Art 110 and 111. The course is directed toward the further development of skill in composition and drawing technique. An emphasis is placed on pictorial organization and recognition of individual interpretation and development. Prerequisite: Two semester hours of drawing. Second semester.
213. **Introduction to Oil Painting.** Credit, two hours. An introduction to the materials, philosophies, techniques and processes of the painter. Painting is approached as a creative experience through the study of natural and imaginative forms. The individual's attitude toward painting is guided through problems of design and meaning in the creation of visual forms

and images. Prerequisite: Art curriculum students—Art 112 and Art 110; other students—the consent of the instructor. First semester.

216. **Jewelry.** Credit, two hours. An understanding of the nature of the art materials and processes involved in the craft of jewelry making are explored. Silver, copper, wood and stones are utilized in the designs planned and executed by the student. First semester.
312. **Applied Design.** Credit, three hours. The principles of design are applied by the student to the areas of interior design, stagecraft and scene design, and the design of exhibits, commercial and utilitarian objects. Prerequisite: Art 112. On demand.
313. **Oil Painting.** Credit, two to five hours. A continuation of Art 213. The course is directed toward the further development of skill in composition and painting techniques. Representational and abstract directions are considered, depending on the individual's interest and experience. Prerequisite: Art 213. Second semester.
315. **Graphics.** Credit, two hours. Various methods of printmaking are investigated, including woodcut, linoleum, drypoint, aquatint, etching and serigraphy. First semester.
316. **Introductory Crafts.** Credit, three hours. The course provides the student with the opportunity to design simple craft items. Some of the projects and materials introduced are cloth, wood, clay, metal, glass, mosaics and enameling. Second semester.
317. **Sculpture.** Credit, three hours. An introductory study of three-dimensional form. An opportunity is provided for the development of a fundamental knowledge concerning the elements of sculpture, including a variety of media, methods of construction, composition and evaluation. First semester.
318. **Ceramics.** Credit, three hours. An investigation is made of the forming, decorating, and firing of objects of clay. The experiences include wheel throwing, the primitive methods of constructing a vase by hand, slip painting and glazing. Second semester.
411. **Commercial Art.** Credit, three hours. The course includes the development of design concepts relative to advertising, the problems in composition and pictorial organization, layout and lettering. On demand.
414. **Water Color Painting.** Credit, three hours. An introduction in which the possibilities and limitations of the watercolor medium are explored through experimentation and demonstration. Prerequisite: Art curriculum students—Art 112 and four hours of drawing; other students—permission of the instructor. First semester.
419. **Studio Research.** Credit, one to four hours. A course designed to enable art curriculum students to obtain criticism and guidance in work of the advanced student's own choosing in the following areas: (1) drawing; (2) ceramics; (3) sculpture; (4) graphics; (5) water color painting; (6) oil painting (7) jewelry; or (8) crafts. The art curriculum student is encouraged to become cognizant of the importance of his own philosophy, concepts, techniques and approach to art. Prerequisite: Thirty semester hours of art and the permission of the Art Department. On demand.

### Art Education Courses:

320. **Art in Elementary Education.** Credit, two hours. A study is made of the development of Art Education in the United States and its present-day aims and practices. An analysis of the problems encountered in classroom situations in the elementary school; the child's changing needs for artistic expression; parallel growth in creative and mental development; methods

of motivation for different age levels and classroom situations are studied in order to help the elementary teacher build within the curriculum a broad diversified program of art. First semester.

322. **Arts and Crafts for the Elementary School.** Credit, two hours. Emphasis is placed upon the functional activities that can be carried out in the art program of the elementary school. By experiencing the type of projects expected of children, there is an opportunity for the student to become acquainted with the various media of art expression. A variety of art techniques, processes, media, materials and tools are demonstrated. Some art techniques and processes are introduced and organized into subject matter units of work suitable for various grade levels. Prerequisite: Art 320. Second semester.
427. **The Teaching of Art.** Credit, two hours. A study is made of the development of Art Education in the United States and its present-day aims and practices. The problems encountered in classroom situations on the secondary level; the individual's changing needs for artistic expression; parallel growth in creative and mental development; methods and techniques to develop confidence and skill during adolescence are studied. Art units for the various grade levels are organized and taught. First semester.

**RECOMMENDED SEQUENCE OF COURSES FOR THE STUDENT ENROLLED IN THE CURRICULUM FOR THE BACHELOR OF ARTS DEGREE WITH A FIELD OF SPECIALIZATION IN ART FOR CLASSROOM TEACHING IN GRADES 7 THROUGH 12**

**Freshman Year**

First Semester		Second Semester

Electives .....	9			
	17			17

Electives will need to be used to satisfy requirements for a minor.

## MUSIC

Objectives: (1) to contribute to the development of the mature personality through a greater perception, understanding and appreciation of worthwhile music; (2) to prepare students for public school music careers according to approved standards of teacher education; (3) to provide training for students preparing for non-teaching careers in music.

The Music Department offers courses leading to the Bachelor of Arts degree in Music, and in Music Education.

Two Minor programs are available, one for non-teachers and the other for Elementary Education students.

Courses offered by the Music Department are open to all college students within the limits of specific course prerequisites. The general student interested in music as an avocation is encouraged to participate in band and choir or in other activities of the department.

**Special Requirements for Music Majors.** In addition to prescribed courses it is expected that all music majors will complete satisfactorily certain other requirements:

1. **Ensemble Participation.** All music majors are required to participate in an appropriate ensemble for each and every semester of their college careers, with or without credit. Music minors also are expected to participate in as much ensemble work as circumstances will allow. A maximum of six hours of credit may be obtained through ensemble participation.

2. **Piano Proficiency.** Non-keyboard Music Education majors are required to pass a proficiency level examination in piano before they can be recommended by the Music Department for admittance to the Teacher Education Professional Block. The examination may be taken several times until a sufficient level is evidenced. Details are spelled out in the office of the department chairman.

3. **Senior Recital or Project.** Music majors who show proficiency as performers are required to appear in a senior recital during the final year, on recommendation of the music faculty. Music majors not presented in senior recital are required to complete a faculty-approved project of significant proportions.

4. **Attendance at Musical Events.** Music majors and minors are expected to attend college and community concerts, recitals, and music programs in order to acquire a more comprehensive background in music literature than can be gained through class participation alone.

**MENC Student Chapter.** Music students can affiliate with professional music educators and with music students from other colleges in the United

States through membership in a student chapter of the Music Educators National Conference. This organization affords excellent opportunities for professional orientation and development during the college years.

**Supervised Teaching in Music.** Students making application for supervised teaching in the music field will be recommended subject to the approval of the music faculty and the teacher education committee. The criteria for approval involves a review of the student's general qualifications and academic record. Students not recommended for supervised teaching may request a re-evaluation after not less than one semester or two summer sessions, during which time it is expected that specified deficiencies will have been corrected.

**Job Opportunities in Music.** Job opportunities in music in recent years, especially in public school, have greatly increased until the demand far exceeds the supply. Shepherd College music graduates have had numerous positions from which to choose at salaries uniformly high. Current indications point to an even greater demand for trained personnel of this type in the foreseeable future.

### **Curriculum for the Bachelor of Arts Degree with a Major in Music**

Required hours: 41

Music as an Art and Science 101 .....	3
Music Theory 102 .....	3
Music Theory 201 .....	3
Counterpoint 202 .....	3
Arranging 303 .....	2

### MUSIC THEORY

100. **Music an Art and Science.** This is the basic music theory course required of all Elementary Education majors. Reading, writing, and playing music are the basic activities. Rhythmic notation, scales, triads, seventh chords, non-harmonic tones, and modulation are presented through programmed instruction and lecture. Individual projects in writing and performing music are required. Two hours, first and second semesters. (Note: This course was listed in prior catalogs as Music 101).
101. **Music as an Art and Science.** This is the basic music theory course required of all music majors. Generally, it covers the same material as Music 100 (described above), but in greater depth. In addition, much emphasis is placed on harmonic part-writing. Three hours, first semester. (Note: Music 101 for music majors was formerly a two hour course).
102. **Music Theory.** A study of harmonic progressions in four-part texture involving the use of diatonic triads and seventh chords and their inversions, non-harmonic tones and modulation to related tonal centers. Sight-singing and dictation are included, and creative writing is emphasized. Prerequisite: Music 101. Three hours, second semester.

201. **Music Theory.** A study of harmonic progressions involving the use of altered triads and seventh chords, augmented sixth chords, modulation to more remote tonal centers, and four-part chorale harmonizations using the complete harmonic equipment as found in the Bach chorales. Also a survey of the evolution of modern harmonic systems, techniques, and devices. Sight-singing and dictation are included, and creative writing is emphasized. Prerequisite: Music 102. Three hours, first semester.
202. **Counterpoint.** A study of the practices and techniques of the contrapuntal art of the 18th century, and an investigation of the invention, chorale prelude, fugue, and other polyphonic forms. Creative writing is emphasized. Prerequisite: Music 201. Three hours, second semester.
303. **Arranging.** The study of transpositions, ranges, registers, timbres and idiomatic writing for standard orchestral and band instruments, and practical work in arranging for large and small choral and instrumental ensembles. Two hours, first or second semester.
304. **Form and Analysis.** The analysis and composition of homophonic forms from the simple phrase through the one-movement forms, and a survey of the larger musical structures. Both vocal and instrumental forms are studied. Prerequisite: Music 102. Three hours, first or second semester.

### MUSIC HISTORY AND LITERATURE

111. **Music Appreciation.** This course is required of all students as a part of the general education requirement in Fine Arts. It is designed to develop an appreciation and understanding of the significance of music in our civilization, and to help the student in the cultivation of intelligent listening habits. It embraces the areas of acoustics, aesthetics, and music history. Important terminology, styles, forms, composers, compositions, and trends are considered. Two hours, each semester.
311. **Music History.** A study of the evolution of the musical art from antiquity through the early Christian, Romanesque, Gothic, Renaissance, and Baroque periods. Three hours, first semester.
312. **Music History.** A study of music and musicians of the Classical, Romantic and Modern periods, with an extensive survey of the contemporary scene. Three hours, second semester.
314. **Masterpieces of Music.** A course for music student and dilettante designed to furnish pertinent background and information about important compositions and their composers. Selected orchestral and choral masterpieces are discussed and analyzed, with special emphasis placed on musical aesthetics. Two hours, on demand.
411. **Symphonic Literature.** A study of the evolution of important forms of symphonic literature, with special emphasis given to the Symphony and the Concerto. The development of the modern orchestra, and the art of orchestration are also considered. Three hours, on demand. (Note: Music 411 was formerly a two hour course).
412. **Opera.** The study of the evolution of the standard types of operatic form from the early Baroque period to the contemporary scene. Selected operas regarded as especially important are analyzed. Three hours, on demand. (Note: Music 412 was formerly a two hour course).
421. **Music Research and Independent Study.** Qualified seniors may pursue a course of independent study in their major area under the supervision of the appropriate faculty adviser. Students selected must exhibit outstanding ability and scholarship in their chosen area, and must meet the requirements for the Independent Study Program as outlined elsewhere in this catalog. One to three hours.

## MUSIC EDUCATION

226. **Music Methods and Procedures.** This course is required of all Elementary Education majors, and is a study of the music program of the elementary schools. Music and teaching methods are presented for the areas of singing, listening, rhythmic responses, the use of recordings, melody instruments, tuned and non-tuned rhythm instruments, and for creative experiences. Prerequisite: Permission of the instructor. Three hours, second semester.
325. **Choral Conducting.** A study of the problems of the choral conductor: conducting skills, organization, seating, repertoire, rehearsal and performance, the use of accompaniment, interpretive analysis of vocal literature (both sacred and secular), and how to select and build a choral library. Opportunities given for practical experience in conducting. Prerequisite: Music 102. Three hours, first or second semester.
326. **Instrumental Conducting.** A study of the art and technique of directing instrumental groups. Included are such considerations as score-reading, baton technique, style, interpretation, rehearsal procedures, and practical experience directing college instrumental ensembles. Prerequisite: Music 102. Three hours, first or second semester.
329. **Music Education Workshop.** A workshop designed to meet problems in music pedagogy pertinent to elementary teachers. Special emphasis is placed on the study of new materials and teaching techniques. One hour, on demand (summer only).
330. **Workshop in Classroom Instruments.** The study and playing of simple classroom instruments (Auto-harp, Guitar, Recorder and Song Flute, Melody Bells, Piano Chording, and Rhythm instruments). Emphasis placed on scoring as well as improvisation of accompaniment. Prerequisite: Permission of the instructor. Two hours, on demand or during summer session.
426. **The Teaching of Music** (Education 426). A methods course in music for the secondary level (see Professional Education Block requirements). Prerequisites: Music 325, Music 326. Two hours, first or second semester.
427. **Instrument Survey and Repair.** A course designed for the instrumental student who intends to teach. Laboratory experience in the maintenance and repair of band and orchestral instruments is an important part of the course. A general review of the instruments is included. Prerequisite: permission of the instructor. Two hours, first or second semester.
431. **Opera Workshop.** A laboratory experience in the musical and dramatic production of opera or musical comedy. An application of the theatrical principles of stagecraft, direction, lighting and costuming to lyric theatre. Prerequisite: permission of the instructor. Two hours, on demand.
432. **Opera Workshop.** A continuation of Opera Workshop 431. Prerequisite: Music 431. Two hours, on demand.

## ENSEMBLE

Ensemble work may be taken with or without credit, and the general college student is encouraged to participate. The same course number can be applied twice for credit. A maximum of six hours of credit may be granted for ensemble participation.

- 251, 351. **Band.** The reading and performance of band literature, and the participation in campus and off-campus concerts and programs. Open to all college students by consent of the professor. One hour or by audit, first and second semesters.
- 253, 353. **Choir.** Choral literature from all periods of music history are studied and performed in campus and off-campus concerts and programs. Open to all college students by consent of the professor. One hour or by audit, first and second semesters.

- 358, 458. **Instrumental Ensemble.** A course designed to give the instrumental student experience in playing in small, standard ensemble groups, and to acquaint him with the ensemble literature. Open to all college students by consent of the professor. One hour or by audit, first and second semesters.
- 360, 460. **Choral Ensemble.** A course designed to give opportunities for singing in small choral ensembles. Madrigal music from the 15th and 16th centuries studied with regard to vocal technique and style. Open to all college students by consent of the professor. One hour or by audit, first and second semesters.

### APPLIED

Music Education majors are required to take a minimum of eighteen credit hours of applied music during their college careers. The following requirements pertain to the specific major performing areas:

	Applied Instrumental	Applied Voice	Applied Piano
Instrumental Students .....	12 hours	2 hours	4 hours
Voice students .....	6 hours	8 hours	4 hours
Piano students .....	6 hours	2 hours	10 hours

(Note: Organ students will substitute organ for piano, or take a combination of both).

### Group Applied

- 135, 136. **Class Piano.** This course is designed for beginning students of piano, who as members of a group, can profit from each other in solving initial problems related to keyboard performance. Prerequisite: Permission of the instructor. One hour, first and second semesters.
- 137, 138. **Voice Class.** This course is designed for the beginning student of voice. Voice placement, breathing, tone, diction, phrasing and other vocal skills are stressed through the use of correlated group vocalization and song literature. Prerequisite: Permission of the instructor. One hour, first and second semesters.
231. **Woodwinds.** The study of general problems related to the woodwinds. Students learn to play representative instruments of the family. One hour, first or second semester.
232. **Brass Instruments.** The study of general problems related to the brass instruments. Students learn to play representative instruments of the family. One hour, first or second semester.
233. **Strings.** The study of general problems related to the strings. Students learn to play representative instruments of the family. One hour, first or second semester.
234. **Percussion.** The study of general problems related to the percussion instruments. Students learn to play representative instruments of the family. One hour, first or second semester.

### Private Applied

Private applied lessons are available to all college students by consent of the appropriate professor, and may be taken for one or two hours of credit per semester. One credit hour is based on one half-hour lesson plus a minimum of three hours of practice per week. Two credit hours are based on two half-hour lessons plus a minimum of six hours of practice per week. The same course number can be applied any number of times for credit. Students are rated according to six performance levels spelled out for each applied area in the office of the department chairman. Freshmen must take applied music for lower division credit, regardless of level. Upperclassmen may take applied music for upper division credit on the basis of a performance level of four or better.

- 161, 361. **Piano.** Private piano instruction is offered on all levels, and aims at the development of individual proficiency in technique and interpretation through the study and performance of the various keyboard styles found in the piano literature. One or two hours, first and second semesters.
- 165, 365. **Organ.** Private organ instruction is offered on all levels, and deals with the idiomatic problems of technique and interpretation characteristics of this instrument as found in the standard literature. One or two hours, first and second semesters.
- 171, 371. **Voice.** Advanced vocal instruction in interpretation of vocal style and technique. Individual proficiency stressed in tone placement, phrasing, diction, and other vocal skills. Prerequisite: Voice Class or permission of the instructor. One or two hours, first and second semesters.
- 181, 381. **Instruments.** Private instrumental instruction stresses the development of individual proficiency through the study of proper technique, embouchure, breath control, and so forth. Standard methods and solo literature for the specific instruments are studied. One or two hours, first and second semesters.

Instruction is available on the following instruments:

Violin	Oboe	French Horn
Viola	Clarinet	Trombone
Cello	Saxophone	Baritone Horn
String Bass	Bassoon	Tuba
Flute	Trumpet	Percussion

Members of The Shepherd College Choir

The Choir is one of the most active organizations on campus

## DIVISION OF HEALTH AND PHYSICAL EDUCATION

Mr. Fieger, **Chairman**, Dr. Cree, Miss Hammer, Miss Holden  
and Mr. Rigglesman

**Purposes:** (1) To improve the quality of living by providing opportunities for students to acquire scientific knowledge, favorable attitudes, and desirable habits of personal and community health, (2) to prepare teachers of health education, physical education, recreation, and athletic coaches for the secondary schools, (3) to prepare elementary school teachers to assume their responsibilities for the health education and physical education of their pupils, (4) to prepare students to enter graduate schools, and (5) to provide opportunities for students and faculty to participate in a variety of recreational activities, (6) to provide opportunities for students to become corrective therapists, (7) to prepare students to enter physical therapy and occupational therapy programs and (8) to prepare first aid and water safety instructors.

### Special Requirements for a Major and a Teaching Field in Health and Physical Education

In addition to the required courses for a teaching field in physical education, it is expected that all students working for a degree with a major teaching field in physical education will complete the following:

1. Pass a motor educability test and a motor achievement test, making scores that are acceptable to the division.
2. Participate in one or more field experiences with children and youth for a period acceptable to the division. These experiences may be as sports officials (coaching little league, etc.), club leadership work (4-H, boy scouts, girl scouts, YMCA, YWCA), playground recreation leadership, camp counseling, water safety and first aid instruction, church club leadership, and many other comparable activities.
3. Serve as a student assistant for one semester in P.E. 121 or P.E. 122.
4. Participate in either the intercollegiate athletic or intramural programs or both.<sup>5</sup>

### Curriculum for a Major and a Teaching Field in Physical Education Grades 7-12

Required courses, 37 hours:

Personal and Community Hygiene 103 .....	3
Curriculum in Physical Education 310 .....	2
School Health Problems 312 .....	2
Community Recreation 314 .....	2
History of Physical Education 325 .....	2
Adapted Physical Education 401 .....	2
Kinesiology 405 <sup>6</sup> .....	3
Administration of Health and Physical Education 406 .....	3
Tests and Measurements in Physical Education 410 .....	2

Theory and Practice of Physical Education, 15 hours, as follows:

Team Sports:<sup>1</sup>

	Men	Women
Team Sports 311 .....	2	2
Theory and Practice of Coaching Football 305 .....	1	
Theory and Practice of Coaching Baseball 306 .....	1	
Theory and Practice of Coaching Basketball 307 .....	1	1
Theory and Practice of Coaching Track and Field 308 .....	1	1

**Recreational or Individual Activities:<sup>2</sup>**

Swimming .....	1	1
Theory and Practice of Coaching Wrestling 208M .....	1	
Tumbling and Gymnastics 209 .....	1	1
Individual and Dual Sports 313 .....	2	2

**Rhythmic Activities:<sup>3</sup>**

Folk and Square Dancing 320 and/or		
Social Dancing 321, Rhythms for Children 221 .....	2-or-1	2
Modern Dancing 322 .....		1

**School and Community Activities:<sup>4</sup>**

Games 201 .....	2	2
First Aid 303 a.b.c. ....		3
Care and Prevention of Athletic Injuries 304 .....	2	

<sup>1</sup> Team sports include baseball, football, basketball, volleyball, speedball, soccer, softball, touch football, field hockey, and track and field.

<sup>2</sup> Recreational activities include individual and dual sports, swimming, archery, golf, tennis, badminton, table tennis, wrestling, tumbling, and gymnastics.

<sup>3</sup> Rhythmic activities include folk and square dancing, social dancing, modern dancing, and rhythms for children.

<sup>4</sup> School and community activities include games, first aid, care and prevention of athletic injuries, camp counseling and outdoor education, leadership and community recreation.

<sup>5</sup> No credit in physical education will be allowed for participation in intercollegiate athletics or intramurals.

<sup>6</sup> Biology 307 and 308 are prerequisites for Kinesiology.

**Second Teaching Field**

Students who elect physical education as a teaching field must choose their second field in one of the following areas for Grades 7-12: Art, English, French, Library Science, and Mathematics. A second teaching field in General Science may be chosen for Grades 7-9. Course requirements for these fields will be found elsewhere in the catalog.

### **Curriculum for Corrective Therapy**

Students taking a teaching field in physical education may also make application through their division chairman for Physical Education 408—Field Work in Corrective Therapy—at the V.A.C. Training Center, Martinsburg, West Virginia.

## **HEALTH AND PHYSICAL EDUCATION COURSES**

101. **Beginning Swimming.** Credit, one hour. The purpose of this course is to teach a student basic strokes in swimming. First semester.
103. **Personal and Community Hygiene.** Credit, three hours. The purpose of this course is to improve the quality of living by providing opportunities for students to acquire scientific knowledge, favorable attitudes, and desirable habits of personal and community hygiene. First and second semesters.
119. **Individual Adapted Physical Education.** Credit, one hour. This course is for those students who, for reasons of physical disability or age, can not safely engage in Physical Education 121 and 122. The content of the course will vary to meet the individual student's needs. Students will be assigned to this course by the joint action of the College Health Service and the instructors of required physical education for men and women, respectively.

120. **Individual Adapted Physical Education.** Credit, one hour. This course is a continuation of Physical Education 119.
121. **Orientation in Physical Education.** Credit, one hour. The purpose of this course is to develop basic skills in team sports, rhythms, swimming, individual and dual sports, stunts and tumbling, and body mechanics, and to teach a philosophy of physical education. First semester.
122. **Orientation in Physical Education.** Credit, one hour. This course is a continuation of Physical Education 121. Second semester.
201. **Games.** Credit, two hours. This course provides students opportunities to learn and present games of primary and intermediate organization to public school pupils. First semester, second semester, and summer.
202. **Intermediate Swimming.** Credit, one hour. The purpose of this course is to teach students who have completed the beginning course in swimming to improve basic skills and learn additional skills. First semester.
206. **Tennis.** Credit, one hour. The purpose of this course is to enable students to learn the fundamental skills of tennis. Second semester.
207. **Golf.** Credit, one hour. The purpose of this course is to enable students to learn the fundamental skills of golf. First semester.
- 208M. **Theory and Practice of Coaching Wrestling.** Credit, one hour. The purpose of this course is to enable the student to learn the theory and practice of coaching wrestling. Second semester.
- 209M. **Tumbling and Gymnastics.** Credit, one hour. The purpose of this course is to give future teachers of physical education an opportunity to learn the fundamental skills of tumbling and gymnastics. Teaching methods and safety skills will be emphasized in this class. Class members will be given an opportunity to participate as student instructors in the freshman orientation tumbling and gymnastic units. First semester.
- 209W. **Tumbling and Gymnastics.** First semester of even years.
210. **Camp Counseling and Outdoor Education.** Credit, two hours. This introductory course attempts to develop in the student a philosophy of camping by studying the history, different types of camps and the skills required of a successful camp counselor. A knowledge and understanding of how the camping experience contributes in its own unique way to the broader aims of the American educational process is also stressed. First and second semester.
221. **Rhythms for Children.** Credit, one hour. The purpose of this course is to enable the student to learn basic rhythmic activities and to be able to select and present a graded program in rhythms to public school children. Second semester.
225. **Organization and Administration of Intramural Activities.** Credit, two hours. The purpose of this course is to enable prospective physical education teachers to understand the philosophy, principles, and practices essential for a strong intramural program. Members of the class will organize and conduct a sports clinic or play day for area high schools, as well as develop an intramural program suitable for use in public school systems.
- 300a, b, c. **Water Safety.** Credit, one-three hours. This course is a combination of the swimmer, life-saving, and instructor courses in water safety. Students who satisfactorily complete this course are certified by the American National Red Cross as water safety instructors. Second semester.
- 303a, b, c. **First Aid.** Credit, one-three hours. This course is a combination of the standard, advanced, and instructor courses in first aid. Students who satisfactorily complete this course are certified by the American National Red Cross as first aid instructors. Second semester and on demand.

- 
304. **Care and Prevention of Athletic Injuries.** Credit, two hours. A theory and laboratory course dealing with the prevention, care, and strapping of athletic injuries. Class members serve as student trainers during the football and/or basketball season. Open only to men students and with the permission of the instructor. Second semester and summer.
305. **Theory and Practice of Coaching Football.** Credit, one hour. The purpose of this course is to enable the student to learn the theory and practice of coaching football. First semester and summer.
306. **Theory and Practice of Coaching Baseball.** Credit, one hour. The purpose of this course is to enable the student to learn the theory and practice of coaching baseball. Second semester.
- 307-M. **Theory and Practice of Coaching Basketball.** Credit, one hour. The purpose of this course is to enable the student to learn the theory and practice of coaching basketball. First semester and summer.
- 307-W. **Basketball for Women.** Credit, one hour. This course prepares prospective teachers in the skills, strategies, rules, coaching techniques, coaching, and officiating principles of girls' basketball. Second semester of odd years and on demand.
- 308-M. **Theory and Practice of Coaching Track and Field.** Credit, one hour. The purpose of this course is to enable the student to learn the theory and practice of coaching track and field events. Second semester.
- 308-W. **Theory and Practice of Coaching Track and Field.** Second semester even years.
309. **Synchronized Swimming.** Credit, one hour. A swimming course for the accomplished swimmer, this course includes a concentration on form in all of the recognized swimming strokes, variations, stunts, swimming in unison and formations, with and without music. Open to persons holding "Swimmer's" through "Life Saving" certification, or by permission of instructor. First semester on demand.
310. **Curriculum in Physical Education.** Credit, two hours. The purpose of this course is to enable the student to teach physical education to elementary and secondary school children. Second semester.
- 311-W. **Team Sports.** Credit, two hours. The purpose of this course is to enable students to learn the theory and practice of team sports in which no special course is given, i.e., soccer, speedball, volleyball, field hockey, field ball, and soft ball. First semester of odd years.
- 311-M. **Team Sports.** Credit, two hours. The purpose of this course is to give future teachers of physical education an opportunity to learn the fundamental skills and teaching techniques of soccer, speedball, volleyball, softball, and touch football. First and second semesters.
312. **School Health Problems.** Credit, two hours. The purpose of this course is to study the health problems relating to public schools. Emphasis is placed upon the principles, policies, materials, and methods of teaching health in public schools. Prerequisite: Physical Education 103, and at least junior class standing. First semester, second semester and summer.
313. **Individual and Dual Sports.** Credit, two hours. The purpose of this course is to enable the student to acquire skills in doing and teaching such activities as archery, badminton, table tennis, paddle tennis, and some of the co-recreational team sports. First semester, second semester and summer. (Summer courses for non-majors only.)
314. **Community Recreation.** Credit, two hours. The purpose of this course is to enable the student to provide leadership in organizing and administering community recreation programs. First semester, second semester, and summer.

315. **Archery.** Credit, one hour. The purpose of this course is to enable the student who has an interest in archery to develop advanced archery techniques. First semester.
316. **Safety Education.** Credit, two hours. The purpose of this course is to develop a safety consciousness by means of projects dealing with home, highway, school, and industrial safety. The course includes methods and materials of teaching safety. Second semester.
320. **Folk and Square Dancing.** Credit, two hours. The purpose of this course is to enable the student to perform, with skill and pleasure, many of the American folk and square dances and folk dances which are typical of other countries. In addition, the students will learn to teach, adapt, and call folk and square dances at the secondary and adult levels. Second semester.
321. **Social Dancing.** Credit, one hour. The purpose of this course is to enable the student to learn proper social dancing techniques, the etiquette of the dance floor, and methods of teaching social dancing. First semester.
322. **Modern Dancing.** Credit, one hour. The purpose of this course is to teach the student the techniques of modern dance, methods of teaching modern dance to the various age groups, and the historical background of the dance from the primitive to the present time. Second semester of even years.
324. **Club Leadership.** Credit, one hour. The purpose of this course is to develop leadership for clubs found in public schools. First semester, and on demand.
325. **History of Physical Education.** Credit, two hours. The purpose of this course is to enable prospective physical education teachers to learn the history of physical education from earliest times down to the present. First and second semester, and summer.
331. **Materials and Methods in Elementary School Physical Education.** Credit, two hours. This course is offered for students planning to teach physical education at the elementary school level. The purpose of the course is to enable students to consolidate their previous student experiences toward program planning and presentation of methods to classes at the elementary level. First semester, even years. Prerequisite: ten hours in physical education.
401. **Adapted Physical Education (Corrective and Preventive).** Credit, two hours. To acquaint the student with the problems underlying the need for an adapted physical education program, the organization, administration and conduct of adapted educational programs for the most prevalent types of disabilities found in school populations, and to assist in the coordination of health and physical education services in the school. First semester, summer, and on demand.
403. **Football and Basketball Officiating.** Credit, two hours. This course is designed to acquaint the student with the rules of football and basketball and to teach him proper techniques of officiating these games. First semester.
405. **Kinesiology.** Credit, three hours. The purpose of this course is to enable the student to understand and apply the principles of the mechanics of bodily movement to activities. Second semester. Prerequisite: Human Anatomy and Physiology.
406. **Administration of Health and Physical Education.** Credit, three hours. The purpose of this course is to enable prospective health and physical education teachers to understand the philosophy, principles, problems, policies, and procedures essential to administer a good physical education program. First semester, second semester and summer on demand.

408. **Field Work in Corrective Therapy.** Credit, six hours. This course is offered in conjunction with the Veterans Administration Center, Martinsburg, West Virginia, where students interested in corrective therapy may take clinical training and be certified as corrective therapists. This course must be taken while the student is enrolled at the college. Further details may be obtained from Mr. Fieger, Chairman, Health and Physical Education Division. On demand.
410. **Tests and Measurements in Health Education and Physical Education.** Credit, two hours. The purpose of this course is to enable the student to develop testing techniques applicable to health and physical education. First semester, second semester, and summer on demand.
411. **Independent Study in Health, Physical Education, Recreation, or Athletics.** Credit, one to three hours. This course is designed primarily for seniors with averages of 3.3 or above, who are seeking an opportunity for the investigation of professional problems. This study is particularly recommended for those students who plan to do graduate study in physical education or its related fields. Permission of the division chairman is required for enrollment in this course.
- Education 431. **Special Methods in the Teaching of Physical Education.** (Formerly P.E. 404c Special Methods in P.E.) Credit, two hours. This course is designed to help the student acquire a knowledge of the application of the fundamental principles of learning and teaching motor skills. Class activities include teaching demonstrations, observation, lectures, discussions, reports of research on motor skill learning, and the preparation of teaching units in the various areas of physical education. Second semester and summer on demand.

Shepherd encourages intramural activity.

## DIVISION OF HOME ECONOMICS

Mrs. Hendricks, Miss Fuss

### PHILOSOPHY AND PURPOSES

The specific objectives of the home economics division are to prepare students for a professional career in teaching home economics and for the practical and artistic role of homemaking, thus contributing toward the improvement of home and family living. Young women are offered the opportunity of majoring in home economics, or both women and men may elect courses in home economics for personal enrichment and as a supplement to other vocations.

Experiences are provided for teacher-student planning, practice, and co-operative evaluation in the preparation of students to teach home economics in junior and senior high schools.

The home economics student is helped to recognize that continual evaluation of family and individual goals, values and philosophies should occur relative to the socio-economic changes in our society.

The Home Management Residence is a separate building which is appropriate for family living and will comfortably accommodate six students and the instructor in residence. Home economics majors gain experience in group living through application of knowledge and skills in making a home during a nine-weeks period in the management house.

The Nursery School Laboratory is housed in a cottage adjacent to the new home economics building. Home economics and elementary school majors are able to have actual experience in working with the children as a part of the college teacher-education program.

A wing is being added to the Home Economics Building to house the sewing laboratory and the nursery school. The addition should be completed for the school year 1967-68.

### Comprehensive Curriculum for Teaching Home Economics in Grades 7-12

((This program will also meet requirements for a Home Economics Major))

Required courses, 47 hours:

Textiles and Clothing 101 .....	3
Clothing 102 .....	3

101. **Textiles and Clothing.** Credit, three hours. This course offers a study of contemporary fibers, basic fabric weaves, designs and finishes. Study is made of the factors in clothing selection which affect both personal and family choices, including social and psychological forces and clothing needs at various stages of the family cycle. First semester.
102. **Clothing.** Credit, three hours. This course gives experience in the selection and use of commercial patterns in the construction of garments. The suitability of fabric and designs, skills in techniques, and fitting details are emphasized. Prerequisite: Textiles and Clothing 101. Second semester.
201. **Food and Nutrition for the Family.** Credit, three hours. This course is a study of the nutritive value of basic foods used for everyday consumption by individuals and families. Special emphasis is given to meal planning, cooking principles, preparation and serving in the light of present-day living. First semester.
202. **Food and Meal Management.** Credit, three hours. This course offers experience in planning, marketing, preparing and serving nutritionally adequate family meals for numerous occasions. Consideration is given to typical family-meal problems and management of time, energy, and equipment. Prerequisite: Food and Nutrition for the Family 201. Second semester.
210. **Demonstration Techniques.** Credit, two hours. A course designed to teach demonstration techniques and to give practical experience in the demonstration of foods, equipment and clothing. On demand.
300. **Marriage and Family Living.** Credit, three hours. A study of families in our society, their similarities and differences, with emphasis on those factors that make for effective family living. Consideration is given to the family life cycle and interrelationships of families and communities. Second semester.
301. **Advanced Clothing.** Credit, three hours. Construction problems in relation to women's clothing with experiences in muslin copy, plaids, stripes, lining garments, elementary tailoring techniques and pattern design. Prerequisites: Clothing 101 and 102. 1st semester.
302. **Tailoring.** Credit, three hours. Construction of hand-tailored garments using couturier designs or originals; professional tailoring techniques, custom-fitting and fast-tailoring techniques. Elective. Prerequisites: Clothing 101, Clothing 102, Advanced Clothing 301. Offered on demand.
304. **Child Development.** Credit, three hours. A study of the physical, emotional, and social development of the infant and preschool child (from birth to five years). Consideration is given to cultural influences and the role they play in determining the pattern of child's development. First semester.

305. **Home Equipment.** Credit, two hours. This course includes selection, care, use and repair of equipment in the home. Needs of individual homes and schools are considered. Lectures, demonstrations, laboratory work and trips are included in presentation of material. Second semester.
306. **Home Planning and Furnishings.** Credit, four hours. A course aiming to guide individuals into obtaining, in a home, beauty, expressiveness, and functionalism. Emphasis is given to applying the principles of design to basic house plans, furnishings, and accessories. Experiences are offered in interior planning of color schemes, furnishings, and construction of accessories, such as slip covers, draperies, and refinishing of woods. First semester.
307. **Home Management.** Credit, three hours. A study of the application of the principles of management to human and nonhuman resources in developing values and achieving individual and family goals. First semester.
308. **Housing.** Credit, four hours. A course designed to help individuals understand, accept, and plan for the housing needs of today's families. The legal aspects of building, a study of materials, order of construction, work of contractors, sub-contractors, and landscape architects are studied. Second semester.
318. **Nutrition.** Credit, three hours. This course deals with facts useful in meeting everyday nutritional problems which have been gleaned from the fields of food composition, economics, the chemistry and physiology of body processes, dietetics, and medicine. These facts are stated in simple language that is understandable to those with little knowledge of chemistry and may be utilized for preventing ill health and promoting a high degree of physical fitness. First semester.
403. **Consumer Economics.** Credit, three hours. A study of the opportunities and responsibilities of the consumer in purchasing commodities for use in promoting individual and family goals. Second semester.
405. **Home Management Residence.** Credit, five hours. Residence in home management entails living in the Home Management House for a period of nine weeks with a group of four to six girls. This experience provides the opportunity to apply the skills of management in a practical situation under supervision. It draws on the information, skill, and abilities learned in the other courses in the home economics curriculum. Open to second-semester juniors and seniors. Prerequisites: 201, 202, 307, 318.
406. **Nursery School.** Credit, two hours. Study of behavior characteristics of the preschool child and actual experience and guidance of the individual child and groups of children three and four years of age. Prerequisite: Child Development 304. First and second semesters.
- Ed. 428. **Methods of Teaching Home Economics at the Secondary Level.** Credit, four hours. This course deals with the problems directly related to teaching, beginning with the philosophy and objectives of home economics education and continuing through methods of developing the objectives and evaluating the results. Attention is directed to effective techniques and procedures of teaching, the place of home economics in the total school program and the home economics teacher's role in the school and community. First semester.
- Ed. 429. **Methods of Teaching Home Economics at the Adult Level.** Credit, two hours. A study of the philosophy, promotion, organization, methods, and techniques of working with out-of-school groups. Opportunities are provided for students to observe adult classes. Each student will participate in organizing and teaching an adult group in the college community. First semester.

Ed. 407. \*Directed Teaching in the High School. All home economics majors will do their directed teaching in a federally reimbursed secondary school homemaking program. Prerequisites: Education 428 and Education 429.

\*See Division of Education.

Students preparing for the teaching field in the Division of Home Economics will be qualified for a vocational certificate and eligible to teach in the vocational home economics departments of the reimbursed high schools.

**A Home Economics class at work**

## DIVISION OF LANGUAGES AND LITERATURE

Dr. Malton, Chairman, Mr. Banks, Mrs. Byrer, Mrs. Dean, Miss Elliott,  
Mr. Gossage, Dr. Keebler, Mrs. Marecek, Mr. Miller,  
Mr. Perry, Mrs. Pike, Mr. Rogers, Mrs. Smith

### ENGLISH

Purposes: To teach students to appreciate and understand our literary heritage, to express thought accurately, to organize ideas, to develop skill in the use of literary materials, and to interpret the thoughts of others with clear images and appropriate emotions.

### Curriculum for a Major and Teaching Field in English

The minimum requirement of 38 semester hours of academic work in English includes the fifteen hours listed in the general education requirements. In addition, all students in the program are strongly advised to complete at least two years of a foreign language study. It is further suggested that students majoring in English take a minor in French, history, philosophy, speech and drama, or library science.

Students find the large, pleasant reading room in the new library conducive to study and research.

## COMPOSITION

- 100a. **Remedial English.** Non-credit. Primarily a remedial program in grammar, this course is designed both to give the student a basic understanding of the mechanics of the language and to enable him to apply that knowledge in his own writing.
- 100b. **Composition Clinic.** Non-credit. A systematic review of skills necessary for clear, effective written expression. The course is specifically designed to help students who have experienced difficulties in composition.
101. **Written English.** Credit, three hours. Comprehensive review of grammar, sentence building, usage, and punctuation. Practice in composition, with emphasis on expository prose. Prerequisite to all other English courses. First and second semester.
102. **Written English.** Credit, three hours. An extension of English 101 with emphasis on the research paper. First and second semester.
331. **Advanced Grammar.** Credit, three hours. A study of modern descriptive English grammar and levels of usage. The chief aim of the course is to give the student a systematic understanding of the working of the English language as a basis for critical reading and correct, effective speaking and writing. First and second semester.
332. **Advanced Composition.** Credit, two hours. A study of techniques and extensive practice in informative, persuasive, and contemplative writing. First and second semester.
362. **Creative Writing.** Credit, two hours. The various forms and techniques of imaginative writing. Non-liberal arts candidates must take English 332 as a prerequisite. Liberal arts candidates may take this course instead of English 332 with the consent of the instructor, the chairman of the division, and the Academic Dean.
405. **History of the English Language.** Credit, three hours. A study of modern English and its heritage, with emphasis on American English. Liberal arts candidates may take this course instead of Advanced Grammar 331 with the consent of the instructor, the chairman of the division, and the Academic Dean.
- 440a, 440b. **Seminar in Grammar.** Credit, one hour. The student marks for correction freshman compositions under the supervision of a member of the English staff. Prerequisite: junior or senior rank and successful completion of English 331 and 332. First and second semester.

## LITERATURE

202. **Backgrounds of Literature.** Credit, three hours. A study of poetry, folklore, mythology, legends, and modern fiction and non-fiction for children, with emphasis on laying foundations for permanent enjoyment of literature. Only candidates for the degree of Bachelor of Arts in Elementary Education, or students with a minor or teaching field in Library Science, may take this course for credit. First semester.
203. **Survey of English Literature.** Credit, three hours. A study of major works from Beowulf to the present time. Prerequisites: English 101-102. First and second semesters.
204. **Survey of American Literature.** Credit, three hours. A critical study of representative writers from the Colonial Period to the present day. Prerequisites: English 101 and 102. First and second semesters.
- \*210. **Study and Appreciation of English Literature.** Credit, three hours. A study of major works from Beowulf into the eighteenth century, with their historical backgrounds. Prerequisites: English 101-102.
- \*211. **Study and Appreciation of English Literature.** Credit, three hours. A study of major works from the eighteenth century to the present, with their historical backgrounds. Prerequisites: Eng. 101-102.

\*These courses are offered for students entering Shepherd prior to June, 1965, and will be discontinued effective June, 1968.

- \*212. **Study and Appreciation of American Literature.** Credit, three hours. Critical judgment of authors and their works. Delineation of American thought from colonial days to Civil War. Prerequisites: Eng. 101-102. First semester.
- \*214. **Study and Appreciation of American Literature.** Credit, three hours. Critical judgment of authors and their works. Delineation of American thought from the Civil War to the present day. Prerequisites: Eng. 101-102.
300. **Mythology.** Credit, three hours. Emphasis will be on Greek and Roman mythology and their influence on English and American writers. Various examples of Greek and Roman literature will be read in translation.
302. **Contemporary Literature.** Credit, three hours. A study of the various types of literature by the chief contemporary writers of England and the United States.
303. **Shakespeare.** Credit, three hours. A study of selected plays and the sonnets. Minor emphasis on Shakespeare's biography and Elizabethan background. First semester.
304. **Early Dramatic Literature.** Credit, three hours. A study of representative drama from Aeschylus to Ibsen.
305. **Modern Dramatic Literature.** Credit, three hours. A study of representative drama from Ibsen to the present day.
306. **Literature of the English Renaissance.** Credit, three hours. The prose and poetry of the sixteenth and earlier seventeenth centuries, excluding the drama and Milton.
308. **Bible as Literature.** Credit, three hours. A study of the various types of literature found in the Bible.
310. **Advanced American Literature.** Credit, three hours. A critical study in depth of the philosophical and social concepts explicated by representative writers from the Colonial Period to the present day. Prerequisites: English 101, 102, 204. Annually.
313. **World Literature.** Credit, three hours. A study of the literature of Greece and Rome, in translation, and its influence on English culture.
314. **World Literature.** Credit, three hours. A study of medieval and modern literature in translation and its influence on English literature.
315. **The English Novel.** Credit, three hours. The course traces the development of the English novel through the works of major novelists of the eighteenth and nineteenth centuries.
316. **Victorian Literature.** Credit, three hours. A study of representative selections from the major poets and prose writers of the period. The thought content and literary form of the selections are emphasized. Attention is given to their reflection of the chief cultural and intellectual currents of the political and social history of the era.
317. **Romantic Literature.** Credit, three hours. A study of selections from the major writers of the English Romantic period. Attention is given to biography and intellectual and historical background, but the chief emphasis is placed on understanding and appreciating the selections.
321. **Eighteenth Century English Literature.** Credit, three hours. A study of selections from the principal writers of the period, including Dryden, Pope, Swift, Johnson, Gray, Cowper, and Burns. Some attention is given to biography and historical background.

\*These courses are offered for students entering Shepherd prior to June, 1965, and will be discontinued effective June, 1968.

360. **American Fiction.** Credit, three hours. Primarily a study of the American novel, this course examines developing views and criticisms of society, literary movements, and stylistic trends as reflected in American fiction from Cooper to Faulkner.
361. **American Poetry.** Credit, three hours. Major American poets—such as Poe, Whitman, Emerson, and Dickinson—are studied.
416. **Great Books.** Credit, three hours. Selected classics that have shaped the thinking of Western Europe and America will be studied and discussed.
417. **Great Books.** Credit, three hours. A continuation of Great Books 416.
420. **The Contemporary Novel.** Credit, three hours. The course is a study of the novel and its place in world literature since 1900 with emphasis on the works of European, English, and American writers.
425. **Elizabethan Drama.** Credit, three hours. This course involves the study of the predecessors and contemporaries of Shakespeare, and the evolution of the different genres of Elizabethan drama. It is designed as a companion course to Shakespeare 303.
430. **Chaucer.** Credit, three hours. **The Canterbury Tales, Troilus and Criseyde** and various other poems are studied. The language and the period as they are reflected by Chaucer are also treated.
435. **Milton.** Credit, three hours. A study of selections from Stuart and Commonwealth verse, Donne, and Milton, viewed against their literary and historical background. Chief emphasis is on Milton's lyric and epic poems.
441. **Independent Study in English.** Credit, one to three hours. See Independent Study Program. Prerequisite: six hours of advanced work in English. First and second semester.

## JOURNALISM

**Purposes:** To introduce the student to the field of journalism; to provide practical guidance in understanding and producing the materials of the mass-communication media; and to train intelligent readers and writers.

### Curriculum for a Minor in Journalism

The curriculum for a minor in journalism requires 21 semester hours credit. It is suggested that a person minoring in the field of journalism take a major subject field in English, economics, political science, or business administration. Courses in foreign languages and sociology, and Social Psychology 205 would also be helpful.

Required courses:

News Writing 204 .....	3
Editing and Make-up 206 .....	3
News Story Types 305 .....	3
Feature and Editorial Writing 306 .....	3
Propaganda and Public Opinion 310 .....	3
	15
Electives from the field of journalism .....	6
Total .....	21

All students taking a minor in journalism are expected to do practical work on the Shepherd College publications.

101. **Introduction to Journalism.** Credit, three hours. This is a general course designed to acquaint the student with the functions, aims, and effectiveness of the various agencies of mass communications, such as newspapers, radio and television, and magazines. The opportunities and duties of persons employed in mass communications are outlined.

204. **News Writing.** Credit, three hours. The principles of finding and shaping news material, the building of news story and news style, and actual practice in news writing are the major points of emphasis in the course.
206. **Editing and Make-up.** Credit, three hours. The concentration is on the fundamentals of editing, including rewriting, copyreading, headlining, proofreading, page make-up, and layout. The course will include practical work on the student publications.
301. **High School Journalism.** Credit, two hours. This course is designed to train high school teachers in the methods of directing high school publications. A study of editorial, news writing, feature writing, advertising and circulation problems of high school publications is made.
305. **News Story Types.** Credit, three hours. Various news story types, such as personal, society, speech, interview, accident and disaster, illness, death, crime, political, weather and special occasion stories will be studied. The major emphasis will be on writing.
306. **Feature and Editorial Writing.** Credit, three hours. Half of the course will be a study of the writing and marketing of the feature story or article. The other half will be spent in studying the purpose, value, and content of the editorial.
310. **Propaganda and Public Opinion.** Credit, three hours. The student will study the social and psychological effects of propaganda, as well as methods of shaping news and news styles toward a reader's interest. Propaganda will be analyzed, and a study will be made of the ethics of newspaper propaganda and the newspaper as a social force.
327. **Radio Programming.** Credit, three hours. (See Speech 327.)
334. **Background of the News.** Credit, three hours. (See Political Science 334.)
370. **Principles of Advertising.** Credit, three hours. (See Business Administration 370.)

## LIBRARY SCIENCE

The library science curriculum is designed to prepare students for effective school library work.

The program is based on the following specific objectives:

1. To train college students in all phases of library use.
2. To train school librarians and teacher-librarians for service in elementary, junior, and senior high schools.
3. To provide future teachers an opportunity to acquire library skills which will enable them to direct pupils in the effective use of school libraries.
4. To provide a foundation for graduate study in the field of librarianship.

Students entering the library science program must maintain an average of "C" but if planning to enter graduate school of library science a minimum of 2.5 will be necessary.

Students wishing to do graduate work in library science should plan their courses so as to obtain a background of general knowledge. Electives should be selected in the areas of social studies, English, economics, sociology, political science, psychology, education, accounting, speech, business education, modern foreign languages (French or German). The ability to type is a necessity.

Student teaching will be done in the student's first field in order to give the prospective librarian not only the teacher's viewpoint but also certification in that field.

Academic specialization for a teacher librarian in a school organized departmentally in grades 5 through 9 must include the following courses: Backgrounds of Literature, Use of the Library and Library Materials, Book Selection, Library Organization and Administration, Audio-Visual Aids, Cataloging and Classification and Library Practice.

### Curriculum for a Minor or Teaching Field in Library Science

Required courses .....	26 hours
Backgrounds of Literature (Children's Literature) 202 .....	3 hours
Use of the Library and Library Materials 217 .....	2 hours
Repair and Binding of Books and Periodicals 220 .....	1 hour
Book Selection 304 .....	4 hours
Audio-Visual Aids 305 .....	3 hours
Reference and Bibliography 306 .....	3 hours
Cataloging and Classification 316 .....	4 hours
Library Practice 318 .....	3 hours
Library Organization and Administration 327 .....	3 hours

202. **Backgrounds of Literature.** (See Literature).

217. **Use of Library and Library Materials.** Credit, two hours. A course to acquaint students with the resources of the library, arrangement of the library, use of the card catalogue, various indexing services, dictionaries, encyclopedias, and other reference books. It is also designed to help the teacher make use of the library in the arrangement of everyday assignments. A prerequisite for students in library science to all other courses. First semester.

220. **Repair and Binding of Books and Periodicals.** Credit, one hour. Intended to give the student knowledge of the care, repair, and binding of printed materials and technical construction of the book. On demand.

304. **Book Selection.** Credit, four hours. Book selection is a survey of books and non-book materials appropriate for the needs of students in the junior and senior high school. The study of the basic aids and criteria for selection and evaluation of the standard, classic, and current books. Book talks, notes, reviews and reading guidance techniques are studied and practiced. On demand.

305. **Audio-Visual Aids.** (See Education).

306. **Reference and Bibliography.** Credit, three hours. An introductory study of standard reference books with practical problems applied to reference work. Selection of basic reference books for school libraries. On demand.

316. **Cataloging and Classification.** Credit, four hours. An elementary course in classifying books according to the Dewey Decimal Classification system. Practical experience in classifying books and filing. An introduction to the techniques of cataloging. A miniature catalog is constructed. Also includes use of the printed cards and the adaptation to the use in the card catalog. Consent of the instructor. On demand.

318. **Library Practice.** Credit, three hours. One hundred hours of practice work in an elementary or high school library. Offered each term, may be taken upon the completion of 15 hours of library science which includes these courses: 202, 217, 304, 306, 316, 327.

327. **Library Organization and Administration.** Credit, three hours. This course consists of planning and organizing a school library, together with technical and mechanical processes involved. Attention is given to schedules, routines, library housing, student assistants, equipment and budgeting. Consent of the instructor. On demand.

### MODERN LANGUAGES

**Purposes:** To introduce the student to the language, literature, and culture of France and Germany, and to give instruction in language for students preparing to teach.

#### Curriculum for a Teaching Field in French 7 Through 12

Total hours required for a teaching field ..... 30

Required courses, 27 hours:

Elementary French 101 .....	3
Elementary French 102 .....	3
Intermediate French 203 .....	3
Intermediate French 204 .....	3
Survey of French Literature 303 .....	3
Survey of French Literature 304 .....	3
Advanced Grammar and Composition 401 .....	3
Phonetics and Oral French 402 .....	3
Advanced French Conversation 403 .....	3

Electives, 3 hours:

**One** course from the following:

French Short Stories 305 .....	3
The French Novel 306 .....	3
French Civilization and Culture 404 .....	3
Great Works of French Literature 407 .....	3

#### Curriculum for a Teaching Field in French Grades 5 Through 9

Total hours required for a teaching field ..... 24

Required courses, 21 hours:

Elementary French 101 .....	3
Elementary French 102 .....	3
Intermediate French 203 .....	3
Intermediate French 204 .....	3
Survey of French Literature 303 .....	3
Survey of French Literature 304 .....	3
Phonetics and Oral French 402 .....	3

Electives, 3 hours:

**One** course from the following:

French Short Stories 305 .....	3
The French Novel 306 .....	3
French Civilization and Culture 404 .....	3
Great Works of French Literature 407 .....	3

#### Curriculum for a Minor in French

Total hours required for a minor ..... 21

Required courses, 6 hours:

Elementary French 101, 102 .....	6
----------------------------------	---

## Electives, 15 hours:

Intermediate French 203 .....	3
Intermediate French 204 .....	3
Survey of French Literature 303 .....	3
Survey of French Literature 304 .....	3
French Short Stories 305 .....	3
The French Novel 306 .....	3
Advanced Grammar and Composition 401 .....	3
Phonetics and Oral French 402 .....	3
French Civilization and Culture 404 .....	3

Two semester hours may be deducted for each high school unit—maximum deduction, 6 hours.

101. **Elementary French.** Credit, three hours. The study of grammar, pronunciation, composition, and graded readings in modern French prose, conversation. First semester.
102. **Elementary French.** Credit, three hours. A continuation of French 101. An extensive study of regular and irregular verbs, idioms, and the reading of French short stories. Second semester.
203. **Intermediate French.** Credit, three hours. Reviews of French grammar, verbs, and idioms; readings and short compositions based on these readings. First semester.
204. **Intermediate French.** Credit, three hours. A continuation of French 203. Grammar review is supplemented with reading of easy prose selections or short stories. Second semester.
303. **Survey of French Literature.** Credit, three hours. The chief periods, authors, and works of French literature from the Serments de Strasbourg to 1700. First semester.
304. **Survey of French Literature.** Credit, three hours. A continuation of French 303 with a stress on the major writers and literary movements from 1700 to the present day. Second semester.
305. **French Short Stories.** Credit, three hours. A consideration of the lives and works of eighteenth and nineteenth century short story writers, particularly Merimee, Daudet, and Maupassant.
306. **The French Novel.** Credit, three hours. A study of the novel in the eighteenth and nineteenth centuries. Reading of works by the leading writers of the Romantic, Realistic, and Naturalistic schools.
401. **Advanced Grammar and Composition.** Credit, three hours. An analytical study of the essential modern French forms of expression. Much emphasis is put on French syntax and its usage. The techniques of the best French writers are examined. Many themes on various topics have to be written.
402. **Phonetics and Oral French.** Credit, three hours. The pronunciation of French vowels, diphthongs, consonants, words and word groups. Selections of prose and poetry are read to perfect articulation and intonation. Recommended for all teachers of French.
403. **Advanced French Conversation.** Credit, three hours. Organized practice in oral French. Intensive study of idiomatic expressions. Oral reports on everyday topics and on selected readings. Laboratory work.

404. **French Civilization and Culture.** Credit, three hours. The formation of the French nationality. The geography, architecture, literature, art, music, science, education, and political administration of France.
407. **Great Works of French Literature.** Credit, three hours. The contribution to world thought and literature of outstanding French writers, such as Descartes, Corneille, Racine, Flaubert, Sartre, and Stendhal.

### German

101. **Elementary German.** Credit, three hours. Pronunciation of German, study of grammar and vocabulary, and exercises in the written, read, and spoken language. First semester.
102. **Elementary German.** Credit, three hours. Continuation of German 101. Extensive practice in reading, writing, and accurate translation. Second semester.
203. **Intermediate German.** Credit, three hours. Review of grammar, idioms, strong and irregular verbs. Reading and translation of German prose. First semester.
204. **Intermediate German.** Credit, three hours. Continuation of German 203 with emphasis on written German and translation. Second semester.
301. **Scientific German.** Credit, three hours. Primarily for science students.
302. **Scientific German.** Credit, three hours. Continuation of 301.
303. **Selections of German Literature.** Credit, three hours. Readings from the works of representative German writers.

A modern language laboratory, part of the many learning aids used by the Division of Languages and Literature, facilitates the students' mastery of a foreign language.

## PHILOSOPHY AND RELIGION

### Philosophy

**Purposes:** To aid students in thinking critically, and to introduce them to major problems in philosophy through a study of the history and development of philosophical thought.

### Religion

**Purposes:** To present studies in religion, primarily in the Judaeo-Christian tradition, which will aid students in understanding how religion has affected the history of the world and how it affects and reflects their own cultural milieu.

### Curricula for a Minor in Philosophy and Religion

Total hours required for a minor ..... 17

**Program P—Philosophy Emphasis:**

Courses in Philosophy ..... 12  
 Elective Courses in Religion (May include Philosophy of Religion) 5

**Program R—Religion Emphasis:**

Courses in Religion ..... 9  
 Philosophy of Religion ..... 3  
 Elective Courses in Religion ..... 5

### Courses in Philosophy

101. **Introduction to Philosophy.** Credit, three hours. This course involves an introductory consideration of language, meaning, and inference; of knowledge, truth, and certainty; of types (schools) of philosophy; of arguments for the existence of God; and of values.
210. **Social Philosophy.** Credit, three hours. Analysis of theories of the nature of man, social institutions, social ethics, social purposes, patterns of relationship, and the problem of freedom and regulation.
304. **Philosophy of Religion.** Credit, three hours. In this course, an analysis will be made of certain elements of religious thought. Problems of religious language, knowledge and faith, the existence of God, and evil will be examined from various religious perspectives.
305. **History of Philosophy.** Credit, three hours. Survey of the major movements in philosophy from ancient Greece to the twentieth century.
306. **Twentieth-Century Philosophy.** Credit, two hours. Emphasis on pragmatism, existentialism, and analytic philosophy.
315. **Ethics.** Credit, three hours. Problems of choice within the context of society as considered by representatives of various philosophical and Christian traditions.

### Courses in Religion

303. **History of Christianity to 1525.** Credit, three hours. The history of Christianity from New Testament times to the Reformation will be studied. Emphasis will be on geographical spread, significant persons, philosophies, governments, and theological concerns.
- 308a. **Old Testament.** Credit, two hours. In this survey of the Old Testament, concentration will be on the history of the Hebrew covenant-community of people, their understanding of life in relation to God, and the literary forms in which they expressed this understanding.

- 308b. **New Testament.** Credit, two hours. The life and teachings of Jesus as described in the Gospels, the writings of Paul, and the contents of other New Testament books will be studied along with certain critical questions regarding authorship and interpretation of New Testament material.
318. **Religion in American Culture.** Credit, three hours. Study of development of religious groups in the United States since colonial times; consideration of religious typologies; analysis of the interrelationships of religion and culture, with emphasis on religion in relationship to social change.
320. **Religions of the World.** Credit, three hours. This survey examines the history and teachings of Hinduism, Buddhism, Islam, Judaism, and Christianity.
325. **Great Religious Books.** Credit, two hours. Selections from the Old Testament and New Testament, from St. Augustine and Luther, along with works by more recent Roman Catholic, Jewish, and Protestant writers will be read and discussed.

Related courses:

308. **Bible as Literature.** (See Literature.)

## SPEECH, DRAMA, BROADCASTING

**Purposes:** To provide an opportunity for students to develop an understanding and appreciation of speech, drama, and broadcasting as part of general education; to train students for educational and community situations; to give prospective graduate students a foundation for later study and research; to provide an opportunity for students to participate in speech, drama, and broadcasting as a recreational-cultural activity.

### Curriculum for a Major in Speech and Drama and a Teaching Field in Speech

Total hours required for a major and a teaching field ..... 33

Required courses by areas, 27 hours:

- |                                                |   |
|------------------------------------------------|---|

| Radio Announcing 213 .....                             | 3 |
| Radio and Television Programming 327 .....             | 3 |
| Educational Broadcasting 329 .....                     | 3 |

**Curriculum for a Teaching Field in Speech Grades 5 Through 9**

Total hours required for a teaching field ..... 18

Required courses, 18 hours:

Voice and Diction 200 .....	3
Elements of Dramatic Production 204 .....	3
Play Direction 309 <b>or</b>	
Direction 311 .....	3
Public Speaking 315 <b>or</b>	
Persuasive Speaking 300 <b>or</b>	
Discussion: Principles and Types 319 .....	3
Oral Interpretation of Literature 323 .....	3
Speech Correction 330 .....	3

**Curriculum for a Minor in Speech and Drama**

Total hours required for a minor ..... 24

Required courses, 18 hours:

Voice and Diction 200 .....	3
Elements of Dramatic Production 204 .....	3
Persuasive Speaking 300 <b>or</b>	
Public Speaking 315 <b>or</b>	
Discussion: Principles and Types 319 .....	3
Play Direction 309 <b>or</b>	
Direction 311 .....	3
Oral Interpretation of Literature 323 .....	3
Speech Correction 330 .....	3

Electives, 6 hours:

Three hours selected from speech or drama courses and three hours selected from broadcasting. Electives to be approved by major professor.

**Curriculum for a Minor in Mass Communication**

Total hours required for a minor ..... 24

Required courses, 18 hours:

Introduction to Broadcasting 211 .....	3
Radio Announcing 213 .....	3
Radio Production 310a, 310b, Broadcasting 313a, 313b (select three) .....	3
Radio and Television Programming 327 <b>or</b>	
Educational Broadcasting 329 .....	3
Introduction to Journalism 101 .....	3
News Writing 204 <b>or</b>	
Editing and Make-up 206 .....	3

Electives, 6 hours:

Play Direction 309 <b>or</b>	
Direction 311 <b>or</b>	
Acting 203 <b>or</b> Acting 312 .....	3
Discussion 319 <b>or</b>	
Propaganda and Public Opinion 310 .....	3

200. **Voice and Diction.** Credit, three hours. This course employs phonetics and tape recordings to improve voice quality and reading and speaking ability.

202. **Fundamentals of Speech.** Credit, three hours. A course in preparation and delivery of speeches. Designed to develop assurance in public appearance, and give practice in organization and presentation of material to fit specific audiences and various occasions. This course includes training in voice, enunciation, and pronunciation.

203. **Play Acting.** Credit, three hours. Basic principles in acting stressed. Practice in acting and group rehearsal correlated with college theatre productions.
204. **Elements of Dramatic Production.** Credit, three hours. Staging, scene design, lighting, make-up, costume, play and cast selection, acting, direction and theatre management.
208. **Theatre Practice.** Credit, three hours. A detailed study of lighting techniques and practices, stagecraft, make-up and costuming. Practical experience is gained by working with college theatre productions.
211. **Introduction to Broadcasting.** Credit, three hours. Survey of television and radio, including history, legal aspects, programming and audience measurement, advertising and finance, network and local station operations.
213. **Radio Announcing.** Credit, three hours. Includes theory and practice of news reading and general announcing, as well as preparations of announcements. Students use college broadcasting facilities and participate in college productions.
246. **Stagecraft and Scene Design.** Credit, three hours. A study of the technical elements in play production. Scene design, scene construction, scene painting and staging are the areas stressed. Practical experience is gained by working with college theatre productions.
300. **Persuasive Speaking.** Credit, three hours. Techniques of persuasion in all forms of oral communications are analyzed. Logic, reasoning, fallacy, evidence, propaganda, proof, statistics, and refutation are specific matters discussed.
309. **Play Direction.** Credit, three hours. Theory of stage direction and a survey of practical phases of production. Each student is required to prepare a complete production script of a one-act play for presentation in the college theatre.
- 310a, 310b. **Radio Production.** Credit, one hour. Direct experience in the production of college programs. Assignments adjusted to student's interests and needs.
311. **Direction.** Credit, three hours. Further practice and experience in play directing. Each student is required to prepare a complete production script of a one-act play for presentation in assembly or evening performance.
312. **Acting.** Credit, three hours. Practice and experience in creating and sustaining roles in plays of various types, styles and periods. Credit for acting in departmental productions.
- 313a, 313b. **Broadcasting Laboratory.** Credit, one hour. Supervised participation in college productions.
315. **Public Speaking.** Credit, three hours. A course designed to further develop the areas of fundamentals of public speaking. Emphasis placed on organization and presentation of materials.
319. **Discussion: Principles and Types.** Credit, three hours. Theory and techniques of group decision-making. Course includes study of group interaction, principles of leadership, setting goals, preparing the agenda, parliamentary procedure, and methods of evaluation.
320. **Argumentation and Debate.** Credit, three hours. A study of logic and reasoning as they apply to argumentation and debate. Also a study of debate forms and techniques.

323. **Oral Interpretation of Literature.** Credit, three hours. Study in the theory and practice of deriving the meaning from prose and poetry and expressing these works effectively.
327. **Radio and Television Programming.** Credit, three hours. Course combines instruction in program types with radio production assignments.
329. **Educational Broadcasting.** Credit, three hours. Course includes instruction in techniques and philosophy of educational television and radio, and consideration of educational programs produced for public schools, colleges, and the general public. Students participate in the production of educational programs.
330. **Speech Correction.** Credit, three hours. An introduction to the study of speech disorders, elementary and fundamental diagnosis and rehabilitation of persons with defective speech.
341. **History of the Theatre.** Credit, three hours. The development of the theatre with special attention to period theatres and theatrical styles which influence modern stage presentations.
415. **Independent Study in Speech and Drama.** Credit, one to three hours. Designed for those students interested in speech and drama who desire to do independent study in some special field. See Independent Study Program. Prerequisite: six hours of advanced work in speech or drama. First and second semester.

**Broadcasting**

## DIVISION OF SOCIAL SCIENCES

Dr. Bushong, Chairman, Mr. Begole, Miss Frescoln, Mr. Eyler,  
Dr. Chamlee, and Mr. Lowe

### GEOGRAPHY

**Purpose:** To gain a better understanding and appreciation of the world in which we live.

#### Curriculum for a Minor in Geography

Total hours required for a minor ..... 24

Required courses, 21 hours:

Principles of World Geography 101 .....	3
Physical Geography 201 .....	3
World Economic Geography 301 .....	3
World Political Geography 302 .....	3
Geography of Europe 401 .....	3
Geography of North America 402 .....	3
Geography of Asia and Africa 406 .....	3
Electives, 3 hours (selected with consent of the adviser).	

101. **Principles of World Geography.** Credit, three hours. A topical survey of the regions and nations of the world. First and second semesters.
201. **Physical Geography.** Credit, three hours. A course to present land-forms to non-specialists. First semester.
301. **World Economic Geography.** Credit, three hours. A study of products of regions and world trade in foods, metals, and manufactured products. Second semester.
302. **World Political Geography.** Credit, three hours. Examination of the mutual relationships between the earth and the state in various type countries. First semester.
401. **Geography of Europe.** Credit, three hours. Geographic analysis of physical and human resources of Europe. First semester.
402. **Geography of North America.** Credit, three hours. Geographic analysis of physical and human resources of North America. First semester.
406. **Geography of Asia and Africa.** Credit, three hours. Geographic analysis of physical and human resources of Asia and Africa. Second semester.

### HISTORY

**Purposes:** To give some idea of how the civilizations of the world developed and to produce intelligent and responsible citizens.

#### Curriculum for a Major in History

Total hours required for a Major ..... 30

Required courses, 18 hours:

American History 201 and 202 .....	6
American Federal Government 101 .....	3
Modern European History 333 .....	3
American History Since 1900 312 or World History 404 .....	3
History of Russia 412 or the Far East 420 .....	3

Electives, 12 hours from the following:

The American Civil War 304 .....	3
History of the Lower Shenandoah Valley 305 .....	3
Economic History of the United States 311 .....	3
Ancient Civilization 331 .....	3
Medieval History 332 .....	3
Constitutional Law 401 .....	3

Total ..... 27

101. **History of Civilization.** Credit, three hours. A survey of civilization with emphasis upon the development of western culture. It begins with pre-historic man and continues to the end of the sixteenth century. First semester.
102. **History of Civilization.** Credit, three hours. Contemporary civilization and its world background with continuing emphasis on western culture. A continuation of 101 which includes the present. Second semester.
201. **Early American History.** Credit, three hours. American history and the development of democracy 1492 to 1865. First semester.
202. **Later American History.** Credit, three hours. American history from 1865 to the present. Emphasis is placed upon the aftermath of Reconstruction and the new social, political, and economic issues as they bear upon the history of the present. Second semester.
209. **West Virginia History, Geography and Government.** Credit, three hours. The Westward expansion across the mountains, the conflict between the Atlantic seaboard area and the West, the attainment of statehood, and present problems of the state. It includes a study of the rivers, mountains, transportation, industries, and economic problems. First semester.
304. **The American Civil War and Reconstruction.** Credit, three hours. A study of the events leading up to the Civil War, the war itself, and the immediate aftermath. The emphasis in the course is placed on the period between 1860 and 1865. Prerequisite: History 201 or its equivalent.
305. **History of the Lower Shenandoah Valley.** Credit, three hours. This course seeks to capitalize upon Shepherd's location in a rich historical section. The Potomac Valley is also included. A study is made of local and regional history from the early settlements to the present. Field trips are made to nearby historical places.
311. **Economic History of the United States.** Credit, three hours. Economic growth and development of the United States. On demand.
312. **American History Since 1900.** Credit, three hours. Begins with the problems of the Theodore Roosevelt administration and continues to the present. Prerequisite: History 202 or its equivalent.
331. **Ancient Civilization.** Credit, three hours. Primitive customs and thought, ancient civilizations, Greek art and philosophy, the Roman empire, barbarian invasions, and contributions of early peoples. Prerequisite: History 101 or its equivalent. On demand.
332. **Medieval History.** Credit, three hours. Early development of the church, Moslem expansion, feudalism, the Crusades, the Renaissance, the Reformation, wars of religion, and nationalism. Prerequisite: History 101 or its equivalent. On demand.
333. **Modern European History.** Credit, three hours. The political, economic, and intellectual achievements of Europe from the early nineteenth century to the present, with considerable emphasis on current national and international problems. Prerequisite: History 102 or its equivalent.
402. **Diplomatic History of the United States.** Credit, three hours. A survey of the development of the foreign policy of the United States from colonial times to the present. On demand.
404. **World History Since 1914.** Credit, three hours. Begins with World War I and continues to the present. On demand.
405. **History of England.** Credit, three hours. A survey of English civilization: political, economic, social and cultural developments. Attention is given to British imperial history, to the emergence of the Commonwealth of Nations, foreign policy, and present-day problems. On demand.

406. **Introduction to U. S. Foreign Policy.** (See Political Science.)
410. **American Colonial History.** Credit, three hours. A political, economic, and social study of American history from the first settlements up to the adoption of the Federal Constitution. Prerequisite: History 201 or its equivalent. On demand.
411. **Latin American History.** Credit, three hours. The colonial period, the independence movement, rise of national states, national and international developments to the present. On demand.
412. **History of Russia.** Credit, three hours. A study of Russia and its expansion from the Muscovite principality to the empire of the 20th century. Special emphasis is placed on the internal political, social, economic, and cultural development since 1917, and the international relations of the Soviet Union today. On demand.
413. **History.** Credit, three hours. An opportunity for independent study and preparation for graduate work. Included are methodology, historiography, and extensive work with source materials. The course is recommended for both history and political science majors.
420. **History of the Far East.** Credit, three hours. Historical interpretation of the role of Eastern Asia with attention to the rise of Japanese and Chinese nationalism, Western imperialism, the World Wars, and the post-war area. On demand.
421. **Study Tour of Europe.** Credit, six hours. A field trip which includes most of the countries of Western Europe: Holland, Belgium, France, Italy, Switzerland, Germany, England, and others when possible. Summer session. On demand.
422. **Round-the-World Tour.** Credit, six hours. Summer session. On demand.
423. **Latin American Tour.** Credit, three hours. Summer session. On demand.

## POLITICAL SCIENCE

**Purposes:** To develop an understanding of the privileges and responsibilities of citizenship, and of the structure and operation of governments. Particular emphasis is placed on the impact of recent scientific developments on our political, social, and economic institutions. Special attention is given to the preparation of students for careers in law, the foreign service, graduate work and research, and for all aspects of governmental employment.

The Department of Political Science is fortunate in that the national capital is less than a two-hour drive from the college. In this connection considerable time and effort have been devoted to the organization of programs which will provide students with practical, first-hand training, and with numerous opportunities to visit Washington, in order to observe the federal government in operation.

### Curriculum for a Major in Political Science

Total hours required for a major ..... 30

Required courses, 27 hours:

American Federal Government 101 .....	3
State and Local Government 102 .....	3
Political Parties 310 .....	3
Constitutional Law 401 .....	3
World Government and Politics 405 .....	3

History of Political Theory 315 .....	3
Recent and Contemporary Political Theory 316 .....	3
*Public Finance 310 .....	3
Comparative Governments 325 .....	3
Electives, 3 hours:	
Background of the News 334 .....	3
Diplomatic History of the United States 402 .....	3
Business Law 312 .....	3
World Political Geography 302 .....	3
Government and Business 300 .....	3
Introduction to U. S. Foreign Policy 406 .....	3
American Defense Policy 408 .....	3

### Curriculum for a Minor in Political Science.

Total hours required for a minor .....	21
----------------------------------------	----

Required courses: 21 hours:

American Federal Government 101 .....	3
Political Parties 310 .....	3
*Public Finance 310 .....	3
History of Political Theory 315 .....	3
Recent and Contemporary Political Theory 316 .....	3
Constitutional Law 401 .....	3
World Government and Politics 405 .....	3

\* Because of the prerequisites for Public Finance, students who plan to major in political science should begin their work in economics no later than the first semester of the sophomore year.

101. **American Federal Government.** Credit, three hours. A study of the functions and administration of the government of the United States. First semester.
102. **State and Local Government.** Credit, three hours. A study of the functions and administration of the government on the state and county levels. Second semester.
300. **Government and Business.** (See Business Administration.)
302. **World Political Geography.** (See Geography.)
- \*310. **Public Finance.** Credit, three hours. General survey of government expenditures, sources and methods of taxation, economic effects of expenditures and taxes, and of government debt policies. First semester. Prerequisites: Economics 205, 206, and 305. \*(See Business Administration.)
310. **Political Parties.** Credit, three hours. A study of the nature, growth and methods of political parties, and the conduct of elections. Second semester.
312. **Business Law.** Credit, three hours. (See Business Administration.)
315. **Early Political Theory.** Credit, three hours. A general survey of leading theories from ancient times to the present. Includes an opportunity to study the influence of political and social ideas upon the fundamental institutions of modern societies. First semester.
316. **Recent and Contemporary Theory.** Credit, three hours. The recent schools of political thought are presented with particular emphasis on the basic ideologies of the contemporary period. Second semester.
325. **Comparative Governments.** Credit, three hours. A comparative study of modern political institutions with particular attention to European government and politics. Second semester.

334. **Background of the News.** Credit, three hours. National and world problems are analyzed with reference to the conflict between pressure groups at the national level and ideologies at the international level. Particular attention is paid to the nature of the agencies of communication. (This course was formerly Current Affairs 334.) First semester.
401. **Constitutional Law.** Credit, three hours. Development of the American constitutional system and its workings. The relationship of the constitution to present political, social, and economic problems. First semester.
402. **Diplomatic History of the United States.** (See History.)
405. **World Government and Politics.** Credit, three hours. A study of international affairs in which an examination is made of the motives underlying the principal forces and influences in world affairs. The post-war international organization and international law receive special attention. Second semester.
406. **Introduction to U. S. Foreign Policy.** Credit, three hours. A survey of the historical background of U. S. foreign policy with emphasis on the post-World-War II period. Close attention will be directed toward the current U. S. organizational structure for its formulation, implementation, and an analysis of current policy content. Second semester.
407. **Introduction to International Law.** Credit, three hours. A survey of the nature, sources, and development of international law. Study of substantive elements through case studies will be stressed. First semester.
408. **American Defense Policy.** Credit, three hours. An examination of the historical development and current influences of U. S. military policy on U. S. foreign policy and international relations. Existing defense organizational structure and its relationship to other major federal agencies in the formulation and implementation of U. S. foreign policy will be analyzed.
413. **Techniques of Research.** Credit, three hours. An opportunity for independent study and preparation for graduate work. Included are methodology, historiography, and extensive work with source materials. This course is recommended for both History and Political Science majors.

Note: On occasion it becomes necessary to alter the above order of course presentation. The student should consult with the faculty member responsible for the course to ascertain whether such alteration is contemplated and, if so, whether or not it will affect his or her schedule.

## SOCIOLOGY

**Purposes:** To give a world-wide view of human groups and their relationships, and to give an understanding of intelligent cooperation which is essential for better living.

### Curriculum for a Minor in Sociology

Total hours required for a minor .....	21
Required courses in sociology 18 hours:	
General Sociology 203 .....	3
Social Problems 205 .....	3
The Family 303 .....	3
Population Problems 307 .....	3
Criminology 402 .....	3
Ethnic Relations 403 .....	3
Electives .....	3

203. **General Sociology.** Credit, three hours. Origin and development of groups, and social changes. Prerequisite for all upper-division courses in Sociology.
205. **Social Problems.** Credit, three hours. A study of current sociological problems.
301. **Introduction to Social Work.** Credit, 3 hours. The purpose of this course is to give the student a view of the field of social work. Emphasis is placed on the historical development of social welfare, social work processes, and social welfare programs.
303. **The Family.** Credit, three hours. A short history of types of families, the problems of mate selection, and a study of orderly family living.
307. **Population Problems.** Credit, three hours. A study of the theories of population, the interdependence of the peoples of the world, and population as a factor in the analysis of social problems. On demand.
401. **Industrial Sociology.** Credit, three hours. Industrial, business and other work units as social systems; the sociology of human relations as a study of people in this world of work.
402. **Criminology.** Credit, three hours. An inquiry into crime causation and treatment, with complementary attention given to selected types of crime.
403. **Ethnic Relations.** Credit, three hours. A survey of ethnic relations within American society, supplemented with illustrations from other societies.
404. **Sociology Seminar.** Credit, three hours. This course is designed for those students who have a minor in Sociology and who expect to pursue graduate study in the field.

Note: Education 310, Psychology 205 or Religion 318 can be used as an elective for the sociology minor.

Miss Ann Henshaw Gardiner class of 09 makes donation to the library.

## DIVISION OF SCIENCE AND MATHEMATICS

Mr. Harris, **Chairman**, Dr. Atherton, Dr. Bell, Mr. Bagnall,\* Mr. Carper,  
Dr. Diehl, Dr. Goulding, Mr. Jefferson,\* Mr. Kelso,  
Dr. Loganathan, Mr. Mason, Mr. Putz,\* Mr. Saab, Mr. Shaw,  
Mr. Smith and Mr. Woodward\*

### BIOLOGY

**Purpose:** The courses in biology are intended to acquaint the student with the living world around him and with the fundamental life processes; to demonstrate scientific methods of approach to problem solutions; to cultivate an attitude of inquiry and research; to develop laboratory skills in various types of work in botany, zoology, and related fields; to train students as teachers of biology; and to give pre-professional training in such fields as medicine, chemistry, and other related fields.

### Curriculum for Biology and General Science Teaching Field (Comprehensive) Grades 7 Through 12

Hours Required for Biological, General Science .....	50
Hours Required in Biological Science .....	28

**Required Courses in Biological Science:**

General Botany 208 or equivalent .....	4
General Zoology 209 or equivalent .....	4
Comparative Anatomy 332 .....	4
Plant Taxonomy 321 .....	3
Plant Anatomy 300 or Plant Pathology 310 (if both are chosen one elective below will be satisfied) .....	3
Histology 401 or Embryology 406 (if both are chosen one elective below will be satisfied) .....	4

**Electives, 6 hours: From courses listed below:**

Ornithology 301 .....	3
Bacteriology 302 .....	4
Entomology 303 .....	3
Human Anatomy and Physiology 307 .....	3
Conservation 309 .....	3
Field Zoology 312 .....	3
Plant Ecology 320 .....	3
Genetics 344 .....	3
Histological Techniques 402 .....	3
Parasitology 404 .....	3
Plant Physiology 410 .....	3
Animal Physiology 412 .....	3

Hours Required in Physical Science .....	22
------------------------------------------	----

**Required Courses:**

General Chemistry 101 or equivalent .....	4
General Chemistry 102 or equivalent .....	4
General Physics 211 .....	4
General Physics 212 .....	4
Physical Geology 206, or Historical Geology 207 .....	3
General Astronomy 105 .....	3

**Electives if desired:**

Meteorology 100 .....	3
Earth Science 305 .....	3
Geology (not taken above) .....	3

Mathematics beyond General Education Mathematics to be prescribed by the Division of Science and Mathematics.

\* Part time instructors.

Each elective is subject to approval by the Division of Science and Mathematics; in each case the student's needs will be considered as they relate to the choice made between Biology 300 and 310 as well as the choice between Biology 401 and 406.

### Curriculum for a Major in Biology

Total hours in biology required for a major ..... 30

Required biology courses, 22 hours:

General Botany 208 .....	4
General Zoology 209 .....	4
Plant Taxonomy 321 .....	3
Comparative Anatomy 332 .....	4
Embryology 406 or Histology 401 .....	4
Plant Pathology 310 or Plant Anatomy 300 .....	3

Elect a minimum of eight hours from the courses listed below with at least one course from the plant sciences and one from the animal sciences. The student should consult his adviser on these courses.

Electives:

Ornithology 301 .....	3
Bacteriology 302 .....	4
Entomology 303 .....	3
Field Zoology 312 .....	3
Plant Ecology 320 .....	3
Genetics 344 .....	3
Histological Techniques 402 .....	3
Parasitology 404 .....	3
Plant Physiology 410 .....	3
Animal Physiology 412 .....	3

Required related courses:

General Chemistry 101 .....	4
General Chemistry 102 .....	4
General Physics 211 .....	4
General Physics 212 .....	4

### Curriculum for a Minor in Biology

Total hours required for a minor ..... 26

Required biology courses, 22 hours:

General Botany 208 .....	4
General Zoology 209 .....	4
Plant Taxonomy 321 .....	3
Comparative Anatomy 332 .....	4
Embryology 406 or Histology 401 .....	4
Plant Pathology 310 or Plant Anatomy 300 .....	3

Elect a minimum of four hours from courses listed. The student should consult his adviser on these courses.

Electives:

Ornithology 301 .....	3
Bacteriology 302 .....	4
Entomology 303 .....	3
Field Zoology 312 .....	3
Plant Ecology 320 .....	3
Genetics 344 .....	3
Histological Techniques 402 .....	3
Parasitology 404 .....	3
Plant Physiology 410 .....	3
Animal Physiology 412 .....	3

## Required related courses:

General Chemistry 101	4
General Chemistry 102	4

**BIOLOGY COURSES**

101. **General Biological Science.** Credit four hours. For students who will generally take no further work in Biology beyond this course and the course which follows, General Biological Science 102. The course treats generally the science of plant biology. However, a constant effort is made to relate functions considered to life generally. The inter-relationship of plant forms is emphasized. Laboratory hours are devoted to the strengthening of the material covered in the classroom. First semester and summer.
102. **General Biological Science.** Credit, four hours. This course, along with Biological Science 101, is intended for those students who will generally be taking no further work in biology. The center of this study is man. As an example, functions and structures as considered in other animals are used at a basis for an understanding of similar functions and structures in man. The course both in lecture and laboratory is based upon the promise "To understand life it is necessary to understand the cell as the functional and structural unit of the organism." Second semester and summer.
208. **General Botany.** Credit, four hours. Biology 208 and Biology 209 are the introductory biology to be taken for a biology major, minor or teaching field. General Botany considers general principles of life science as illustrated by plant life. First semester.
209. **General Zoology.** Credit, four hours. Biology 208 and 209 constitute the introductory biology to be taken for a biology major, minor, or teaching field. General Zoology considers the general principles of life science as illustrated by animal life. The structure, functions and relationships of invertebrate life are studied, theory vertebrate life forms culminating in a brief survey of the anatomy and physiology of the human body. Second semester.
300. **Plant Anatomy.** Credit, three hours. A detailed laboratory study of the structural features of seed plants. Some relationships of the structures to processes, and some economic factor are considered where appropriate. The evolutionary significance of the different kinds of stele in vascular plants is considered. Morphogenesis is considered briefly. Prerequisite: Biology 208. Second semester.
301. **Ornithology.** Credit, three hours. The anatomy, physiology, behavior and taxonomy of birds will be considered in lectures, while in the field, an understanding of birds based upon sight, song, flight, nesting habits and ecology will be the approach. Prerequisite: General Biology or its equivalent. Summer, on demand.
302. **Bacteriology.** Credit, four hours. Introducing the student to the general principles and techniques of bacteriology, with attention to the micro-organisms of air, water, milk, soils, and to the relation of such organisms to health and disease in plants and animals, to domestic science, agriculture and the industries. Prerequisites: Biology 208 and Chemistry 101-102. On demand.
303. **Entomology.** Credit, three hours. A study of the morphology, physiology, and life history of the insects and related arthropods, with field collection and laboratory identification of insects. The beneficial and detrimental activities of insects are noted, with a brief consideration of culture and control methods. Prerequisite: Biology 209.

307. **Human Anatomy and Physiology.** Credit, three hours. A lecture course which familiarizes the student with the vital processes of the human organism and with the anatomical structures involved. It is designed to aid those planning to teach biology or physical education in the secondary schools. Prerequisite: Biology 209 or its equivalent. Each semester.
308. **Human Anatomy.** Credit, one hour. A laboratory course which familiarizes the student with anatomical structures of the human body and the vital processes involving them. It is designed for those who plan to teach physical education. Prerequisite: Biology 209 or its equivalent. Can only be taken concurrently with Biology 307. Not open to students who have taken or will take Biology 332. Each semester.
309. **Conservation.** Credit, three hours. A general survey course with emphasis on the broad aspects of national conservation problems and local applications of conservation measures. Night, on demand.
310. **Plant Pathology.** Credit, three hours. A study of the morphology, life history, host range, and physiology of the plant pathogenic fungi, bacteria, nematodes, and viruses, and a study of the symptoms, pathological anatomy, physiological responses, economic importance and control measures of the more important plant diseases. Prerequisite: Biology 208. First semester.
312. **Field Zoology.** Credit, three hours. A study of the vertebrate animal life of the Eastern Panhandle and associated areas. Collecting and observing field trips will enable the student to better understand the interrelationship of various forms of animal life and their plant environment. Prerequisite: Biology 209. Summers, on demand.
320. **Plant Ecology.** Credit, three hours. A study of plant distribution with the emphasis on the factors of soil, water, temperature, air, and biotic factors. The climax communities in the vegetation of North America are studied, along with the study of some typical patterns of plant succession. Application of principles are made in field and laboratory work. Prerequisites: Biology 208 and 321. On demand.
321. **Plant Taxonomy.** Credit, three hours. Field recognition and laboratory identification of the more common vascular plants of the Eastern Panhandle region. Basic principles of classification and nomenclature are noted. An herbarium collection of identified plants is prepared for future reference. Prerequisite: Biology 208. Second semester.
332. **Comparative Anatomy.** Credit, four hours. A comparative study of organs and systems of representative forms of chordates keeping in mind the evolutionary development and relationships of these forms. Time is devoted to the application of embryological development to an understanding of the adult organism. In the laboratory a detailed dissection and comparative study is made of the amphioxus, necturus, dogfish, and cat. Prerequisite: Biology 209 or equivalent. First semester.
344. **Genetics.** Credit, three hours. Basic principles of genetics illustrated by problems solving experience in interpreting pedigrees genetic ratios, chromosome mapping, and special patterns of inheritance and gene interactions are studied. The genetic principles involved in the origin of species, the chemical nature of the gene, and the biochemistry of gene action are studied. Prerequisites: Biology 208 and 209. On demand.
401. **Histology.** Credit, four hours. Designed to acquaint the student with the detailed structure of animal tissues and in its broader aspects correlates the structural features with function. Prerequisite: Biology 209 and 332. Second semester.

402. **Histological Techniques.** Credit, three hours. To provide training in the techniques involved in tissue preparation for microscopic study. Experiences in preparation of both animal and plant tissue will be provided. There will also be afforded an opportunity to prepare whole amounts of unicellular plants and animals as well as some small multicellular organisms. Prerequisite: Biology 208 and 209. On demand.
404. **Parasitology.** Credit, three hours. An introductory course dealing with parasitic protozoa, worms, and arthropoda, and their relationship to diseases to man and higher animals. Prerequisite: Biology 208 and 209. On demand.
406. **Embryology.** Credit, four hours. A study of the development and structure of the germ cell, the fertilization and cleavage of the egg, the formation of the principal organs of the body, and the histologic differentiation of tissues of vertebrates. Prerequisites: Biology 209 and 332. First semester.
410. **Plant Physiology.** Credit, three hours. Designed to acquaint the student with certain fundamental physiological processes. Emphasis is placed on physiological principles and their application to the living plant. One must have a background of biology and chemistry to qualify for this course. Prerequisite: Biology 208 and Chemistry 101 and 102. On demand.
412. **Animal Physiology.** Credit, three hours. A study of the diverse ways in which different kinds of animals meet their functional requirements. One must have a background of biology and chemistry to qualify for this course. Prerequisites: Biology 208 and 209 or the equivalent and Chemistry 101 and 102 or the equivalent. On demand.
415. **Biological Research.** Credit, one to three hours. Outstanding biology students are given an opportunity to work on some problems of a research nature. This work is done under the direction of the biology staff. An opportunity is given those who do an outstanding job to have their findings published through the West Virginia Academy of Science. On demand.

## CHEMISTRY

**Purposes:** The department offers a comprehensive program of courses in chemistry designed to serve those students preparing: (1) to enter the field of industrial chemistry; (2) to enter graduate school in the field of chemistry; (3) to work in related fields where chemistry is an important part of their background; (4) to teach chemistry and general science; and (5) for a non-science career where a broad educational background is needed.

### Curriculum for Chemistry and General Science Teaching Field (Comprehensive) Grades 7 Through 12

Hours required for Chemistry, General Science .....	42
Hours required in Chemistry .....	20
Required courses in Chemistry: 16 hours	
General Chemistry 101, 102 .....	8
Organic Chemistry 315, 316 .....	8
Electives: 4 hours	
Qualitative Analysis 311 .....	4
Quantitative Analysis 312 .....	4
Inorganic Chemistry 301, 302 .....	6
Advanced Quantitative Analysis 321 .....	3
Physical Chemistry 401, 402 .....	8
Inorganic Preparations 403 .....	3
Advanced Organic Chemistry 405, 406 .....	6
Elective, in addition to 4 hours required above, if desired:	
Biochemistry 319 .....	3
Hours required in related fields: .....	22

## Required courses in related fields:

General Botany 208 .....	4
General Zoology 209 .....	4
General Physics 211, 212 .....	8
Physical Geology 206 or .....	3
Historical Geology 207 .....	3
General Astronomy 105 .....	3

## Electives, if desired:

Earth Science 305 .....	3
Meteorology 100 .....	3
Geology (not taken above) .....	3
Conservation 309 .....	3

Mathematics beyond General Education Mathematics to be prescribed by the Division of Science and Mathematics and to meet the needs of the individual.

**Curriculum for a Major in Chemistry**

Total hours required for a major ..... 32

## Required courses:

General Chemistry 101, 102 .....	8
Organic Chemistry 315, 316 .....	8
Qualitative Analysis 311 .....	4
Quantitative Analysis 312 .....	4
Physical Chemistry 401, 402 .....	8

## Electives:

Inorganic Chemistry 301, 302 .....	6
Biochemistry 319 .....	3
Advanced Quantitative Analysis 321 .....	3
Inorganic Preparations 403 .....	3
Advanced Organic Chemistry 405, 406 .....	6

**Curriculum for a Minor in Chemistry**

Total hours required for a minor ..... 24

## Required courses: 16 hours

General Chemistry 101, 102 .....	8
Organic Chemistry 315, 316 .....	8

## Electives: 8 hours

Qualitative Analysis 311 .....	4
Quantitative Analysis 312 .....	4
Inorganic Chemistry 301, 302 .....	6
Biochemistry 319 .....	3
Advanced Quantitative Analysis 321 .....	3
Physical Chemistry 401, 402 .....	8
Inorganic Preparations 403 .....	3
Advanced Organic Chemistry 405, 406 .....	6

**CHEMISTRY COURSES**

- 101, 102. **General Chemistry.** Credit, four hours. A study of the fundamental laws and theories of chemistry. Atomic and molecular structures are related to the properties of the common elements and their compounds. Each year, Summer on demand.
- 103, 104. **Elementary Chemistry.** Credit, four hours. A study of the basic principles of chemistry with emphasis on the properties and reactions of naturally occurring compounds. Not for chemistry majors or minors. Each year.

301. 302. **Inorganic Chemistry.** Credit, three hours. The theoretical principles of chemical bonding and molecular structure on inorganic compounds. Includes chemical periodicity, coordination compounds and ligand field theory. Prerequisites: Chemistry 101 and 102. On demand.
311. **Qualitative Analysis.** Credit, four hours. The theories of mass action, chemical equilibrium and oxidation-reduction with practice in the separation and identification of the common anions and cations. Prerequisites: Chemistry 101 and 102. First Semester.
312. **Quantitative Analysis.** Credit, four hours. The theory and practice of volumetric and gravimetric methods of analysis of inorganic materials. Prerequisites: Chemistry 101 and 102. Second semester.
315. 316. **Organic Chemistry.** Credit, four hours. The systematic study of the compounds of carbon including the nomenclature, typical reactions and synthesis of the aliphatic, alicyclic and aromatic series. Prerequisites: Chemistry 201 and 102. Each year.
319. **Biochemistry.** Credit, three hours. The chemistry of the carbohydrates, lipides, proteins, vitamins and hormones and their relationship to the metabolism of living organisms. Prerequisites: Chemistry 315 and 316. Recommended: Biology 208 and 209. On demand.
321. **Advanced Quantitative Analysis.** Credit, one to three hours. The principles and application of contemporary analytical techniques with emphasis on instrumental methods. Prerequisite: Chemistry 312. On demand.
401. 402. **Physical Chemistry.** Credit, four hours. A study of the principles of theoretical chemistry including thermodynamics, kinetics, quantum mechanics, electro-chemistry, spectroscopy and atomic and molecular structure. Prerequisites: Chemistry 311 and 312 or concurrent registration therein, Physics 211 and 212. Each year.
403. **Inorganic Preparations.** Credit, one to three hours. Laboratory practice in the preparation of selected inorganic compounds. Prerequisites: Chemistry 311 and 312. On demand.
405. 406. **Advanced Organic Chemistry.** Credit, one to three hours. An advanced organic course which may include syntheses, reactions, analyses, seminars and literature search. Prerequisites: Chemistry 315 and 316. On demand.
410. **Special Studies.** Credit, one to three hours. Studies of an investigative nature in areas of chemistry related to the student's interest. May include laboratory work, literature search and seminars. By departmental permission. On demand.
416. **Research in Chemistry.** Honors course. Credit, one to three hours. Outstanding students are given the opportunity to pursue a minor research problem under the guidance of the staff. For requirements, refer to "Independent Studies Program" in catalog. On demand.

## PHYSICS

**Purpose:** To promote scientific thinking; to acquaint the student with the physics of his environment, thus making him more at home in it; to prepare the student for professional schools; to supply competent teachers for the public schools; to furnish the background necessary for the success of students of the other disciplines.

### Curriculum for Physics and General Science Teaching Field (Comprehensive) Grades 7 Through 12

Hour required for Physics, General Science .....	42
Hours required in Physics .....	20

#### Required courses in Physics:

General Physics 211 .....	4
General Physics 212 .....	4

#### Electives:

Photography 310 .....	3
Fundamentals of Physics for High School Teachers 311 .....	3
Mechanics 319 .....	4
Heat 320 .....	4
Light 321 .....	4
Electricity and Magnetism 322 .....	4
Introduction to Modern Physics 323 .....	4

#### Required related courses:

General Botany 208 or equivalent .....	4
General Zoology 209 or equivalent .....	4
General Chemistry 101 .....	4
General Chemistry 102 .....	4
General Astronomy 105 .....	3
Physical Geology 206 or Historical Geology 207 .....	3

#### Electives, if desired:

Meteorology 100 .....	3
Earth Science 305 .....	3
Geology (not taken above) .....	3
Conservation 309 .....	3

Mathematics beyond General Education Mathematics to be prescribed by Division of Science and Mathematics and to meet the needs of the individual.

### Curriculum for a Minor in Physics

#### Required courses, 24 hours:

General Physics 211 .....	4
General Physics 212 .....	4
Selected from Group II .....	16

Physics minors must complete Calculus 306 by the end of the sophomore year.

### PHYSICS COURSES

#### Group I

211. **General Physics.** Credit, four hours. An introductory treatment of the fundamentals of mechanics, heat and sound. Three lecture-recitation periods and one double laboratory period per week. First semester.
212. **General Physics.** Credit, four hours. An introductory treatment of the fundamentals of electricity, magnetism and light. Three lecture-recitation periods and one double laboratory period per week. Prerequisite: Physics 211. Second semester.
300. **Electronics.** Credit, four hours. A development of the fundamental concepts and principles of vacuum-tube and semi-conductor theory and their application to such circuits as power supplies, amplifiers, and oscillators. Prerequisites: Physics 211 and 212, and consent of instructor. On demand.

310. **Photography.** Credit, three hours. An introductory course in photography dealing with the characteristics and uses of various types of cameras, lenses, filters, and films. Developing and printing will be done in laboratory sessions. The physics appropriate to the subject will be treated. Summer, on demand.
311. **Fundamentals of Physics for High School Teachers.** Credit, three hours. A survey of general physics with special reference to the fundamental concepts, demonstrations, use of equipment, organization of subject matter and effective methods of teaching. Prerequisite: Physics 212. On demand.

### Group II

319. **Mechanics.** Credit, four hours. A development of the fundamental concepts and principles of mechanics, using mathematical methods. Prerequisites: Physics 211 and consent of instructor. Second semester, on demand.
320. **Heat.** Credit, four hours. A development of the fundamental concepts concerning heat, the gas laws and elementary thermodynamics. Prerequisites: Physics 211 and consent of instructor. Second semester, on demand.
321. **Light.** Credit, four hours. Covers the fundamental principles of geometrical and physical optics. Work is done in optical instruments, spectrometer, interferometry and polarization. Prerequisites: Physics 212 and consent of instructor. On demand.
322. **Electricity and Magnetism.** Credit, four hours. An introduction to the theory of electricity and magnetism and to its application in practical problems. Prerequisites: Physics 212 and consent of instructor. First semester, on demand.
323. **Introduction to Modern Physics.** Credit, four hours. An introduction to contemporary atomic physics. Particle analysis, phenomenon connected with the structure of the atom. Radioactivity and evidence for the planetary model of the atom are treated. Electron and nuclear masses and charges are also considered. Prerequisites: Physics 212 and consent of instructor. First semester, on demand.

## GENERAL SCIENCE

**Purposes:** To enable the student to acquire general knowledge of his physical and biological universe, to come to understand the sciences of chemistry, physics and biology as they affect his daily living and to acquire general knowledge of resources and mineral products.

### Curriculum for General Science (Associate Teaching Field) Grades 7 Through 9

Hours required for General Science ..... 36

Required Courses:

General Botany 208 or equivalent .....	4
General Zoology 209 or equivalent .....	4
Plant Taxonomy 321 or Entomology 312 .....	3
General Chemistry 101 or equivalent .....	4
General Chemistry 102 or equivalent .....	4
General Physics 211 .....	4
General Physics 212 .....	4
Physical Geology 206 or Historical Geology 207 .....	3
General Astronomy 105 .....	3

Electives, 3 hours:

Meteorology 100 .....	3
Earth Science 305 .....	3
Geology (not taken above) .....	3
Conservation 309 .....	3

Those who pursue this program must select an additional field.

### **Curriculum for a Teaching Field with Subject Specialization in Science Grades 5 Through 9**

Hours Required ..... 31

Required Courses:

General Biological Science 101 .....	4
General Biological Science 102 .....	4
General Physical Science 103 .....	4
General Physical Science 104 .....	4
Physical Geology 206 or Earth Science 305 .....	3

Electives, 12 hours:

Two courses from the following:

Historical Geology 207 .....	3
General Astronomy 105 .....	3
Meteorology 100 .....	3

Two courses from the following:

Plant Taxonomy 321 .....	3
Field Zoology 312 .....	3
Entomology 303 .....	3
Conservation 309 .....	3

**Dr. Bell Directs a Plant Taxonomy Laboratory**

### GENERAL SCIENCE COURSES

100. **Meteorology.** Credit, three hours. A course dealing with the physical processes involved in weather phenomena, emphasizing the gathering of pertinent data and its analysis, on demand.
101. **General Biological Science.** Credit, four hours. For students who will generally take no further work in Biology beyond this course and the course which follows, General Biological Science 102. The course treats generally the science of plant biology. However, a constant effort is made to relate functions considered to life generally. The inter-relationship of plant forms is emphasized. Laboratory hours are devoted to the strengthening of the material covered in the classroom. First semester and summer.
102. **General Biological Science.** Credit, four hours. This course, along with Biological Science 101, is intended for those students who will generally be taking no further work in biology. The center of this study is man. As an example, functions and structures as considered in other animals are used as a basis for an understanding of similar functions and structures in man. The course both in lecture and laboratory is based upon the promise "To understand life it is necessary to understand the cell as the functional and structural unit of the organism." Second semester and summer.
103. **General Physical Science.** Credit, four hours. A survey course in physical science encompassing astronomy, chemistry, geology, meteorology, nuclear science and physics. The principles and applications presented are characteristic of introductory courses in the separate areas listed above. The scientific approach to problem solving and the interdependency of the areas of science are emphasized. Three lecture-recitation periods and one double laboratory period per week. First semester and summer.
104. **General Physical Science.** Credit, four hours. A continuation of General Physical Science 103. Second semester and summer.
105. **General Astronomy.** Credit, three hours. A descriptive course dealing with the physical nature of the stars, sun and planets as seen by the modern astronomer. On demand.
206. **Physical Geology.** Credit, three hours. A general study of igneous, metamorphic, and sedimentary rocks, relief, water and the more important minerals and ores. On demand.
207. **Historical Geology.** Credit, three hours. A study of the history of the earth—its changing face and structure and the changing forms of living things whose remains or traces are found in the rocks. The program of study will include several field trips. On demand.
300. **History of Science.** Credit, three hours. A general survey of the progress of science from earliest times to the present. The main scientific discoveries and theories are considered in their historical perspective. On demand.
305. **Earth Science.** Credit, three hours. A course which directs attention to the planet we live on and its place in its solar system. A study of our solar system, physical geography, geology and meteorology with emphasis on the maps of each, field observations, and applications of theory to practical situations comprise the subject matter. On demand.
309. **Conservation.** Credit, three hours. A general survey course with emphasis on the broad aspects of national conservation problems and local applications of conservation measures. On demand.

310. **The Teaching of Science in the Elementary School.** Credit, two hours. A course designed to aid the prospective elementary teacher in the planning and administering of elementary science in grades one through six. Emphasis will be placed upon the organizing and presenting of such experiences as field trips, experiments, etc. Summer, on demand.
324. **The Teaching of Science in the Secondary Schools.** Credit, two hours. The "Team Teaching" method is used, involving a staff member from the Biological Science, one from the Physical Sciences and the Division Chairman. The students lay plans for a course as they would teach it in one of the science disciplines. Each student is provided an opportunity to teach on the secondary level using the other class members as his students. A well planned syllabus is required of each student. Problems relating to the teaching of the high school sciences are discussed. First or second semester.

## MATHEMATICS

**Purposes:** To develop the ability of the individual to use the methods of mathematical reasoning; to furnish the mathematical tools prerequisite to success in the natural sciences and engineering; to provide a thorough understanding of the processes and purposes of mathematics together with sound training in subject matter and an appreciation of contemporary trends in classroom methods and materials for those preparing to teach mathematics in the public schools; to improve the general understanding of the basic principles necessary to mechanical and scientific development; to foster the broader and more intelligent use of quantitative data in all fields of knowledge; and to promote an appreciation of the value of the study of mathematics as a separate and independent discipline.

### Curriculum for Mathematics Teaching Field (Comprehensive) Grades 7 Through 12

Hours Required for Mathematics ..... 30

Required Courses:

Trigonometry 106 .....	3
Advanced Algebra 201 .....	3
Analytic Geometry 232 .....	4
Differential Calculus 305 .....	4
Integral Calculus 306 .....	4
Introduction to Abstract Algebra 421 .....	3
Foundations of Geometry 424 .....	3

Electives, 6 hours:

Numerical Analysis 317 .....	3
Differential Equations 401, 402 .....	6
Number Theory 404 .....	3
Topics in Modern Mathematics 405 .....	3
Linear Algebra 407 .....	3
Advanced Calculus 410, 411 .....	6
History of Mathematics 414 .....	2
Projective Geometry 425 .....	3

### Curriculum for Mathematics (Associate Teaching Field) Grades 7 Through 12

Hours Required for Mathematics ..... 18

Required Courses:

Trigonometry 106 .....	3
Advanced Algebra 201 .....	3
Analytic Geometry 232 .....	4
Differential Calculus 305 .....	4
Introduction to Abstract Algebra 421 .....	3

Elect at least one course from the following:

Integral Calculus 306 .....	4
Number Theory 404 .....	3
Topics in Modern Mathematics 405 .....	3
History of Mathematics 414 .....	2
Foundations of Geometry 424 .....	3

Those who pursue this program must select an additional field.

### Curriculum for a Teaching Field with Subject Specialization in Mathematics Grades 5 Through 9

Hours Required for Mathematics ..... 14

Required Courses:

Mathematics for Elementary Teachers 300 .....	2
Introduction to Mathematics 215 .....	3
Advanced Algebra 201 .....	3
Introduction to Abstract Algebra 421 .....	3
Foundations of Geometry 424 .....	3

### Curriculum for a Major in Mathematics

Hours Required in Mathematics ..... 30

Required Courses:

Trigonometry 106 .....	3
Advanced Algebra 201 .....	3
Analytic Geometry 232 .....	4
Calculus 305, 306 .....	8
Electives beyond Calculus .....	12

### Curriculum for a Minor in Mathematics

Hours Required in Mathematics ..... 24

Required Courses:

Trigonometry 106 .....	3
Advanced Algebra 201 .....	3
Analytic Geometry 232 .....	4
Calculus 305, 306 .....	8
Electives beyond Calculus .....	6

Choice of electives in connection with each of the above programs in subject to the approval of the advisor.

## MATHEMATICS COURSES

103. **Intermediate Algebra.** Credit, three hours. Offered for those not having the second year of high school algebra. First semester.
106. **Trigonometry.** Credit, three hours. Prerequisite: Mathematics 103 or equivalent high school mathematics. A course in plane trigonometry together with selected topics from spherical trigonometry. First semester.
201. **Advanced Algebra.** Credit, three hours. Prerequisite: Mathematics 103 or equivalent high school mathematics. More advanced topics in algebra, including progressions, permutations and combinations, the binomial theorem, mathematical induction and an introduction to theory of equations. This course may be taken concurrently with Mathematics 232. First and second semesters.
202. **Slide Rule.** Credit, one hour. A course designed to acquaint students with basic operations on the standard slide rule. On demand.
211. **Mathematics of Finance.** Credit, three hours. Principles of interest and discount, annuities and insurance, amortization, bonds, and similar topics. Required for all business administration majors. First semester.
215. **Introduction to Mathematics.** Credit, three hours. A study of the structure of number systems and the operations defined on these systems. A development of the ability to analyze and use such systems. An introduction to the ideas and basic principles of some areas of mathematics: algebra, trigonometry, and analytic geometry. Required of all students other than those taking Math 201 and the courses leading up to Math 201, and this with permission of the Division of Science and Mathematics. First and second semester, and summer.
232. **Analytic Geometry.** Credit, four hours. The methods of algebra applied to the field of geometry. Introduction to the conic sections and certain transcendental curves. Certain topics in the analytic geometry of three dimensions. Prerequisite: Mathematics 106. This course may be taken concurrently with Mathematics 201, but not before. Second semester.
300. **Mathematics for Elementary Teachers.** Credit, two hours. Relates the mathematics of the real number field to numbers in everyday use. The set theory approach to numbers is consistent throughout the course. Typical of the course are topics related to the development of the rationals and irrationals as subsets of the real number field, addition and multiplication in the real number system, union and intersection of sets, and ratio and proportion. Prerequisite: Must be of junior standing. Open to elementary teachers only. First semester and summer.
305. **Differential Calculus.** Credit, four hours. Prerequisites: Mathematics 201 and 232. Fundamental ideas and applications of different calculus. Emphasis is placed upon the correlation of calculus with physics and mechanics. A short section on the anti-differentiation of the real, rational polynomial in  $x$  is also included. First semester.
306. **Integral Calculus.** Credit, four hours. Continuation of Mathematics 305. An extended study of anti-differentiation and its applications. Special topics include: Indeterminate forms, computations by series, iterated integrals, and an introduction to simple homogenous differential equations. Second semester.
- 310a-b. **Arithmetic Clinics.** Credit, one hour each. Offered in summer school only, on demand.
314. **Statistical Analysis.** Credit, three hours. A course for those needing an elementary knowledge of statistical methods and the interpretation of statistical data. Frequency distributions, measures of central tendency

- and dispersion, correlation, elementary analysis of variance, and familiar topics. The problem approach is emphasized. Required of Business Administration majors. Second semester.
317. **Numerical Analysis.** Credit, three hours. Prerequisite: Mathematics 305 and 306. An introduction to the mathematics used in programming electronic computers and of the procedures associated with the operation of programming. A study of the numerical solution of problems and of the contribution to numerical analysis made by certain individuals. On demand.
- 401-402. **Differential Equations.** Credit, three hours each semester. Prerequisite: Mathematics 305-306. Methods of solving differential equations and their application in the physical and biological sciences. Both ordinary and partial differential equations are included. Alternate years.
404. **Number Theory.** Credit, three hours. Prerequisite: Mathematics 305-306. An introductory course in number theory with emphasis on the classical theorems and problems. Alternate years.
405. **Topics in Modern Mathematics.** Credit, three hours. Prerequisite: Approval of the instructor. A survey course designed to acquaint advanced students with certain topics outside the traditional course in mathematics.
407. **Linear Algebra.** Credit, three hours. Prerequisite: Approval of the instructor. Vectors and analytic geometry of space, Euclidean  $n$ -space, linear transformations and matrices, bilinear and quadratic forms, and complex number field, polynomial rings, and similar topics. On demand.
410. **Advanced Calculus.** Credit, three hours. Prerequisites: Mathematics 305 and 306. An intense study of the theory of calculus including a thorough examination of the fundamentals of elementary calculus and its extensions. First semester, alternate years.
411. **Advanced Calculus.** Credit, three hours. Continuation of Mathematics 410. Further examination of the theory of calculus with special emphasis on its relationship to and effect upon other areas of mathematics. Second semester, alternate years.
414. **History of Mathematics.** Credit, two hours. Chronological and topical study of development of mathematics through the first steps in calculus. Of particular importance to mathematics teachers. On demand.
415. **Introduction to Topology.** Credit, three hours. A study of the concepts of pointset topology including topological spaces, separation properties, compactness, continuity and convergence. On demand.
421. **Introduction of Abstract Algebra.** Credit, three hours. Provides the student with a body of facts from number theory, group theory, and formal algebra necessary to understanding and appreciation of abstract algebra. First semester, alternate years.
423. **Teaching of Secondary Mathematics.** Credit, two hours. (See Education 424.) On demand.
424. **Foundations of Geometry.** Credit, three hours. A careful axiomatic development of certain parts of elementary euclidean and non-euclidean geometry. The examination of the axiomatic method as an important pattern of thought. Alternate years.
425. **Projective Geometry.** Credit, three hours. Homogenous coordinates, higher dimensional spaces, conics, linear transformations and quadric surfaces, and similar topics. On demand.
430. **Independent Study.** Credit, one to three hours. Under certain conditions advanced students may be admitted to independent study in mathematics. For detailed requirements see page 36 of the catalog. On demand.
432. **Seminar.** Credit, one hour. This course is designed for those students who plan to pursue graduate study in Mathematics. Subjects are selected in accordance with the needs and interests of students currently enrolled. Offered on demand. Admission on faculty recommendation only.

Laboratory Students Get Individual Instruction

## NURSING EDUCATION

Plan: The college has an affiliation with the Kings Daughters Hospital in Martinsburg, West Virginia, for the first semester of the basic nursing course whereby the students receive seventeen hours of credit for the following collegiate courses:

- 101N. **Chemistry.** Credit, three hours. This course emphasizes the fundamental laws of chemistry applied alike to inorganic and organic compounds. Time is also devoted to those phases of biochemistry which are essential to the fields of nursing and medicine.
- 201N. **Anatomy and Physiology.** Credit, five hours. In this course there is an integration with the anatomy and physiology of each system. Laboratory work supplements the text in which related experiments in physiology are performed.
- 202N. **Psychology.** Credit, two hours. Emphasis is placed upon the individual adjustment to new and changing environment as well as methods of study, learning, and motivation.
- 203N. **Nutrition and Cookery.** Credit, two hours. This course is planned to give the student nurse the general information which she needs relative to normal nutrition and to the care and preparation of food.
- 207N. **Sociology.** Credit, two hours. The focus is upon the patient as a member of his society with special concern for those elements of social interactions which contribute to his being a patient.
- 310N. **Microbiology.** Credit, three hours. Through the use of lecture, laboratory and discussion, the student gains a general knowledge of micro-organisms and their relation to health and disease and is taught the practical application of the principles of microbiology.

**SHEPHERD COLLEGE GRADUATES FOR 1966****Bachelor of Arts**

Mildred I. Jones, Woodbridge, Virginia  
Robert Nelson Duncan, White Hall, Maryland  
Jon Berry Everett, Berkeley Springs, West Virginia  
Wayne Lee Garner, Baltimore, Maryland  
Anne Lindsay Kerfoot, Shepherdstown, West Virginia  
Edward R. Knisley, Capon Bridge, West Virginia  
Virginia Ortt Marr, Woodbridge, Virginia  
Benjamin Laird Marshall, Shepherdstown, West Virginia  
Barbara Jean Samsell, Fayetteville, Pennsylvania  
Ruth-Marie Sundstrom, Chevy Chase, Maryland  
Brayden Randall Thomas, Boonsboro, Maryland  
Jane Marie Trimble, Elkins, West Virginia  
Ronald Lee Weagley, Hagerstown, Maryland

**Bachelor of Science**

June Lisetta Schewanebeck, Hagerstown, Maryland  
Billie Jean Abell, Sterling, Virginia  
John Paul Ayres, Martinsburg, West Virginia  
Courtney Dale Beard, Boonsboro, Maryland  
Irene Ann Berglund, Fort Eustis, Virginia  
Roger Lee Beveridge, Kingwood, West Virginia  
Lawrence Wilson Burdette, Jr., Charleston, West Virginia  
William Nelson Clatterbuck, Berkeley Springs, West Virginia  
C. Jerry Derr, Shepherdstown, West Virginia  
Alan Douglas Devers, White Post, Virginia  
Howard N. Dillow, Martinsburg, West Virginia  
Donald Olen Downey, Martinsburg, West Virginia  
Robert John Doyle, Charles Town, West Virginia  
James Kenneth Duncan, Shepherdstown, West Virginia  
Stephen Truax Eckerd, Hedgesville, West Virginia  
Russell Vie Eschbacher, Hillcrest Heights, Maryland  
Wayman K. Everly, Kingwood, West Virginia  
Harold Ronald Frank, Hershey, Pennsylvania  
Sandra Kay Frye, Martinsburg, West Virginia  
Dolly Romalyn Gauggel, Martinsburg, West Virginia  
James E. George, Haymarket, Virginia  
Barbara Coldren Hampton, Frederick, Maryland  
Carolyn Martha Hare, Baltimore, Maryland  
Kathleen Anne Herbert, Kensington, Maryland  
William Edward Holliway, Hagerstown, Maryland  
Richard Lee Huff, Nokesville, Virginia  
John Nelson Hutzler, Jr., Martinsburg, West Virginia  
James Francis Jennison, Camp Springs, Maryland  
Russell Thomas Johnson, Jr., Baltimore, Maryland  
John W. Lloyd, III, Martinsburg, West Virginia  
Donald William McCary, Arlington, Virginia  
Robert Thomas Malcolm, Jr., Winchester, Virginia  
Jerry Edgar Massey, Shepherdstown, West Virginia  
Adrian Lee Miller, Martinsburg, West Virginia  
Eric A. Munch, Hagerstown, Maryland  
Paul Joseph Niner, Jr., Berkeley Springs, West Virginia  
James Edward Parkinson, Glengary, West Virginia  
Denny Patrick Pentony, Martinsburg, West Virginia  
William George Pontius, Rockville, Maryland  
Edgell Franklin Pyles, Jr., Shepherdstown, West Virginia  
Richard Lee Schreiner, Alexandria, Virginia  
Troy Eugene Singleton, Buckhannon, West Virginia  
Jimmie L. Shipp, Martinsburg, West Virginia  
Jerry Kile Simmons, Brandywine, West Virginia

Michael Conrad Stephens, Martinsburg, West Virginia  
James Michael Story, Indian Head, Maryland  
Robert Lynn Stuckey, Martinsburg, West Virginia  
Thomas Bruno Sullivan, Herndon, Virginia  
Samuel Philip Taylor, Charles Town, West Virginia  
Sharon Allona Unger, Martinsburg, West Virginia  
Robert Henry Weaver, Shippensburg, Pennsylvania  
Judith Anne Weed, Falls Church, Virginia  
William Bruce Williams, Dallas, Pennsylvania

### **Bachelor of Arts-Secondary**

Carol Lynn Cooney Beittel, Baltimore, Maryland  
Jane Francina Rissler, Charles Town, West Virginia  
Mary Elizabeth Wysong, Charles Town, West Virginia  
Mary Caroline Ash, Downingtown, Pennsylvania  
Janet Ann Averill, Pleasantville, Pennsylvania  
Cleon A. Beittel, Jr., Boonsboro, Maryland  
Virginia J. Butler, Millsboro, Delaware  
Barbara Lee Cavey, Baltimore, Maryland  
George Homer Collis, Martinsburg, West Virginia  
Frank Roger Cosner, Springfield, West Virginia  
Howard Joseph Culver, Georgetown, Delaware  
Mildred Ann Dailey, Charles Town, West Virginia  
Carolyn Marie Ewan, Maugansville, Maryland  
Cecile May Hall Eyler, Shepherdstown, West Virginia  
Eugene Perry Foltz, Martinsburg, West Virginia  
Ellen Lou Frye, Hedgesville, West Virginia  
Sandra Anne Gary, Germantown, Maryland  
Robert Russell Green, Hagerstown, Maryland  
Judy Ann Grinnan, Martinsburg, West Virginia  
Suzanne Lee Harsh, Williamsport, Maryland  
Bonnie Geraldine Hogbin, Petersburg, West Virginia  
Linda Marie Hovermale, Berkeley Springs, West Virginia  
Robby May Hutchison, Wheeling, West Virginia  
Nancy Kaye Judy, Washington, Pennsylvania  
James R. Junkins, Petersburg, West Virginia  
Kathryn Irene Kidwiler, Shenandoah Junction, West Virginia  
David Dale Loury, Hillsboro, West Virginia  
Ella Jean Lowe, Lewes, Delaware  
Peggy Jeanne Lowe, Shepherdstown, West Virginia  
Mary Ann McKee, Bunker Hill, West Virginia  
William Garnett Manning, Ridgeley, West Virginia  
Constance Virginia Martin, Hagerstown, Maryland  
Barbara Ann Maxwell, Martinsburg, West Virginia  
Helen Joann Miller, Wardensville, West Virginia  
Larry Alton Mullin, Berkeley Springs, West Virginia  
Sandra Lee Olinger, Woodstock, Virginia  
Linda Joan Paolillo, Midland Park, New Jersey  
Gary W. Parks, Arlington, Virginia  
Charles M. Perrin, Warfordsburg, Pennsylvania  
Julienne Britt Post, Herndon, Virginia  
Ernest Carroll Propst, Franklin, West Virginia  
Raymond Walker Riddleberger, Jr., Charles Town, West Virginia  
Abigail Lynn Schaefer, Hagerstown, Maryland  
Lisa Maria Schmidt, Silver Spring, Maryland  
Cheryl Diane Shank, Hagerstown, Maryland  
Nancy Jean Shrader, Hagerstown, Maryland  
Annamae Lee Snapp, New Creek, West Virginia  
Robert Lee Sperow, Hedgesville, West Virginia  
Wendell Dayton Teets, Tunnelton, West Virginia  
Jerry David Thompson, Franklin, West Virginia  
Joseph Victor Walter, III, Harrisburg, Pennsylvania

G. Raymond Watson, Jr., Shepherdstown, West Virginia  
 John Dixon Wayne, Cowen, West Virginia  
 George F. Wilson, Keyser, West Virginia  
 Anne Hodges Wilt, Harpers Ferry, West Virginia  
 Charles Stephen Wilt, Harpers Ferry, West Virginia  
 Jane Wainwright Wineman, Richmond Furnace, Pennsylvania  
 Paul George Zwior, Bound Brook, New Jersey

#### **Bachelor of Arts-Elementary**

Judith Allene Butler, Martinsburg, West Virginia  
 Carol Kathleen Bland, Mouth of Seneca, West Virginia  
 Ann Clayton Bradt, Martinsburg, West Virginia  
 Katherine Patricia Brandt, Churchton, Maryland  
 Natalie Ann Burkhart, Martinsburg, West Virginia  
 Carl Daniel Clifton, Jr., Camden-on-Gauley, West Virginia  
 Catherine Irene Daugherty, Mathias, West Virginia  
 Nancy Crist Dawson, Arlington, Virginia  
 Patricia Gaye Dudley, White Sulphur Springs, West Virginia  
 Grace E. Ebersole, Charles Town, West Virginia  
 Ben Grady Ellis, Jr., Silver Spring, Maryland  
 Bonita Mae Fitz, Waynesboro, Pennsylvania  
 Harry R. Foley, Greencastle, Pennsylvania  
 Shirley Mae Frye, Frederick, Maryland  
 Mary Martha Grey, Shepherdstown, West Virginia  
 Betty Lou Hagerty, Middletown, Delaware  
 Joseph E. Hanna, Keyser, West Virginia  
 Joseph Bernard Hasenbuhler, Berkeley Springs, West Virginia  
 Opal Luttrell Hillyard, Winchester, Virginia  
 Georgia Ann Hutzler, Johnstown, Pennsylvania  
 Deanne Lee Johnston, Martinsburg, West Virginia  
 Louise Bushman Keiter, Berkeley Springs, West Virginia  
 M. Donna Kilmer, North Kingstown, Rhode Island  
 Judith Irene King, Hagerstown, Maryland  
 Gary Grove Lewis, Inwood, West Virginia  
 Peggy Jane Lewis, Martinsburg, West Virginia  
 Mary Lou Malenick, Oak Hill, West Virginia  
 Darleen Carol Sensel Miller, Berkeley Springs, West Virginia  
 Sally Ann Myers, Martinsburg, West Virginia  
 Phoebe Wilson Payne, Charles Town, West Virginia  
 Caroline Frantz Pontius, Shepherdstown, West Virginia  
 Pauline Marie Royer, Thurmont, Maryland  
 Norma Arlene Self, Ridgeley, West Virginia  
 Janet L. Sherrard, Gerrardstown, West Virginia  
 Barbara Combs Sirbaugh, Capon Bridge, West Virginia  
 Edith Cook Slonaker, Winchester, Virginia  
 Nancy Sue Smilyk, Cowen, West Virginia  
 Edith L. Snedeker, Wheeling, West Virginia  
 Sandra Gail Statler, Martinsburg, West Virginia  
 Emma Lou Strosnider, Romney, West Virginia  
 Charles Maxwell Stubbs, Kirkwood, Illinois  
 Linda M. Teets, Tunnelton, West Virginia  
 Mary Anne Trickett, Whitacre, Virginia  
 Nancy Collins Vance, Moorefield, West Virginia  
 Elizabeth Heltzel Walters, Wardensville, West Virginia  
 Barbara F. Warrenfeltz, Smithsburg, Maryland  
 Sharon A. Wheatley, Laurel, Delaware  
 Elaine Thomas Williams, Brandywine, West Virginia  
 Sandra Kay Wilson, Purgitsville, West Virginia  
 Theda Ann Wintermoyer, Charles Town, West Virginia

#### **Associate of Arts**

Carol Lee Campbell, Westminster, Maryland  
 Sandra Kay Irwin, Martinsburg, West Virginia

## SUMMARY OF STUDENTS 1966-67

	Men	Women	Total
I Summer 1966 .....	141	267	408
II Summer 1966 .....	103	135	238
TOTAL .....	244	402	646
Regular Term 1966-67—1st Semester:
